The principal feature of this morn-Iowa, having moved from Colorado since yesterday morning. This storm has increased in energy and is causland and along the Lakes, and rain his error, and so I promptly ad-or snow in the Mississippi and Ohio dressed a letter to him in which I plateau and Rocky Mountain regions, attended by decidedly lower temperatures. Another storm is appearing in the extreme northwest accompanied by tures above the normal except in himself a part. Oklahoma and the Texas panhandle, where the temperatures are unseasonably low.

The conditions indicate rain tonight and Wednesday in this vicinity with warmer tonight.

A. H. THIESSEN.

AN EXPLANATION.

Article in Yesterday's Paper Was Not Intended as a Reflection on Minister.

In the report of the little trouble between "Railroad Jack" and Rev. W. In taking away \$500 of the salary of the last two retiring governors to way they would be glad to take it up. paper, there was no intention what- two of the committees of the house, this department. The opinion of the the reporter was only trying to give had recommended. But the unfair- sage to the present general assembly man with mileage that cost two cents the statements of both parties and ness of it can be seen without any is as follows: not the opinion of the paper. Rev. Mr. Smith comes to this city with fine recommendations and is undoubtedly conducting a fine meeting here and from the great interest that is being taken in his meetings he is certainly doing a lot of good. Rev. Mr. Smith states that he had never seen "Railroad Jack" before in his life until their meeting on the street
