## S.S.S. DERIVES OUT RHEUMATISM

The cause of Rheumatism is a sour, acid condition of the blood, brought about by indigestion, chronic constipation, and the accumulation in the system of a matter which the natural eliminative organs have failed to carry out. This refers or waste matter ferments and sours, generating ureic acid which is absorbed into the blood and distributed to all parts of the body, and Rheumatism gets possession of the system. One may also be born with a predisposition or tendency to Rheumatism, because he all blood diseases it can be transmitted from parent to child. The aches and pains of the disease are only symptoms which you may scatter or relieve with liniments, plasters, blisters, etc., or deaden with opiates. As soon, however, as such treatment is left off or there is any exposure to cold or dampness, or after an attack of indigestion or constipation, the wandering pains, sore muscles and joints, and tender places on the flesh return, and the sufferer finds that he has merely checked the symptoms while the real cause of the disease remains in the blood. Rheumatism can never be cured while the blood remains saturated with irritating, pain-producing ureic acid poison. S. S. cures Rheumatism by driving the cause out of the blood. It thoroughly cleanses the blood and removes the circulation by neutralizing the acids and expelling all foreign matter from the system. S. S. stimulates and invigorates the blood so that instead of a weak, sour, sluggish, constantly depositing acid and corrosive matter in the muscles, joints, nerves and bones, the body is soothed and nourished by rich, health-giving blood, which completely and permanently cures Rheumatism. S. S. is composed of roots, herbs and bark, which possess both purifying and tonic properties—just what is needed in every case of Rheumatism. Book on Rheumatism and medical advice free. THE SWIFT SPECIFIC CO., ATLANTA, GA.

### Frost That Didn't Suit the Bears Cotton Market Easy.

(By Leased Wire to The Times.)

New York, Oct. 9.—The stock market opened generally lower, initial declines being as follows: New York, 1; Smelting, 3%; St. Paul, Union Pacific Amalgamated Copper and Colorado Southern, 1%; Reading, 3-8; Atchison, Topeka and Santa Fe, 1-4; Steel preferred, 1-8; Pennsylvania, unchanged.

New York, Oct. 9.—The attacks which for several days have been directed against the low priced stocks with a view to starting them on a full selling movement in the general market met with a considerable measure of success this morning, in order to assist the bear campaign as much as possible the rumors of financial trouble in Holland which had put out were made to do service again. So far as could be learned up to mid-day there was not the slightest ground for this rumor and it was promptly branded to be a stock jobbing creation.

But in the weakened condition of market sentiment it had the desired effect when accompanied by vigorous operations for the short account, of bringing considerable liquidation in stocks like M. K. & T., Rock Island and Chicago & Ohio, which are more or less extensively owned by Dutch capitalists. The extreme weakness made itself felt with the course of the morning in the entire list and prices dropped away steadily.

### May Wheat Jumps to \$1.10—Provisions.

(By Leased Wire to The Times.)

Chicago, Oct. 9.—May wheat made a new record at the opening this morning, selling up to \$1.10. December also gained a full cent, selling at \$1.03%. The strength of cables impressed the local crowd. Minneapolis receipts continue to run very light, 148 cars today against 417 last year. Duluth receipts are fair.

Opening prices: Wheat, December \$1.03%; corn, December 57 3/4¢; oats, December 57 3/4¢; pork, January, nothing doing; lard, January, \$8.55; ribs, January, \$8.90. Wheat closed 16 1/2¢ higher to unchanged; corn one cent higher; oats one cent better and provisions better.

### Frost That Didn't Suit the Bears Cotton Market Easy.

(By Leased Wire to The Times.)

New York, Oct. 9.—Under the influence of a sudden rally at Liverpool just before the local cotton market started this morning prices opened one point higher to one point lower. After the call, however, an easier tone developed. Those best informed took the position that light frost at this time would benefit the crop rather than injure it and accordingly the frost reported from Texas brought few bullish results.

The prediction was for rising temperatures in the western and northern belt.

### Talk About the Champions

(Continued from First Page.)

carried out to right field and went for a single. This put Jones on second. Crawford was foaled by Pfeiffer's curves and fanned out. He promoted against Sheridan's delivery. Cobb, the other great batter of the Detroit team, hit a hot one to Tinker and double play ended the inning. Tinker to Chances. End of inning, Detroit 9.

Payne is now catching for Detroit instead of Schmidt.)

Calegaro's half-Single, the first man up for the Cubs, waited and succeeded in getting a base on balls from Mullin. Slagle stole second and went to third on a bad throw by Payne. The ball hit Mullin in the back of the head and he went to the bench, holding his hands to his head. The players of both teams gathered around the Detroit bench to see how badly he was hurt. After a few minutes' delay Mullin returned to the box and the crowd applauded him. Sherrard knocked an easy hit to Schaefer and Slagle was held on the third base. Slagle was caught napping off third base by one of Mullin's quick throws to Coughlin. Immediately after this Manager Chance was safe at first on Schneider's tumble. Chance stole second. The play was very close and Schneider's uniform was badly torn by Chance's spikes. The game is being delayed while Schneider's pants are being sewed up. Steinfeldt was struck out. End of inning, Chicago 0.

Second Inning—First half, Detroit at the bat. Rossman put a three bagger to left. Detroit scores the first run of the game.

Pinky Donovan, manager of the Brooklyn team, sat in one of the boxes today.

"I expect a better game today than I saw yesterday," said Donovan.

"It seems to be that the teams are evenly matched and I do not look for a run away race for either. I think every game will be hard fought."

The Tigers took the field for their batting practice at 107 o'clock.

Sam Crawford, the slugger whose hit scored the two runs in the first game, was greeted with applause as he went to the bat for the first time.

"Can you repeat it?" asked the thousands of Detroit rooters.

Crawford turned to the stand. He made no promises, but his manner indicated that he thought he could.

Jennings then came to the bat and lined one over second to the amusement of the crowd, which, not at least equalled the record-breaking of the first game.

Chicago half—Kling first man up, singled to left, Evers smashed a slow grounder to O'Leary who tried to catch Kling at second but was too late. Schulte hit a hit one which Mullin barely touched with his bare hand and it was good for a base. Tinker got a base on balls, scoring Kling. Score: Detroit 1, Chicago 0.

Second Inning—First half, Detroit at the bat. Rossman put a three bagger to left. Detroit scores the first run of the game.
