Upon Jerome's arrival the fight Thaw's commitment to request for Thaw's discharge was renewed. After a few minutes of reflection Justice Dowling said:

"The jury having found a verdict of acquittal on the ground of insanity at the time of the shooting, the court feels it incumbent upon itself to look to the testimony given during the trial for the degree of unsoundness. The only finding in the case was described by the defendant's experts as anemic progressive insanity. That testimony has been based on prior outbreaks on
