MEHEM DALI BEY STILL GUARDED

Turkish Minister Has Police Guard But Says He Has no Fear

WHERE IS HE GOING?

Preparing to Leave Washington But His Destination Not Divulged. Professes Loyalty to the Present Order of Things in Turkey—The Ambassador Just Appointed Has Been at Bucharest Sixteen Years and is Entitled to Promotion—is Now in New York City.

(By Leased Wire to The Times.) Washington, Aug. 19.—Although professing to have no fear of threatening letters recently addressed to him by Turks and Armenians who said they would kill him, Mehemid Ali Bey, formerly Turkish minister, continues to have the legation guarded by the police, who closely question all visitors and keep a lookout for persons lurking in the vicinity of the Turkish legation. Disproving any statement that he had fled from the city, the former minister received newspaper men and commented on Turkish affairs. He said that he was not afraid of his anonymous enemies, that he is not preparing to flee; that he does not know where his father, Izzet Pasha, is, and that he is in sympathy with the new regime in Turkey. From all appearances the former minister is preparing to leave Washington. He will not, however, under any conditions divulge where he is going. Mundji Bey, the Turkish charge d'affaires, is now in New York. Before his departure he said that Hussein Kasim Bey, Turkish minister at Bucharest, who has been nominated as Turkish ambassador to the United States, has been at Bucharest

for sixteen years and was entitled to such a promotion.

ALEXANDER BERKMAN.

Alexander Berkman, anarchist, who once attempted the life of Henry C. Frick, was one of the leaders of the delegation which sought to gain admittance to the Prosperity Congress in New York.

WHOLESALE LEGAL DEATHS.

Seven Men Sentenced Today and Twenty Yesterday. (By Cable to The Times) St. Petersburg, Aug. 19.—Seven more sentences of death were handed down today. Yesterday 26 sentences of death were registered throughout the empire, making a bloody record. The sentences were signed at Kharkov, two at Saratov, three at Kiev, five at Warsaw, five at Plusk, and ten at Lodz. The condemned at Saratov had been found guilty of pillaging the estate of an aristocrat and the fact that they had been sailors in the Russian navy did not help them at all.

LITTLETON NOT TO BE CANDIDATE

Believed That Lawyer Has Been Turned Down Because of Corporation Record

A ENEMY OF MURPHY

Murphy Believes That Littleton is Not Strong Enough to Win, Because of His Corporation Connections—Whole History of His Firm Closely Related to the Politics of the State—Also Murphy's Personal Enemy.

(By Leased Wire to The Times.) New York, Aug. 19.—According to statements made today by members of Tammany Hall, generally believed to be in the confidence of Charles F. Murphy, Martin W. Littleton, until now regarded as the probable candidate for governor has been "turned down" by Tammany.

It was said that Murphy had no objection personally to Littleton as a candidate, but believed that he was not strong enough politically to win next fall, because of his corporation connections through the law firm of O'Brien, Boardman, Platt & Littleton. Mr. Murphy himself had nothing to say when approached in connection with the elimination of Littleton as a candidate. He declared that he is neither for or against any candidate. That it was a free field for all and that the convention would decide. Nevertheless the report that Littleton was out of the race was traced directly to the wishes of the head of Tammany Hall.

The law firm of which Littleton is the junior member represents more corporations probably than any other law firm in New York. Their chief business is politics, legal in character and the whole long history of the firm is closely related to politics in this

state. Moreover, Littleton was at one time an outspoken enemy of Murphy and it is said that Murphy never forgets and never forgives.

TWO KILLED IN ACCIDENT.

Auto and Train Collide—Two Killed and Three Injured.

(By Leased Wire to The Times.) St. Paul, Minn., Aug. 19.—John B. Glueck, secretary of the Glueck Brewing Company, of Minneapolis, and his wife were killed and his two children and his sister-in-law perhaps fatally injured in an automobile accident at Cottagewood this morning. The auto was struck by a Minneapolis & St. Louis train. The machine was splintered and the occupants thrown high in the air. Mr. Glueck was instantly killed. His wife was pinned under the machine and burned to death by a fire caused by the explosion of the gasoline. Her suffering was terrible. The two children and the sister-in-law were hurled into the air and thrown against the depot. The 12-year-old boy was internally injured. The seven-year-old girl suffered a fractured skull and will probably die.

GARFIELD ON SITUATION.

Sentiment in the West Exceedingly to Mr. Taft, He Thinks.

(By Leased Wire to The Times.) Hot Springs, Va., Aug. 19.—Secretary of the Interior James R. Garfield, who has been making a tour of the western states, arrived here today and spoke confidently of republican success on November 4. Secretary Garfield visited the following states: California, Oregon, Idaho, Montana, Wyoming, South Dakota, Nebraska, Utah and Colorado. "As I ascertained the political conditions and sentiment is exceedingly favorable to Mr. Taft," said the secretary. "In some of the states local trouble exists but this will not affect the head of the ticket. Business conditions are also favorable. Crops are good, business is good, and the railroads are doing a heavy freight hauling business." At Kansas City a poll of the votes on train showed 47 for Taft and 17 for Bryan.

BURIED HIS MONEY.

Let it Stay for Four Years and Dug it Up in Bits.

(By Leased Wire to The Times) Washington, Aug. 12.—With a package containing \$10,000 in paper money resembling a handful of autumn leaves, O. D. Earle, of Morrilton, Ark., a dealer in mules, called on United States Treasurer C. A. Treat and after a microscopic examination by treasury experts the Arkansas man will get nearly all of his money redeemed. Earle about four years ago, fearing to trust his savings to the banks, buried \$10,000 in an old tin pail. He dug for it recently but could find no trace of the pail or the greenbacks. Another search revealed what looked like a ball of mud with edges of a \$10 bill protruding. It proved to be his wad and in the hope of gaining some recompense from the government he came to Washington.

Chinese Sailors Mutiny.

(By Leased Wire to The Times.) New Orleans, Aug. 19.—Mutiny broke out on the new steamship Carthage, of the United Fruit Company, at anchor here, and for half an hour a general fight was held that for a time looked serious. The trouble grew out of the complaint of the Chinese crew of 43, who said they were getting bad food. They took the matter up with the steward and then attempted to remove that functionary to a higher region. He opened fire and they retreated. Officers of the ship say the matter is of little moment.

In the last two years the value of New York's exports has increased more than \$100,000,000.

The Holland-Venezuelan Trouble.

(By Cable to The Times)

The Hague, Aug. 19.—Members of the diplomatic circles here do not look upon the Holland-Venezuelan embroglio as one to be settled by arbitration. It is of such nature, it is said, that the difficulty has rather taken on the quality of an affair of international honor. A nine-hour session of the cabinet was held yesterday, at the conclusion of which the foreign minister, J. R. D. M. Van Swinderen, called upon the queen and apprised her of the situation.

Two Boys in Jail.

Two obstreperous negro boys were taken in charge and lodged in jail for falling to be good on the Norfolk & Southern excursion train yesterday. They are Turner Powell, charged with shooting on the train and carrying concealed weapon, and Ernest Alston, also charged with carrying a concealed weapon.

Turner Powell and Ernest Alston, the two colored gentlemen who were arrested on the Norfolk & Southern excursion train this morning, were tried by Magistrate Separk this afternoon. Both were charged with shooting on the train, but from the evidence neither one could be adjudged guilty. Turner Powell was released and Ernest Alston was found guilty of carrying concealed weapons and bound over to court.

(By Cable to The Times) St. Petersburg, Aug. 19.—Three Japanese, thought to be spies, have been arrested at Slavianskaja, a military post on the Bay of Peter the Great.
