

# BASKET BALL BY YOUNG LADIES

### University Students Hold Outdoor Sports

## A TENNIS GAME ALSO

Physical Culture Department of Baptist University Closes Actual Work for Spring With Exciting Contest. First Team Wins at Basket Ball. Other Exercises.

The closing exercises of the actual class work of the physical culture department of the Baptist University took place this morning under the direction of Miss Phelps and Miss Gertrude Royster.

The day was ideal for the sport and as the basketball team trotted on the field they were greeted with shouts of applause. Two halves of ten minutes each were played with a ten minutes' rest.

At the end of the first half the score stood 4 to 1 in favor of the second team; only two fouls were made during this half. The first team's goal was made from a free throw.

After the rest, the players changed sides for the last half and when time was called the score stood 12 to 7 in favor of the first team.

The game was played in almost perfect silence and was characterized by the swift, smooth playing and absence of all roughness.

The sides of the basketball ground were lined with enthusiastic students, who cheered the players on to victory. Miss Jennie Fleming umpired the game. Miss Phelps was time-keeper. The line-up of the teams was:

First Team. Second Team. Letitia Lancaster, r. f. Minnie Cannon Elizabeth Lovell, l. f. Vallie Womble Patsy Sheek, center. Javan Phelps Jeanette Watson, r. g. Maude Davis Betty Howie, l. g. Ruth Cook

The basketball game was followed by a tennis game between Misses Pauline Bridges and Lila Keith and Misses Mattie Savage and Eloise Griffin. The game being won by Misses Bridges and Keith. Score, 7 to 2.

After the games the girls adjourned to the outdoor gymnasium for the exercises in corrective work.

These exercises were under the direction of Miss Gertrude Royster. First, there was drill work and marching, followed by dumbbell drills.

Much enthusiasm and merriment was caused by the broad jumping. The greatest distance jumped being 9 feet, although there were a number of young ladies who had not missed the rope and who could have jumped a greater distance.

There was work on acting bars, ladders, rings and giant stride merry-go-round.

The exercises ended up with a relay race, with obstructions. The girls lined up with eight on a side. The races were run, creating the wildest enthusiasm and calling forth shouts of laughter.

The young ladies did excellent work, showing what perfect training and drilling they had had under the direction of Miss Phelps and Miss Royster. The exercises were not open to the public, only the faculty and students being present.

### "They All Look Alike to Mary."

This is the title of the next song to be given with the New York Sunday World. Words and music complete. Comic song hit of Ziegfeld's wonderful run at the New York theater last year and is now on a return engagement to New York. This is a great comic song. Humorous cover design by Stanleys in color. Words and music by Billy Kent. Song published by arrangement with Maurice Shapiro.

## WEST RALEIGH PASTOR

### Rev. J. M. Hilliard Accepts Call Extended Him

Will Begin Duties at Once—Is a Man of Power and Influence and the Congregation is Fortunate in Securing Him.

Rev. J. M. Hilliard, of Cary, who has been called to the pastorate of the West Raleigh Baptist church, has accepted the call and will take charge of the work immediately.

Mr. Hilliard is a Wake county man. He was born and reared in this county and a great deal of his work has been done here. Until recently he was pastor of the Baptist church at Wakefield and of Knight's chapel, just south of Raleigh. He is now pastor of Mt. Moriah Baptist church. He was at one time connected with the Baptist Orphanage at Thomasville. His longest pastorate was at High Point.

He is a man of large experience and has been very successful as a pastor. The West Raleigh Baptist church is to be congratulated on securing such a man.

Miss Harward was 16 years old and had been sick four months. She was a granddaughter of Mr. J. N. Hubbard, formerly of this city.

The services will be conducted by Mr. N. B. Broughton and interment will be in Oakwood cemetery.

# SUNDAY FIRE BURNS HOUSES

### Two Residences Destroyed Yesterday Morning

## OTHERS ENDANGERED

West Jones Street Residence Section Suffers From Flames and Lack of Water—Loss About \$3,000—A Mother and Babe Removed From Burning Building—Firemen Work Heroically.

Fire which originated over the kitchen in the house of Mr. Julius M. Johnson yesterday morning completely destroyed that property and the large two-story residence owned by Mr. E. M. Martin on West Jones street, and did damage to the amount of over \$3,000. The houses were all of wood and burned like tinder, the water supply not being sufficient to prevent the flames from spreading.

The alarm was turned in by Mr. George Marsh, who was entering his yard as the flames were bursting from the rear roof of the smaller house. For a time it seemed that even the home of Mr. Johnson would be saved, but a high wind blew the flames east and the twelve-room house occupied by Prof. John Michels and Mr. Ben Pelot quickly caught and was soon a mass of burning timber. Four times the residence of Mr. W. T. Delamar caught and as many times was put out. The furniture had all been removed, however, and the only damage done was to the furniture in moving it and to the roofing and side of the building. The loss has not been estimated.

Mother Removed Twice. A baby girl was born unto Mr. and Mrs. Johnson Saturday night and both the mother and the child were confined. When the fire was discovered they were placed on a cot and removed to the house recently vacated by Mr. C. A. Separk two doors east, the flames driving the mother and child from this place of refuge. They were then carried to the home of Prof. G. D. Meares, corner Jones street and Boylan avenue, where they remained until last evening. Mr. Johnson secured the house, 212 Lane street, yesterday afternoon and moved his family into it. Both the mother and daughter suffered no injurious effects from the removal and are reported as doing nicely.

Woeful Lack of Water. Had there been a plentiful supply of water on the corner of Jones street and Boylan avenue, the fire would have been checked. As it was, only one stream was available for a few minutes and it could scarcely reach the top of the large house. Another stream was brought into play, but even this was not effective in preventing the flames from spreading, a high wind driving them from west to east. Finally the large steamer was brought out, placed on the corner of Hillsboro street and Boylan avenue, and the two extra streams quickly quenched the flames. Altogether the property was burning a couple of hours.

Loss About \$3,000. The house occupied by Mr. Julius M. Johnson was owned by Mrs. Mamie Lewis, and was insured for \$800, about half its value. Mr. Johnson, who is a plumber, lost approximately \$250 in tools and furniture. Most of his furniture, which was not insured, was saved.

Prof. Joan Michels, associate professor of dairying and animal husbandry in the A. and M. College, and Mr. Ben Pelot, a traveling salesman, occupied the large double-residence to the east of the Lewis property. Prof. Michels, all unconscious of the fire, was at church and knew nothing of it until he reached the scene. The house was insured for \$2,000, probably two-thirds its value. All the effects were removed and the damage to furniture was incurred in moving it. Prof. Michels at once rented the cottage recently vacated by Mr. C. A. Separk, next door, and has moved into it. Mr. Pelot is not in the city, his headquarters now being in Atlanta, and all of his furniture was packed preparatory to shipping it. The furniture of course was saved and today is being shipped to Atlanta.

Late yesterday afternoon fire broke out anew in the larger house, but Chief Simpson organized a bucket brigade and quickly extinguished it. Hundreds of people were at church yesterday when the alarm was sounded and never knew of the fire until told of it. Nearly two thousand persons, however, congregated near the scene, and all yesterday afternoon the street was alive with visitors.

The firemen worked hard for two hours and did not cease until every spark seemed out. Men could have done better service, and if there had been an abundance of water the Raleigh firemen, who were prompt on the scene, would have made quick work of the whole business.

# WILL REMAIN AT SOLDIERS' HOME

### Mr. and Mrs. William Elmore to Stay Here

## DR. DIXON GETS LETTERS

People From All Over State Urge That Couple Be Permitted to Stay at Home—Five Dollars Already Subscribed—News Broken to Old People This Afternoon.

Mr. and Mrs. William Elmore, the aged couple who came to the Soldiers' Home last week from Missouri, will remain at the home and this afternoon Dr. B. F. Dixon broke the good news to them. A letter received from Maj. H. A. London, of Pittsboro, informed Auditor Dixon that the Soldiers' Home of Chatham county is crowded to its utmost capacity and that it could not accommodate another person.

Letters have literally poured into Dr. Dixon, urging him to provide for the couple at the home. Mr. C. H. Russell, of Delhaven, in a letter received today, suggests that they be provided for by popular subscription and offers to head the list with five dollars. The Faison-Hicks Chapter, U. S. C. at Faison, held a special meeting and unanimously resolved to bear its share in the support of the couple. Dr. Dixon has received other letters and each writer is anxious to add the old couple.

Mr. and Mrs. Elmore, who are natives of Chatham county left North Carolina thirty-five years ago for Missouri and resided there until a few days ago when they returned to the state to spend their remaining years. There is no provision for the accommodation of soldiers of other states at the home however, and Dr. Dixon and the authorities were at a loss. The home has never taken care of a wife of a soldier and Mrs. Elmore's arrival further complicated matters. Dr. Dixon wrote to Maj. H. A. London, of Pittsboro, in the hope that Chatham would be able to provide for them, but the Chatham home is crowded.

Dr. Dixon has concluded to provide for Mr. and Mrs. Elmore at the Soldiers' Home and he feels that there will be no trouble in raising funds; in fact the letters already received show clearly that the people of North Carolina will be quick to donate a sum sufficient to make the lives of the old couple comfortable and happy. Dr. Dixon went out to the home this afternoon and informed Mr. and Mrs. Elmore that the people of North Carolina would see to it that they remain in Raleigh. They will not be separated, as Mrs. Elmore is quite feeble and crippled. The husband is active and, though past seventy-five years, is able to do much light work. He spends a great deal of his time writing on his wife.

The news that the old couple will be provided for at the home will be received with pleasure by the people of the state, who have from the first taken a lively interest in the matter.

# Sunday Evening

Many persons do not feel like eating a regular supper but need something light and wholesome to sustain them. Elijah's Manna seems the most convenient and appetizing food obtainable.

It is made from white corn, rolled between steel rollers into light fragil flakes and toasted to a light brown which makes it very easily digested and gives the peculiar, appetizing flavour.

Pour out what you want and with the addition of good cream you get a dish so deliciously tempting as to create a desire for more. And don't stop with one dish if you want more.

Sold by Grocers—Large Family size pkg. 15c.

There's enough in a small package for a convincing "taste" for the whole family, but you'd better take home a full size family package (for over Sunday) of the most deliciously flavored flake food known.

Be sure the food comes to the table crisp. When package is allowed to remain open the moisture of the air makes it tough. In such case insist that it be dried in an oven as per directions on pkg., then it is delicious.
