

GREAT VICTORY IN WAKE COUNTY

Democrats Roll Up Handsome Majority for Every Man on the Ticket

SHERIFF SEARS LEADS

The Popular Sheriff Joseph H. Sears leads his ticket—W. J. Andrews led Republican ticket as predicted—His vote a disappointment to his friends—Kitchin's majority will exceed 1,800 and may reach 2,000—Pou gets a handsome majority—The Democratic Majorities are entirely satisfactory in every way—They were not large enough to chloroform Wake County Democracy—Wake County Returns.

This morning only two precincts were unheard from. These were Mitchell's Mill and Buckhorn. The democratic majority in the county amounts to about 1,500. W. B. Jones leads Wildes by 1,402. J. W. Hinsdale leads the legislative ticket with 3,716. Albert Cox gets the lowest on the democratic ticket, which is 3,746. A. B. Marshburn leads the republican legislative ticket with 2,392. P. McK. Matthews, the lowest, gets 2,314. Joseph H. Sears, sheriff, leads the ticket with 4,046, beating his opponent, W. C. Johnson, by 1,514. W. J. Andrews, true to predictions, ran ahead of his ticket, receiving 2,584 votes. L. B. Pegram received 3,765 votes, a majority of 1,081. J. J. Bernard gets 3,972 votes. Thos. H. Franks, 2,530, a majority of 1,442. The democratic board of county commissioners is elected, Mr. D. T. Johnson receiving 3,971 votes. W. C. Brewer led the county commissioners ticket, his majority being twelve more than Johnson's. W. E. Massay is elected surveyor and C. A. Separk coroner by majorities substantially the same as those of the rest of the ticket.

Wake county did the right thing by E. W. Pou, giving him a total of 3,286 votes to 2,089 for Briggs. Hon. W. W. Kitchin receives 2,792 votes to 2,074 for J. Edwood Cox. This is an increase over the vote cast for K. B. Glenn four years ago. Glenn received about 3,800.

Raleigh Township.
In Raleigh township, Charles D. Wildes, republican candidate, brought up the tail-end of the procession. W. B. Jones defeated him by a majority of 984 votes. Jno. W. Hinsdale, Jr., led the democratic ticket in the city with 1,675 to his credit. A. L. Cox gets 1,560 and E. T. Scarborough 1,660.

First Ward, First Division gives W. W. Kitchin 264, Cox 26. Second Division, (blank). Second Ward, First Division gives Kitchin 211, Cox 30. Second Division, Kitchin 230, Cox 17. Third Ward, First Division, 194 for Kitchin, Cox 57. Second Division, Kitchin 37, Cox 84. Fourth Ward, First Division, Kitchin 151, Cox 42. Second Division, Kitchin 19, Cox 66. Outside East, North, Kitchin 97, Cox 105. South, Kitchin 105, Cox 15. Outside West, North, Kitchin 151, Cox 60. South, Kitchin 64, Cox 62.

It is estimated that Mr. Kitchin's majority in the county, when all the precincts are heard from and the official vote announced, will exceed 1,800. Present figures give him 3,702 votes, with about six precincts unheard from, which have given the other democratic candidates substantial majorities. His vote will be close to 4,000.

Altogether, it is a big democratic victory and one the democrats of Wake have a right to be proud of. With all the fuss and bluster, republican gains have been very slight. W. J. Andrews led his ticket by only a few votes. He failed to carry his own ward, the second, which gave Pegram 401 votes to 31 for him. The Second Division of the Second Ward, in which Mr. Andrews resides, gave Pegram 210, Andrews 35.

Hon. E. W. Pou's vote will exceed 3,600. Briggs loses out by about 1,500 votes.

The Wake County Canvassing Board meets tomorrow at 12 o'clock to canvass and declare the official vote.

Later advices from Mitchell's Mill and Buckhorn give the democratic ticket a majority of 12 in Buckhorn and 26 in Mitchell's Mill.

Magnificent Victory for State Democracy

(Continued from First Page.)
made in Union and Wilson.

The heaviest losses were suffered in Wake, where nearly 1,200 democratic votes were polled than at the last election.

Congressional Districts.
Democratic congressmen were elected from all the districts with the possible exception of the 10th, in

William Jennings Bryan, Thrice Defeated for President

which Grant, republican, opposed the present incumbent, Crawford, democrat. The election was very close in that district, and as yet it has been impossible to tell definitely which won out.

In the only other doubtful district, the 8th, Hackett was elected over Cowley by a small majority.

Close Counties.

Ashe county gave a democratic majority of 50 to 159. Hackett's majority was 77.

In Halifax county there was a big independence movement, which failed to materialize, the democrats rolling up an overwhelming majority.

Bladen county is safe, with 200 democratic majority.

Rowan county, which heretofore gave about 2,000, only gave 1,900 majority this time.

Returns from Catawba give republican sheriff and representatives a majority of 75. The remainder of the ticket democratic.

From 100 to 500 republican majority is the report from Rockingham.

Average democratic majority of 40 to 45 was the result in Randolph.

Montgomery county is on the democratic side with a majority of 34.

Chairman Eller's Statement.

State Chairman A. H. Eller, who has so ably conducted the past campaign, was seen this morning by a Times reporter and he gave out the following statement:

"The democrats of the state ought to be satisfied. They have made a great fight, and polled, as it now seems, the largest vote since 1900. The possible small decrease in the majority is accounted for by the fact that the republicans got out their old vote, including a great many negroes, many of whom have not been voting in recent years, until this time. This being a presidential year and a number of great questions which divided our people having been settled, it was expected that the party would feel the effect. And the fact that, notwithstanding these things, such a great democratic vote has been given that it is not only satisfactory to all democrats, but should be cause for the greatest gratification."

**SPECIAL LOW RATES TO
CHARLOTTE VIA SEABOARD.**

On account of the A. & M.-Davidson football game at Charlotte, the Seaboard authorizes the sale of low round trip rate tickets from Raleigh to Charlotte and return, based on three cents per mile, one distance travelled, plus twenty-five cents, which makes the round trip rate from Raleigh \$5.45. The tickets will be sold November 6th, and for trains scheduled to arrive in Charlotte forenoon, November 7th, final return limit to return November 8th.

exceptionally strong and ill, doubtless, make it extremely hard for the Farmers. The A. & M. team has profited from its experience with the Virginia eleven and will be on its pin at every stage of the game.

A large crowd promises to take advantage of the above low rates and go to the Queen City.

CO. B OFF TO CONCORD.

Captain W. F. Moody Will Take 60 of His Soldier Boys Along.

Company B, Third Regiment of North Carolina State Guard will leave this afternoon at 4 o'clock for Concord in charge of one Will Graham, a negro charged with a horrible crime. As is well known, the negro has been in the state penitentiary here since some time during fair week. Some threats of lynching were made and the authorities thought best to bring him to Raleigh for safe keeping.

Things are very quiet at Concord. In fact there is but little fear that any violence will be attempted, as the people of that section are notably law-abiding, but the authorities thought best to use an abundance of precaution.

Capt. W. F. Moody, with his company of 60 men, will leave this afternoon for Concord, where the negro will be put on trial.

RAN INTO FUNERAL TRAIN.

Coffin Dashed to the Ground and Mourners Hurt.

Chicago, Nov. 4.—A Pennsylvania switching train today crashed into a carriage bearing the body of a four-year-old boy, his mother, two women mourners and a little girl at 122nd street, and probably fatally injured the mother, dashing the coffin to the ground. The other mourners were slightly injured, and the carriage wrecked.

The occupants were on their way to Holy Cross Cemetery in West Pullman, from South Chicago, to bury the body when the train, composed of a switch engine and several cars, bore down upon them.

The injured: Mrs. Mary Amdrevjevick, 45 years old, South Chicago, mother of the dead boy; Mrs. Annie Lewandowski, 43 years old, head badly cut by broken glass; Magdalena Kortki; unknown girl, 4 years old.

Walter Lelinski, driver of the vehicle, escaped by leaping from the train.

Game Warden Appointed.

Governor Glenn, on the recommendation of the Amooon Society, today appointed the following game wardens: Enoch Goverton, of Currituck county; Thomas P. Baker, of Randolph county; A. M. Holbrook, of Rockingham county, and E. E. Henley, of Moore.

STEADY PROGRESS SAYS PRESIDENT

(By Leased Wire to The Times)
Washington, Nov. 4.—Speaking of Mr. Taft's election this morning, the president said:

"This administration has meant a steady effort and progress which should never be allowed to deviate into an unwise radicalism on the one hand nor into an unwise conservatism on the other. The nomination of Mr. Taft was a triumph over reactionary conservatism. His election was a triumph over unwise radicalism."

The fact was called to the president's attention that there was some doubt as to the meaning of the phrase "steady progress," used by him yesterday morning.

The best explanation of this saying, the president declared, was to be found in an inspection of the election returns.

SLOW RETURNS FROM OHIO.

Both Sides Still Claiming the Governorship.

(By Leased Wire to The Times)
Columbus, O., Nov. 4.—The republican and democratic state committees stated today that their information from several county chairmen was that in many precincts the election officers were not yet through counting. It was believed that it would be after noon before the complete county returns would commence to come in.

Up to this time it has been impossible to make any sort of reliable tabulation of pluralities in the counties from which even partial returns have been received.

State Chairman Finley, of the democratic committee, is claiming the election of Harmon by something like 75,000 and Republican Chairman Williams was claiming Governor Harmon's election, based largely on the confidence that the rural vote will offset Harmon's lead in the cities.

Democratic Chairman Finley also claims the election of the entire state democratic ticket, but has no returns on anything but Harmon.

(By Leased Wire to The Times)
Chicago, Nov. 4.—Unexpected strength in Liverpool market was the chief cause of a 1/4c. bulge in wheat at the start. There was some selling on the uptick.

(By Leased Wire to The Times)
Indianapolis, Ind., Nov. 4.—The republicans concede the state legislature to the democrats. This means the defeat of Senator Hemenway.

SUPPLY TRAINS GO TO FRONTIER

Vienna, Nov. 4.—A number of supply trains were ordered to proceed from this city toward the Servan frontier today. Simultaneously other trains loaded with provisions, tents and other warlike munitions, departed from Buda Pest and Olmutz. Reports from the frontier are meagre although the information received indicates a serious condition. Although news of a skirmish would not be surprising there is a strong feeling in the Austria capital that warfare will be avoided.

THE JURY HAS THE MORSE CASE

New York, Nov. 4.—Judge Hough, in the circuit court today, delivered his charge to the jury in the case of Charles W. Morse and Alfred H. Curtis, on trial for violation of the Federal banking laws in connection with Morse's manipulations with the National Bank of North America.

It is expected that when the jury leaves the court room to deliberate on Morse's fate there will be a wrangle which will equal that of the famous Walsh case in Chicago in which the jury was out thirty-nine hours.

CONFESSES TO MURDER.

Brother About to be Hanged Causes Confession From the Real Murderer.

Philadelphia, Pa., Nov. 4.—"I cannot see my brother hanged. I must confess all. I shot at Consoil in self-defense. He was bigger than either my brother or myself. When I saw what I had done, I raced home and changed my clothes and took a train out of town."

This letter, which purported to have been written by James Perry, has caused a stay in the execution of Raphael Perry, the Italian who was convicted of the murder of Joseph Consoil, in Germantown, in September, 1907. The condemned man, who has steadily maintained his innocence, was to have been hanged Friday. The reprieve was granted by Governor Stuart yesterday.

The communication from the missing brother was received by the Italian consul and telephoned over to the attorneys for the brother in prison, who used it to obtain a reprieve from Governor Stuart.

At the trial a year ago, an effort was made to show that James Perry was the murderer. His wife admitted that her husband had told her he shot a man. But James was not to be found, and Raphael was convicted. James' letter was dated Lakewood, N. J.

"What difference does that make. I feel no gladness," said Raphael. "My brother will only have to suffer what I have suffered. I knew all along that he shot Consoil, but what could I do? I could not testify to send him to the gallows."

Two Charters Granted.

In the Superior Court.

The following suits have been begun in the superior court:

T. L. Geralt et al, trading as T. L. Geralt & Co. vs. Charles Massey; J. W. Ament and Martha Ament vs. Capital City Telephone Co., and Interstate Telephone and Telegraph Co., R. N. Simms attorney for plaintiffs; Charles Massey vs. Bob King and Snow Blaylock (claim and delivery), R. N. Simms attorney for plaintiff.
