

# WANTS HER LETTER PUBLISHED

### For Benefit of Women who Suffer from Female Ills

Minneapolis, Minn.—“I was a great sufferer from female troubles which caused a weakness and broken down condition of the system. I read so much of what Lydia E. Pinkham's Vegetable Compound had done for other suffering women I felt sure it would help me, and I must say it did help me wonderfully. My pains all left me, I grew stronger, and within three months I was a perfectly well woman.”

“I want this letter made public to show the benefit women may derive from Lydia E. Pinkham's Vegetable Compound.”—Mrs. JOHN G. MOLDAN, 215 Second St., North, Minneapolis, Minn.

Thousands of unsolicited and genuine testimonials like the above prove the efficiency of Lydia E. Pinkham's Vegetable Compound, which is made exclusively from roots and herbs.

Women who suffer from those distressing ills peculiar to their sex should not lose sight of these facts or doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.

If you want special advice write to Mrs. Pinkham, at Lynn, Mass. She will treat your letter as strictly confidential. For 20 years she has been helping sick women in this way, free of charge. Don't hesitate—write at once.

## WAKE FOREST NEWS.

Dr. B. W. Spillman Preaches—Program For the Commencement. (Special to The Times)

Wake Forest, March 22—The pulpit was occupied yesterday by Dr. B. W. Spillman, of Winston, who delivered an address at the morning service on “Baptists in Sunday School History,” and preached at the evening service. Saturday night he spoke on “The Modern Sunday School,” and tonight will speak on “The Sunday School and the Kingdom.”

President B. T. Vann, of B. U. W., will preach next Sunday morning, and Dr. T. B. Hill, of Kentucky, in the evening.

Jerome D. Greene, secretary of Harvard University, will lecture here Thursday night on “Some Aspects of the Freedom in College Life.”

C. T. Bell, who has made all the preliminary arrangements for the Davidson-Wake Forest debate, has secured a special rate to Greensboro for the large number of students who will accompany the debating team.

The program for the coming commencement is as follows:

Wednesday night, May 19—Baccalaureate sermon by Dr. J. W. Lynch.

Thursday night—Dr. Charles P. Aked, pastor of Fifth Avenue Baptist church, of New York, will make a literary address.

Thursday night—Rev. Oscar, pastor of the Collegiate Baptist church, of New York, will deliver the alumni address.

Friday, commencement day proper—President Poteat will make the baccalaureate address. Orations will be delivered by representatives of the senior class, a medal being offered for the best oration, by Mr. A. P. Ward, of New Bern.

The board of trustees will hold their meeting on Wednesday of commencement week.

PEOPLE who are troubled with stiffness and poor circulation should use

# Sloan's Liniment

It penetrates and acts like massage, but does not require rubbing.

Mrs. JESSIE HAYS, of Sonora, Ky., was paralyzed on one side for over a year and could not lift her arm. She tried Sloan's Liniment, and after three treatments could use her arm as well as ever.

All druggists keep it. Price, 25c., 50c. & \$1.00.

Dr. Earl S. Sloan, Boston, Mass.

price for that day only. This is for the purpose of attracting trade to Thomasville on one week day, rather than have such a rush on Saturday, and will no doubt prove a success.

The town authorities have placed waste cans on the streets throughout the business part of the town, thereby saving so much trash and papers blowing over the streets and noisome. This was done at the suggestion of the Civic League.

The subway in front of the graded school has been completed and will be ready for use in a few days. The Southern Railway deserves the thanks of the entire town for this life-saver, for no doubt had it not been built school children crossing the tracks and from school would sooner or later have been killed by the trains. All children living on the north side of the track in going to and from school will be required to pass through this subway. It is built of cement and concrete throughout and is just the thing for the children to pass through.

Dr. J. M. Morris, one of the largest merchants in the town, has bought the Andrew Lindsay farm about six miles north of here, the trade being confirmed this week. The farm contains 57 acres and cost about \$1,500. This is one of the best farms in this section and was sold dirt cheap. Mr. Morris is contemplating moving his family to this farm and entering upon farming on a very extensive scale. His son, Mr. J. A. Morris, will continue his mercantile business here.

A cotton mill for Thomasville is the next enterprise the town hopes to secure. A number of citizens here have, during the past, invested in cotton mills in other towns, but now they would be glad to take stock with some good company and start a mill here. There is an excellent opening here for a cotton mill, and as an inducement, an excellent site has been offered. Also there are lots of women here without employment, who would be glad to work in the mill. The male population is engaged in the furniture and chair business and the female population are without work except buttoning chairs, labor is low, railroad facilities good and every inducement possible will be offered to secure a cotton mill. Parties who are interested in the cotton mill business would do well to investigate. Thomasville's inducements before locating elsewhere.

The new North Thomasville parsonage has just been completed and is now ready for its coat of paint. It is a beautiful parsonage and a credit to the congregation. Pastor Bell and family have moved into the parsonage and are cozyly situated.

The finishing touches are being made on the large and handsome new Methodist church and it is the desire of the congregation to have it ready to worship in by Easter, if possible. The church is certainly a credit to the town.

The new store room of Mr. T. J. Finch, on Salem street is nearing completion and when finished a modern cafe will be operated on one side of it and an up-to-date barber shop on the other side. The building is very pretty and will add considerably to the appearance of that street.

It will be of interest to the Raleigh fans to know that in Friday's game Brandon let the Farmers down with two hits, while in Saturday's game the Farmers touched up McQuillen for three safeties, one of which was for two bags. Some class to that.

**TALK OF NEW COTTON MILL.**

**A New Enterprise For Thomasville.**  
(Special to The Times)

Thomasville, March 22—The remains of the late Capt. W. T. Moore were laid to rest in the cemetery with Masonic honors Saturday morning immediately after the funeral services held in the Baptist church by his pastor, Rev. M. Crutchehead. Capt. Moore was one of Thomasville's oldest and best citizens, he was in his 32nd year and always been an honored and respected citizen. He was a captain in the Confederate army and was a brave soldier. He leaves eight children, with whom the community deeply sympathizes.

Mrs. Chas. R. Thomas and Mr. F. S. Lambeth were Thomasville's representatives at the great banquet of the Manufacturers' Club in High Point Friday night, they had the pleasure of hearing Senators Bailey and Overman, President Finley and Mr. Richards, of the Southern Railway, and a number of other distinguished speakers. The event was said to be the most brilliant in the history of the club.

The merchants here are trying to arrange the second Tuesday in every month as special sales day and every one will have a special article at a low

**ONE WAY TO AVOID PILES and Appendicitis.**

Every incoming patient recites the same story—neglected or improperly treated constipation. The great increase of operations for appendicitis, rectal diseases and womanly displacements, indicates the crying need of a mild but sure treatment for constipation, says a well known hospital matron. Headache, stomach troubles, piles and all the fevers of children can be prevented by using this mild formula whenever any constiveness exists: Get at any well-stocked drug store one ounce aromatic fluid cascara, one ounce compound essence cardiol, and two ounces aromatic syrup rhu-barb. Mix and adults take from 1/2 to 2 teaspoonfuls after each meal, while children will readily take from five drops to a teaspoonful after each meal, according to age. This treatment will correct the bowels and not drug them. The longer it is used the less need of it except when some heavy meal is consumed, or when one catches cold.

If unable to obtain these ingredients from your regular druggist, you can readily obtain them from the King-Crowell Drug Co.

## NEWS FROM APEX.

Enjoyable Social Affair—Concert Friday Night—Graded School Closes.

(Special to The Times)

Apex, March 22—The most enjoyable occasion of the past few months was the reception given the young ladies of Apex by the young men of the town, at the beautiful home of Mrs. R. M. Johnson, on last Thursday evening, from 8 to 11 o'clock. Mesdames A. V. Baucom, C. B. Wilkerson, and R. W. Johnson received the guests upon entering. Miss Lizzie Utley presided at the punch-bowl very gracefully.

Progressive dice-hearts, the game of the evening, was played with enthusiasm, as a box of Reyster's was promised the most progressive player. This prize was won by Mr. J. R. Norris, who, in a chance-contest, gave it to Miss Ida Lassiter.

After the game the guests were treated to the spacious dining-room hall, where black ice cream and fruits of various kinds were served. Those present were: Misses Belle Strickland, of Louisburg; Hallie Allen, Lenna Fincham, Ida Lassiter, Lucinda Allen, Rena, Coffield, Lizzie Utley, Maude Norris, Florence Bunch; Mesdames C. B. Wilkerson, A. V. Baucom; Messrs. R. W. Stephens, Charles Baucom, W. B. Johnson, J. R. Norris, J. R. Howard, G. C. Norris, Robt. Sears, Percy J. Olive, and A. J. Fletcher.

Under the supervision of the Woman's Betterment Association of Apex, a concert will be given in the graded school building next Friday night. The different parts have been taken by local talent, and being under the personal management of Miss Lizzie Utley and Mrs. A. V. Baucom, a splendid concert is expected. The hours will be from 8 to 10 o'clock.

Messrs. C. P. Sellers, of Apex, and J. B. Mason, of Durham, have purchased three of the most desirable business lots in Apex, those adjoining the bank building, and will erect in the near future three handsome department stores, with pressed brick fronts, plate glass windows, and equipped with offices overhead. The work of erection will begin as soon as material can be hauled to the place.

Friday night the graded school closes its first year in the handsome new building. It has been well officered and the general results are entirely satisfactory to its patrons. Prof. A. B. Harrell, together with his very competent assistants, Misses Belle Strickland, of Louisburg, Lizzie Utley, of Apex, have given the people in this section a splendid school, and our people will be fortunate in securing to the children of Apex the same efficient corps for next year.

**MICAJA ON HOLINESS SYSTEM.**

Says Raleigh Needs a Preacher of the Old Dr. Closs Kind.

Micajah is of an evangelical nature and takes in every style of religion that presents itself. He, since the storm, has allowed his mind to run somewhat on the “holiness system” which has created some sensational rumors about a cyclonic destruction of Raleigh, and has attended several of the Glenwood meetings since the recent blizzard, and when The Times man dropped in at Justice Roberts' court this morning Micajah was relating his ideas of that peculiar sect.

“Boss,” said Micajah, “there's something about this new-fangled religion that would catch the Raleigh coons if ‘Black Pat’ would turn to holiness preaching and strike the Fourth Ward. But you can bet your last silver wheel no crimson-haired woman can ever sanctify any of the voting population of Raleigh—cause there ain't no holiness plank in the platform, and that game has been eliminated from the care of the Audubon Society—and it will come under the trust law with no teeth in it.”

“Some one out in Glenwood told me that the people who got the holiness system down to perfection were those who first patronized the Glenwood skating rink, and learned all manner of athletes gyrations, so when they got a good dose of sanctification they can do the necessary dancing.”

“Boss, them people sing, dance, shout, cry, talk, and preach, till a fellow feels like he was in one of the talking moving picture shows. Its one of them shows where one feels like he would like to mix in, but can't. I have a supreme respect for the earnest pleadings of an evangelist who is honestly trying to reform his fellow men, but such carrying on as this new sect indulges in in public makes one feel that the religious feature of their system is not embraced in christianity.”

“Boss, what Raleigh needs is one of old Dr. Closs kind of preaching, who don't know anything about these salvation army street corner preaching, or the high-kicking, rope-jumping sanctificationists.”

**THE HEINZE CASE.**

Will Be Settled Out of Court and Action Against Heinze Dropped.

(By Leased Wire to The Times)

New York, March 22—Judge La-combe, in the United States circuit court this afternoon, directed that the claims of the National Bank of North America against Augustus F. Heinze, the indicted mining financier, be settled out of court. The action brought against Heinze and George Baigun by John M. McKinnin for the shareholders of the bank is dropped.

## JEFFRIES IN BOSTON

Met by Large Crowd of Fight Fans

(By Leased Wire to The Times)

Boston, Mass., March 22—Big Jeff rolled into Boston at two minutes before 7 o'clock this morning to open his theatrical engagement here. Outside the gates at the track, there was lined up an expectant crowd of newsboys and fight fans and the undefeated heavyweight champion had to run the gantlet of another bunch all the way down the boardwalk after he stepped off the Pullman.

And the eternal question broke out: “Will you fight, Jeff?”

“Now quit your kidding,” he said with a grin.

“Good day for road work, Jeff,” was suggested.

“Road work today? Not for mine. I'll bet I didn't get an hour's sleep out that car last night and I'm going to pound the pillow today. I hope they'll hold me off the stage till late.”

**TO CURE A COLD IN ONE DAY.**  
Take LAXATIVE BROMO Quinine Tablets. Druggists refund money if it fails to cure. E. W. GROVE'S signature is on each box. 25c.

## MOB OF WOMEN ATTACK POLICE

New York, March 22—Armed with clubs and bricks, and leading a mob of two hundred men, twenty-five women today made an attack on the entire reserve force of the Orange, N. J., police in an effort to capture five men who had been employed as strike-breakers in one of the factories. It was not until revolvers were drawn and one policeman was badly hurt that the strikers retreated.

Unless there is less disorderly application probably will be made today to the governor of New Jersey for troops to protect the strike-breakers.

**MRS. NATION ARRIVES.**

Struck New York Last Evening—Had Tiffs With Voyagers.

(By Leased Wire to The Times)

New York, March 22—Mrs. Carrie Nation, who has been lecturing in advocacy of prohibition in Scotland and England, arrived last evening in the second cabin of the steamer Battle with not much regard for her fellow-voyagers—a sentiment they reciprocated. She had verbal battles with many of the men and women, most of whom, she declared were more or less under the influence of drink during the voyage.

**MEMBERS WILL BE DOCKED.**

Must Stay on the Job or Lose the Money.

(By Leased Wire to The Times)

Washington, March 22—Members of the house who don't stay on the job during the consideration of the tariff bill will be “docked,” if Speaker Cannon carries out his present intention in this regard.

Absenteeism is getting to be a real evil in the house, going so far during the recent session as to interfere with the business of the lower branch of congress.

## ROOSEVELT GETTING READY FOR HIS TRIP

(By Leased Wire to The Times)

Oyster Bay, N. Y., March 22—Preceded by a wagon load of baggage, ex-President Theodore Roosevelt left his home at Oyster Bay today and went to Hoboken, there to inspect the suite on the Hamburg-American liner Hamburg, which he will accompany on his trip to Europe. Miss Ethel Roosevelt accompanied him. The loading of the baggage at the pier, which will come later, is under Mr. Roosevelt's personal supervision.

Sexton looked mighty good in Saturday's game. His addition to the Red Bird pitching staff would greatly add to its strength. He's a coming star or I'm badly mistaken.
