

THEATRICAL.

DIXIE MINSTRELS TONIGHT.

What the St. Joseph News-Press has to say of the Dixie Minstrels at the Academy of Music tonight:

"The Dandy Dixie Minstrels, all negroes, last night scored a decided hit with one of the largest Lyceum audiences of the season. The company is made up of half a dozen soloists of merit, four punsters who annexed a number of original jokes, and includes one of the best negro choruses heard here and a host of clever dancers. The opening scene is well set, a reproduction of Palm Beach, Florida."

THE WRONG DIAGNOSIS.

Prompt the Use of Worthless Remedies.

Even an experienced physician will sometimes make a mistake in diagnosis, in which event his entire treatment is wasted and may even be injurious to the patient.

The advocates of all other hair restoratives save Herpicide have wrongly diagnosed the cause of Dandruff and Falling Hair.

They figure on a functional disease whereas it is now known and generally accepted that hair loss is due to a parasitic germ which Newbro's Herpicide destroys.

There is no substitute for Herpicide, accept none.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Two sizes, \$1.00 and 50c.

The Jumping Off Place.

"Consumption had me in its grasp; and I had almost reached the jumping off place when I was advised to try Dr. King's New Discovery; and I want to say right now, it saved my life. Improvement began with the first bottle, and after taking one dozen bottles I was a well and happy man again," says George Moore, of Grimesland, N. C. As a remedy for coughs and colds and healer of weak, sore lungs and for preventing pneumonia New Discovery is supreme. 50c and \$1.00 at all druggists. Trial bottle free.

CHAIRMAN OATES TO MINISTERS

State Chairman Oates, of the Anti-Saloon League, has issued the following statement to the preachers of the state:

Dear Brethren:—The liveliest question before the people of North Carolina today is that of prohibition. It is the talk in the homes, in the stores and shops and on the farms and highways.

This good day of an aroused public conscience on the liquor question has come more largely through the work of the preachers than through any other cause. And now that the issue is squarely drawn before the people, I am sure that our preachers will make the next three months busy ones in the fight to protect the homes and churches and schools of the state from their greatest enemy, the liquor traffic.

The preachers hold the key to the situation. By their visiting through the week and by their sermons on Sunday they can reach and influence the people of the state as no other class of men can. This is the opportunity, brethren, to bring to a happy fruition all of your sowing for temperance through the years.

Brethren, there is not a day to lose. Organize and agitate; agitate and organize. Hold rallies; have mass meetings; train the children in songs and recitations. Help the good women to organize and start the campaign for the defense of their homes and firesides. Make March temperance month in each of your churches. Do not wait, but start the ball to rolling. This is not a campaign in the aggregate, but one where every man is expected to use every power within his own grasp to overthrow the liquor traffic in this state. You know the situation and needs in your locality, and I trust that the moral forces there will achieve a great victory for righteousness.

Write me for literature or information and please report the progress of your work.

Sincerely,
JOHN A. OATES,
 Chairman.

JUST 3 DAYS LEFT TO WIN CLANSMAN BOX

But That Is Time Enough for Any Contestant's Friends to Place Her in the Lead to see the Play

Voting is getting very heavy for the three fine prizes offered by the Evening Times to the three most popular ladies of Raleigh and vicinity. Several of those who made a bad start are rapidly forging ahead, and threatening to overtake the leaders. But three more working days remain in which the best efforts of the contestants and their friends will be put forth. The contest closes promptly at noon next Monday, and no votes can be counted after that hour.

The lady receiving the most votes will be presented with a stage box for the farewell performance of "The Clansman" at the Academy next Tuesday night, March 3rd. The next highest number of votes will entitle the recipient to four choice seats, and the third largest vote will give the lady receiving it two best seats.

The Evening Times takes pleasure today in telling its readers something about the comedians in "The Clansman." Miss Durant, the clever mirth-maker of "The Clansman," is a second cousin of the late President Jefferson Davis of the Southern Confederacy. Her father, ex-Mayor Davis, of Peru, Ind., was a warm Southern sympathizer during the war between the states, and is now a resident of Bedford City, Va. Miss Durant sustains the part of Mammy Eve, the delicious old darkey, who recalls to every auditor the love and kindness that prevailed between the races in the days "before de war." In her work the actress is ably supported by Mr. Maxwell as Uncle Neuse, the darkey butler, and by Mr. Richardson as the worthless no-account negro Sheriff Aleck. Mr. Maxwell is the veteran of the black cork stage, the pioneer minstrel who went to London with Jack Haverly in 1878, and an actor much liked in Raleigh for his clever impersonation of the darkey Sassafras in "The County Chairman." He is a New Orleans boy, and has been a stellar performer of coon parts for the past thirty years. Of equal merit is Richardson, whose stage experience has been versatile, and who can do anything from a blacked-up minstrel to a white-cockered dominie. He is an excellent musician, as well as actor. More than once Richardson has been ejected from the stage door as a sure enough local negro who had no business in the house.

MAY PROVE FATAL.

When Will Raleigh People Learn the Importance of It?

Backache is only a simple thing at first; but when you know 'tis from the kidneys; That serious kidney troubles follow; That diabetes, Bright's disease; may be the fatal end; You will gladly profit by the following experience.

'Tis the statement of a Raleigh citizen.

Joseph E. Pool, 316 South Person street, Raleigh, N. C., says: "Doan's Kidney Pills proved in my case to be a most valuable remedy for kidney trouble and it gives me pleasure to endorse them. A lameness through the small of my back and severe pains through my loins bothered me a great deal, at times making my condition such that I could not work. To stoop, or lift, sent sharp twinges coursing through my body and though I applied plasters to my back, I became no better. The kidney secretions were highly colored and contained a sediment and from these symptoms, I decided that my kidneys were out of order. Hearing Doan's Kidney Pills highly recommended, I procured a box from the Bobbitt-Wynne Drug Co. Since using them every symptom of kidney trouble has been eradicated and I feel better in every way."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

EMINENT SPEAKERS HEARD AT ACADEMY LAST NIGHT.

Last night at the Academy of Music, Mrs. Lillian M. Hollister, Supreme Commander of the Ladies of the Maccabees, and Hon. D. P. Markey, Supreme Commander of the Knights of the Maccabees, spoke to a large audience.

Mrs. Hollister is a speaker of great charm and delighted her audience with her short address. She was followed by Hon. D. P. Markey, who discussed fraternal beneficiary societies at some length. His talk was both entertaining and witty.

In the absence of the governor, Col. Z. P. Smith delivered the address of welcome in a most fitting manner. He spoke of the historic record of North Carolina and in a few well chosen words made them welcome to its borders.

Mrs. Horace Dowell delighted the audience with a solo, and Miss Frances Rinfrow recited in her usual charming manner, "In the Toils of the Evening." Both received hearty accolades.

Excellent music was furnished by the Third Regiment Band.
