A MONEY MAKING PROPOSITION

FOR THE CONSIDERATION OF ALL WHO BUY FEED FOR HORSES AND MULES.

Having given the feeding of stock great study and careful consideration the past 10 years I have become convinced that there is a great saving in buying the feed for your stock ground. My own experience is confirmed by that of a number of my customers who have tried the experiment. I have recently installed in my store, 309 South Wilmington Street, a modern mill propelled by electricity. I can touch the button and grind your feed while you wait at an ordinary saving in cost. Come in and let me prove it.

During the spring every one would be benefitted by taking Foley's Kidney Remedy. It furnishes a needed tonic to the kidneys after the extra strain of winter, and it purifies the blood by stimulating the kidneys, and causing them to eliminate the impurities from it. Foley's Kidney Remedy imparts new life and vigor. Pleasant to take—King-Crowell Drug Company, Fayetteville and Hargett streets.

ALMOST CERTAIN YAW WILL COME

Easter Monday at Academy of Music

TO BE SETTLED TONIGHT

Greater Social Even for Easter Monday Night—World's Highest Singer Meets Popular Demand in Raleigh. Subscribers Reserve Seats in Advance.

Manager J. Sherwood Upchurch, of the Academy of Music, stated this morning that he had received a perfect torrent of replies to his postal card of inquiry and that every indication pointed to the closing of the contract for the appearance of Mme. Ellen Beach Yaw for Easter Monday night. The celebrated grand opera singer, who has surpassed by one note every other star-will, unless all signs fail, receive an ovation in Raleigh.

To open the post-lenten season with such an attraction as Mme. Yaw means that Raleigh will have many prominent guests for Easter. The young ladies of the Baptist University for Women, Peace Institute and St. Mary's School will grace the occasion, the entire gallery being reserved for their exclusive use. Many young people are already scruled to be guests in Raleigh homes and a letter from one of the best conservatories of music in this section stated that a number of the pupils of that institution will be here for the appearance of Mme. Yaw.

The entire lower floor back to the last six rows will be sold at \$2.00 each and the last six will be sold at \$1.50. The free list of the Academy will be suspended, because the large guarantee necessary to attract the great star to Raleigh will require the full patronage of Raleigh's cultured people.

Manager Upchurch's mail tonight will settle the matter. If half the guarantee has been promised the contract will be closed and the decision will be announced tomorrow morning. All orders for subscribers seats will be responded to with an order, which, when presented at the Tucker Building Pharmacy on Monday morning, the 5th, at 10 o'clock, with the amount for the tickets, will be good for subscribers seats. No one but subscribers will be allowed to reserve seats on Monday and all who notify Mr. Upchurch by tomorrow the number of seats they will take will be given subscribers privileges.

APPLICATIONS FOR POSITIONS.

Many Candidates Besiege New Aldermen—Applications Should be Made by Letter.

Many applications are being made for positions in the employment of the city. The applicants seem to have overlooked the fact that only the primaries have been held and candidates nominated, but not elected. The regular election will not be held until May, and it will be after the election when the new board assumes its duties. The election, however, of the other officers of the city and the filing of the several positions will not occur until July, so that there is ample time for all applicants to establish their claims. The candidates for aldermen can, of course, consider no applications until they are elected and qualified as aldermen.

They request, therefore, that all applications be filed by letter and that endorsements of friends be made in the same way. Applications mailed to any one of the candidates will be presented to the full board and duly considered by all. This will save a great deal of time and will be much more effective. Long petitions are unnecessary. Letters from reputable citizens will be entirely sufficient.

It is the purpose of the new board, if elected, to select the best men possible for each position, and to this end not to make any commitments until all the applications are before them, so that the claims of every applicant and the commendations of their friends may be carefully considered.

We often wonder how any one can be persuaded into taking anything but Foley's Honey and Tar for coughs, colds and lung trouble. Do not be fooled into accepting "own make" or other substitutes. The genuine contains no harmful drugs and is in a yellow package—King-Crowell Drug Company, Hargett and Fayetteville streets.
