New York Stock Market.

(By Leased Wire to The Times) New York, Feb. 9.-There was a strong tone at the opening of the stock market, prices making fractional gains. The demand then fell off and a renewed bearish deposit on the part of the room traders caused some moderate rereacted to about yesterday's close. The specialties were firmly held. Denver fractional gains.

THE TIMES' DAILY FINANCIAL STORY

(By T. C. SHOTWELL)

New York, Feb. 9.—Gould shares NOTICE OF REMOVAL-I have were the strong feature of the stock market in the early trading today. Buying of Denver continued, resulting in a gain in the common of over a point and of 2% points in the preferred. Texas and Pacific was also strong, % of a point being gained, while Missouri Paeific rose % of a point. Steel shares were strong with fractional advances. In spite of the weak condition of the copper metal market the copper shares showed strength in the early part of the session. Amalgamated and Smelters each rose ½ a point. Reading, Union Pacific and Southern Pacific, while strong, showed only fractional gains. New York Central was active and advanced only half a point. The plan to make Wabash the principal Gould company and use it for rejuvenation of the system has given the Missouri Pacific such a strong standing that it is possible some bonds may be isued directly by Missouri Pacific FOR SALE-My residence, southfor raising money in addition to what tion, 200; receipts, 51,000; Ameri- will be produced by the sale of securican, 12,200; futures opened steady ties from its treasury to the treasury of the Wabash company. Wall street had a weird rumor this morning that the Gould and Harriman lines would be merged, but nothing of the kind has ever been considered by Mr. Harriman

or Mr. Gould. The comptroller of the currency is sued a call for the condition of the national banks as of February 5. In London American securities were

irregular. Silver stocks were the leaders on the urb market. Cobalt Central advanced on the strength of a new discovery of TWO 2-STORY DWELLINGS AND ore having been struck at the lowest evel at which it has been encountered in the camp. In the gold list, Goldfield Consolidated was most active. Among he copper stocks. Ohio was the leader

TYPHOID IN MINERAL WATER

The State Chemist Finds Typhoid in Thirty-Five Out of Forty-Seven. A bill was reported favorably this morning in the senate which provides for an analysis of all mineral waters offered for sale or for resorts in the state, and if found bad the analysis will be published in the Health Builetin. It provides also the water analyzed three times and

if found pure it will be so stated in the Health Bulletin. But here is the most interesting matters of the whole thing under discussion: Dr. Lewis finds that of the 47 mineral waters being sold in this state, 34 are polluted with typhoid Correct. Attest;
