GOV. HUGHES TO BE CANDIDATE

President Has Ordered His Renomination for Governor of New York

SENTIMENT FOR HIM

President Had to Reverse Himself and Endorse the People's Choice to Avoid Making a Split in the Party—Anti-Hughes Talk Stopped.

(By Leased Wire to The Times) New York, Aug. 14.—The press this morning says:

"President Roosevelt has ordered the renomination of Governor Hughes. The cruel war is over, Woodruff, Parsons, Barnes, Ward, Hendricks, and the other anti-Hughes hostiles who were out with tomahawks looking for the governor's scalp, are to return at once to the reservation and smoke the pipe of peace. As overlord of the republican party, the president decided that the situation in New York imperilled the election of Taft and that immediate intervention was necessary before greater damage should be done to the presidential candidate's chances of carrying the state.

"Reluctant as he was to reverse himself and cancel the O. K. that he gave to Woodruff's anti-Hughes' plan of two weeks ago, President Roosevelt felt that further hesitation would be dangerous to the party interests. His instructions to the state leaders were definite and they will not be changed. The anti-Hughes talk which has flowed so abundantly in organization circles for a month past is to stop and the state machine is to be put in harmony with the dominant party sentiment which Roosevelt is convinced is behind the demand for Hughes for a second term."

For Sore Feet.
 "I have found Bucklen's Arnica Salve to be the proper thing to use for sore feet, as well as for healing buras, sores, cuts, and all manner of abrasions," writes Mr. W. Stone, of East Poland, Maine. It is the proper thing too for piles. Try it! Sold under guarantee at all drug stores, 25 cents.

SUICIDE AT HIGH POINT.
 Young Man Shoots Himself—Out of Work and Drinking.
 (Special to The Times)
 High Point, Aug. 14.—At five o'clock yesterday afternoon J. L. Culbreath, age 27, shot himself through the heart. Culbreath leaves a wife and two small children.

The young man, like many others, had been deprived of steady employment for several months on account of the panic. Of late he had taken to drinking, and this seemed to add to his despondency and culminated in the rash act of yesterday. His wife and children are left in a pitiable condition.

She Likes Good Things.
 Mrs. Chas. E. Smith, of West Franklin, Maine, says: "I like good things and have adopted Dr. King's New Life Pills as our family laxative medicine, because they are good and do their work without making a fuss about it." These painless purifiers sold at all drug stores, 25 cents.

PROSPECTS OF RICHES IS CAUSE OF INSANITY
 Richmond, Va., Aug. 14.—Overcome with the prospect of becoming heir to the fortune and estates of his father, Theodore Von Thien, forty-two years old, is believed to have lost his mind and has been locked in jail for observation. Next December Von Thien would have come into possession of his father's wealth, estimated at six million marks, and would have received his title as Count Theodore Karl Kronfels Thien.

For the past four years the heir has been employed as a butler in the home of P. F. Ryan, a capitalist of this city. Already there are several hundred thousand marks deposited to his credit in New York, sent from Berlin banks.

Since the publication of his story Von Thien has received many leap year proposals, but has ignored them all and has offered his name and fortune to a Richmond girl, whose name he preserves as a secret.

BUDWEISER.
 the most popular beer in the world. There is less profit to the dealer who sells it, because it costs most at the brewery, yet its sales exceed those of all other bottled beers, which proves that its superiority is long-recognized everywhere.

GUNNING FOR ATTORNEY

Man Sued on Claim Goes After Lawyer

Durham Attorney Has Close Call From Man With a Gun—Dr. Smith Seriously Ill—Diphtheria Prevalent.

Durham, Aug. 14.—City Attorney R. O. Everett had a disagreeable experience when E. F. Royster, whom he sued yesterday morning on a claim of \$53, went gunning for him and came near catching him several times while in his frenzy.

Mr. Everett had been out driving with a friend and the infuriated fellow went to his office, finding him gone. He procured a pistol and started over the streets proclaiming his intention to kill the lawyer. When Mr. Everett went to supper he was sitting quietly there when a friend called out, "Look out, Everett." By that time Royster had been caught while trying to enter the house and was led away by friends.

Dr. Julian A. Smith, one of the city's oldest physicians, is at the point of death, with no hope for recovery, or even improvement. Dr. Smith's falling health several weeks ago drove him to the Watts hospital, where he underwent an operation. It was given him in the hope of temporary improvement. He rallied slightly, but yesterday had a desperate change for the worse, and was carried home in the afternoon to spend the last days there.

Diphtheria, which swept West Durham several weeks ago, appears to have spread, and in one section of Durham there are many cases. The health officers are doing their best with it, and there have been no deaths, but the scares are frequent.

Professor Gilmore Ward Bryant, of the Southern Conservatory of Music here, has returned from Asheville, where he attended the Grand Encampment of Odd Fellows in state session there. The fraternalists selected Salisbury as the next meeting place and named the date for the second week in August. In the election of officers Professor Bryant was made Grand High Priest, one step below the biggest thing the Odd Fellows have to give, and next year it comes to him.

The officers named were:
 Grand Patriarch—W. L. Smith, Winston.
 Grand High Priest—G. W. Bryant, Durham.
 Grand Senior Warden—A. C. Allen, Wayneville.

CONVENTION TOMORROW

Republicans to Meet at Court House to Name Ticket

Judge Adams to Speak at 1 O'clock. Rumor Current That a Non-partisan Ticket May Be Named—Rumor Not Verified.

The republicans of this county will hold their convention tomorrow at noon in the court house for the purpose of naming a ticket.

Judge Spencer B. Adams, of Greensboro, chairman of the state executive committee, will address the convention at 1 o'clock in the afternoon.

The republicans in this county have been very active for the past six months and they are predicting that there will be a large attendance here for the convention. The primaries in the county were held last Saturday and delegates elected to the convention. In the city of Raleigh the republicans hold their precinct meetings tonight, most of them at the polling places, and elect delegates.

A number of candidates are out, as the announcement column of The Times shows, for some of the places. The convention promises to be a very interesting affair.

There is a report current that the republicans may endorse a non-partisan ticket for county commissioners, but this could not be verified. Those who were approached on the subject were non-committal. Another report has it that the county ticket will be bi-partisan.

In a letter to a prominent republican, Judge Adams stated that he would arrive in Raleigh this afternoon at 6:30 p. m. His speech has been scheduled for 1 o'clock in order to give all an opportunity to hear him.

HOME FROM ART LECTURES.

Mr. M. W. Tyree, of the Firm of Wharton & Tyree, Back From New York and Boston.

Mr. M. W. Tyree, the talented junior member of the firm of Wharton & Tyree, has returned to the city after extensive study in the art centres of New York and Boston.

Mr. Tyree is an artist of pronounced ability, and returns even better equipped than ever for the production of artistic photographs. He will doubtless add to his already high reputation.

As a democrat, I protest against his position in this matter.
