THE TIMES' DAILY FINANCIAL STORY

New York, May 12—High records were numerous in Wall street this morning. Among the stocks distinguishing themselves were Reading at 157 1/4, Delaware & Hudson at 193, Brooklyn Transit 89 1/4, Consolidated Gas at 140 3/4, Missouri Pacific 176, Rock Island at 31 3/8, American Car 13 1/4 and the preferred at 82 1/2. Even Erie made a high record, selling up to 35 on very heavy transactions. All these records were made in the first half hour of trading and most of them held in spite of profit-taking. In several cases improvements were made. Steel common sold up to 58 and Union Pacific resumed 189. Both held steady around these figures.

The greatest activity was apparent in stocks that have been relatively dormant of late and of this list Erie, Missouri Pacific and Consolidated Gas were conspicuous. The old story of an increased dividend on Reading was made to do service again and the specific report published in this column last week of a six per cent dividend was revived.

London was cheerful in all departments and sent over somewhat higher prices for American stocks. On the cotton exchange there was also considerable excitement. Every option on the list opening at least 10 points higher and some gained as much as 15 points. In Chicago the wheat market was strong with fractional gains. On the curb market the Nevada Consolidated, Kerr Lake, Ray Central, Inspiration, and Lattose were the leaders, all selling at high record prices with very active trading on the entire list.

New York Cotton Letter. (By W. B. HUBBARD & CO.) New York, May 12—The cotton market continued its upward tendency from the opening today, advancing 16 to 21 points over last night's closing under lead of October. During forenoon May advanced to 10.92; July, 10.72; August, 10.69; October, 10.71; December, 10.72; January, 10.69, establishing new high records for the season. At the opening there were large buying orders from Wall street, local and western operators which advanced prices sharply. There was considerable realizing, however, during the advance, but offerings were so well absorbed that the market held most of the advance up to close.

Weather in Texas still continues unfavorable, only rain reported in Texas overnight was .06 of an inch at Corpus Christi. Weather over rest of the belt being clear and fine with maximum temperatures of 72 to 88 and minimum 46 to 70. The forecast for the next 36 hours for eastern Texas is partly cloudy with showers in southwest portion and fair and cooler for western Texas. Liverpool, which was due to come 4 1/2 to 11 higher to have met out advance of yesterday opened 9 1/2 to 12 points higher and closed steady at net advance of 18 to 19 1/2.

Spot cotton there was in much better demand and advanced 14 points to a basis of 5.72 for middling. The present bull movement is predicated on poor start of the crop in Texas and the uncertainty of the new crop in the Mississippi valley. These features on next year's crop rather than the old one, supplies or trade conditions is the speculation. The present activity, however, is fully discounting the anticipated effects of the governments coming report.

New York Money Market. New York, May 12—Money on call, 1 1/2 @ 2; time loans, firm; 60 days, 2 1/2; 90 days, 2 3/4; six months, 3 1/4. Prime mercantile paper in good request but supply poor at 3 to 4 per cent for best names. Naval Stores. Savannah, Ga., May 12—Turpentine—Firm, 37; sales, 235; receipts, 988. Rosin—Firm; sales, 1,940; receipts, 2,557. Quote: WW, 5.25; WG, 5.15; N, 4.90 @ 5.00; M, 4.80; K, 4.75; L, 3.90; H, 3.90; G, 3.75; F, 3.60 @ 3.70; E, 3.60; D, 3.35; C, B, A, 2.90 @ 2.95.

A MULTITUDE OF ASPIRANTS.

Would-be Supreme Court Justices Are Plentiful. Since the appointment of Judge Connor to the federal bench became a certainty rumors as to would-be successors of the able jurist on the supreme court bench of North Carolina have flown thick and fast. The friends of Judge W. R. Allen, of Goldsboro, and Mr. J. S. Manning, of Durham, have been especially active. Since they were announced the following have entered the field: Judge C. C. Lyon, Judge G. W. Ward, Maj. Hon. A. L. Brooks, Judge O. H. Guion and Judge J. Crawford Biggs.

All of these men are probably not actively in the race. They are "favorably mentioned" and will be there when the roll is called—pushed into the ght by enthusiastic friends. Governor Kitchin is up against a proposition harder to handle than the one which faced Mr. Taft. All of the men named are of "supreme court calibre" and it will be hard to make a choice.

IN THE INSURANCE WORLD.

Matters of Interest in the Office of the State Insurance Commissioner. The insurance commissioner today admitted to do business in this state the Supreme Tribe of Ben Hur, a fraternal order. Application for admission was made by the Traveller's Indemnity Co., of Hartford.

The commissioner is today mailing out copies of the fire-escape law to every city in the state. The new law which was framed by the brilliant young senator from Rowan, Hon. Whitehead Klutz, and by him fought through the general assembly, is applicable to all hotels, lodging-houses, school dormitories, hospitals and sanitariums hereafter constructed, and will prove a great protection to human life.

He is also sending to all the fire companies licensed in this state copies of the law requiring them to make deposits with the commissioner for the protection of their contracts.

Mr. W. A. Scott, deputy commissioner, is in Wilson this week appearing against Jack Routree, an alleged fire-bug.

COL. LUDLOW REAPPOINTED.

Succeeds Himself on the State Board of Health. The governor today reappointed Col. J. L. Ludlow, of Winston-Salem, a member of the State Board of Health. Col. Ludlow has served on this board for many years and is a valuable man in the position. The law requires that one member of the board be a sanitary engineer and Mr. Ludlow is recognized as one of the best in the United States.

COLORADO ORPHANAGE BURNED.

Home at Oxford for Colored Children Totally Destroyed. (Special to The Times) Oxford, N. C., May 12—In the early part of last night the Oxford colored orphanage was totally consumed by fire. It being located some distance out of the corporation limits it was impossible for the fire department to be of any avail. It was an institution for the protection of the colored orphan children. The total valuation was placed at two thousand dollars with only a small amount of insurance thereon.

Death of An Infant.

The little infant son of Mr. and Mrs. Alonzo L. Bailey passed away at their home on Bloodworth street this morning at 3 o'clock. He was not quite five months old. The funeral services will be held at the residence this afternoon at 4:30 o'clock, conducted by Rev. L. B. Jones, pastor of Central Methodist church. The interment will be in Oakwood cemetery.

A telegram to Col. F. A. Olds this afternoon says the house of his son, Mr. Fred C. Olds, at Dallas, Tex., was burned last night. No details have yet been received. Mr. Olds was in Dallas, his family being at Asheville.

Get Season Tickets.

Only the last days of this week remain in which season tickets for the festival can be purchased for the price of \$3.50. The sale has been better than last year but it must improve considerably else the festival cannot be a financial success on account of the greater expense incurred this year for the Pittsburg Festival Orchestra.

Raleigh ought to get behind the Choral Society in this laudable enterprise and see that every seat in the Academy is sold as a season ticket. Other towns in the south support festivals handsomely and Raleigh as the capital of the state cannot afford to do otherwise.

Get your season tickets tomorrow without fail of Mrs. E. C. Duncan at Woman's Club building from 11 to 1 o'clock or at Tucker Building Pharmacy any hour in the day and thus do your part in making the annual festival a success.

THE PERFECT MAN.

There is a man who never drinks, Nor smokes, nor chews, nor swears, Who never gambles, never flirts, And shuns all sinful snares— He's paralyzed! There is a man who never does A thing that is not right, His wife can tell just where he is At morning, noon and night— He's dead! —Exchange.
