THE WOMAN'S STORE -- THE WOMAN'S STORE. WE HAVE THE AGENCY FOR PEARLESS PATTERNS. NEW FASHIONABLE WAISTS. A Fancy Silk, Net, Messaline, or Lingerie Waist is a convenience to every woman. There are occasions when an elaborate costume would suggest overdressing and a tailored Shirt Waist would be out of place. At such a time a dressy Waist worn with a tailored suit would be "apropos" in every respect. The stylish models in Waist, which we are now showing, can be used on such occasions and they need not be limited to wear with a separate skirt, for the lines and effects are so good that a charming costume would result were they combined with a skirt of suitable design. All the latest models of Waist are here to be seen and they are among the handsomest ever shown in this city. The quality of each is of the best—and the workmanship unsurpassable. The greatest number of questions we have to answer is such as "How can you sell so cheap?"—Because we know how to buy. We lead in the styles as well as the price, and are always showing something new. KAPLAN BROS. MASONIC TEMPLE - - - RALEIGH, N. C.

WILSON NEWS. Preacher Arrested For Non-Support of His Family—Fire Near Town. Wilson, April 3.—The Rev. Thos. P. Tucker, a strolling evangelist who has been exhorting for several days on the court house square and other parts of the city, was arrested yesterday under a warrant sworn out by his wife, who lives at Rockingham, charging him with abandonment and non-support of herself and eight children. He will be taken to Rockingham today and turned over to the authorities of that city to be dealt with. A fire occurred last night on the farm of Mr. W. H. Davis, three miles west of Wilson. A barn containing about 100 bushels of corn, about 25 barrels of fodder, was totally destroyed, as was also a tool-room containing a lot of farming implements. The stables also burned, but the cattle and stock therein were gotten out in safety. The dwelling house of the tenant, Miles Etheridge, colored, which was located 15 or 20 yards from the barn, was saved after strenuous work by the neighbors, who responded to the alarm. Mr. Davis had no insurance on any of the property destroyed. On account of the wet ground from the rain the night before, there was no game yesterday at the park, as had been arranged between Racford and Atlantic Christian colleges. Mr. J. Archie Clark, one of Wilson's most genial and prominent
