BETSY ROSS AND HER FLAG PARTY.

The Betsy Ross Party, which will be given tomorrow evening, at 8 o'clock in the Edenton Street Sunday school rooms, promises to be a rather unique sort of entertainment.

The "party" is a descriptive sketch, depicting the birth of Old Glory in the days of '76. Thirteen young ladies, representing the thirteen original states, assist Betsy Ross in putting together the stars and stripes to form the United States flag.

Betsy Ross will be impersonated by Miss Mary Carter Ray, Miss Mary Evans will take the part of Liberty, Mrs. Edgar Harbee will represent Columbia, and Mr. John Park will be the real live Uncle Sam. The following ladies will appear in colonial costumes as the thirteen states: Misses Sarah Burkhead, Annie and Mary Clark, Annie Parrish, Bessie Womble, Mary Habel, Ella Mial, Martha Womble, Mildred Brown, Alice Wilson, Inez Wynne, Minnie Grissom, and Mrs. Worth Hanks.

During the construction of the flag, various patriotic airs will be introduced and an interesting musical program will be rendered by some of the city's best-known talent. There are to be vocal solos by Mrs. Horace R. Dowell, Miss Josephine Gilmer, and Mr. George Sligo; a violin solo by Miss Phyllis Woodall, and readings by Miss Frances Renfrow and little Miss Annie Rogers.

The entertainment is given by the Ladies' Circle, No. 1, of which Mrs. Lynn Wilder is chairman, and is for the benefit of the Edenton Street church parsonage fund. A cordial invitation is extended to the public, to enjoy this interesting entertainment.

ETHICS OF ENGRAVING

Engraving is not a matter of conjecture. It is either correct or incorrect. The house which keeps you in a state of uncertainty with an order is never satisfactory. Placing an order here insures you the correct engraving—style and form.

ment and assist in a worthy cause. There will be no fixed admission fee, but a silver offering will be taken at the door.

At the Raleigh High School. The Raleigh High School is one of the most popular places in the city this week. The opening exercises yesterday afternoon were a great success. A large crowd was present to see and hear the little folks. They all did well and received hearty applause.

Again last night there was a large crowd out for the exercises. There was good music and interesting talks, which were much enjoyed.

Arranged along the walls of the auditorium are the pictures of the Turner art exhibit. These will well repay a close study, comprising as they do copies of some of the world's most famous paintings.

In other parts of the building, hall and class rooms, are to be seen specimens of the pupils' work from the different schools. Papers, compositions on all subjects, and maps, are neatly arranged around the rooms on tables.

Miss Slocum is to be congratulated on the beautiful display her art pupils have made. The walls are covered with attractive little pictures, sketches and book covers, many of them showing real talent.

Perhaps the most popular room is that presided over by Miss Lizzie Bellamy, assisted by a corps of little girls from her cooking class, each in dainty white cap and apron. Delicious salad, coffee and beaten biscuits were served by these little girls, showing their skill in cooking, other samples of cooking, many and varied, some elaborate, are arranged on a table. Many dainty articles of clothing are also on exhibit here, showing the skill of the children in that line. Miss Bellamy is receiving many congratulations on the work of her pupils.

The exhibit is open from 9 to 12 and 3 to 6 during the day and from 8 to 10:30 at night.

There will be another entertainment tonight. A good program has been arranged and the public is cordially invited to attend.

Among those taking part tonight are such favorites as Prof. J. P. Bralley, Miss Renfrow, Mrs. Orndorff and Miss Mary Carter Ray.

Aside from the concert no one should fail to see the exhibits from the schools. It is well worth a visit and a careful survey.

DOCTOR THE SKIN TO CURE THE SKIN.

Scientific Study Proves Eczema Cannot Be Treated by Dosing the Stomach With Drugs.

Advanced medical science, after years of study and research, is now practically agreed that Eczema, psoriasis, salt rheum, and diseases of like nature are skin diseases—and cannot be cured by dosing the blood. The treatment prescribed is the direct application of healing, soothing remedies to the skin.

"Doctor the Itch where the Itch Is"—such as the common sense as well as scientifically correct conclusion. Oil of wintergreen, compounded with such other soothing vegetable remedies as glycerine and thymol in D. D. D. Prescription, is recognized as the specific. Physicians use D. D. D. Prescription freely in their practice. Dr. C. A. V. Harleben, Washington, D. C., writes as follows:

"D. D. D. Prescription is medicinal soothing and the effect is miraculous. God knows it saved me a deal of suffering. I recommend it to everyone I can."

This letter is only one of many testifying to the merits of this purely vegetable remedy. Copies of other letters may be seen at our store, Henry T. Hicks Company. Free treatise on care and nutrition of the skin may be had on application.
