BIG BARBECUE AT SOLDIERS' HOME

Mayor J. Stan Wynne today gave a barbecue to the old soldiers at the ness away. . Soldiers' Home and the board of aldermen and city officials were invitlambs and chickens, all perfectly can Bill Wynne prepared the barbecue in these two "artists" cannot be excelled.

The barbecue was served in the big dining room of the home and it was interesting to watch "the boys," as Colonel Olds calls them, fall on that dinner. They attacked the hugo plates of lamb and pork with as much vigor and appetite as boys of twenty. Every one of them enjoyed the occaon and did not hesitate to say so.

In addition to the barbecue Mrs. Brooks had provided dishes of snaps. pickled beets, onions, corn-bread and gailous of milk. Col. Fred A. Olds acted as master of ceremonies and carried things through with much merriment. Mayor Wynne was overwhelmed with the thanks and kind expressions of the old soldiers and seemed to enjoy the occasion in watching their happy faces more than the old soldiers enjoyed it. It was a great occasion and one "the boys" will never forget.

> We want to show you in this short, but honest and reasonable talk how and why S. S. S. cures Old Sores. We do not claim that S. S. S. works wonders, but we do know it will cure sores and ulcers, and its record of forty years past abundantly justifies this confidence.

> Any old sore shows an unhealthy and impure condition of the plood. It is a diseased condition of the flesh at that particular spot, caused and kept inflamed and irritated by a continual discharge into it of unhealthy matter from the circulation. In various ways the blood

becomes contaminated and polluted. A long spell of fever, or other sickness, breeds waste and refuse matters of the body, the excessive use of sooner or later manifest their presence by a sore or ulcer which refuses to heal under the ordinary treatment of lo-

External treatment can never cure a chronic sore or ulcer, because it does not reach the open as long as it is used as a drainage for the impurity which is in the blood, and in addition to the worry and anxiety caused by an old sore, there is always danger of its becoming cancerous, if a cure is not effected. Purify the blood, and nourish the flesh

BAD SORE FROM AN GLD WOUND.

I want to recommend S. S. S. to any who are in need of a blood purifier, and especially as a remedy for sores and obstimate ulcers. In 1877 I had my leg badly cut on the sharp edge of a barrel and having on a blue woolen stocking, the place was badly poisoned from the dye. A great sore formed and for years no one knows what I suffered with the place. I tried, it seemed to me, everything I had ever heard of but I got norelief and I thought I would have to go through life with an angry, discharging sore on my leg. At last began the use of S. S. S., and it was but a short time until I saw that the place was improving. I continued it until it removed all the poison from my blood and made a complete and permanent cure of the sore.

A CANCEROUS ULCER.

A CANCEROUS ULCER.

I had a large sore or vicer on my face and nothing I fined would benefit me. It began with shooting pains and soon the itching was terrible. At his it discharged a watery fixed which soon changed to one of thicker composition fand the pain became very severe. It was nearly as large as a dollar and terribly inflamed in all the surrounding parts. It had been there so long and growing worse all the time, I became very much discouraged and alarmed. At last I began the use of S. S. S. At first the ulcer seemed to get worse, but I soon found that the poison was being removed from the blood and I continued to take S. S. S. It was not long before I noted a decided improvement and I kept up the use of the medicine until I was entirely cored of this cancerous ulcer. This has been some time ago and there is no sign of a return of the trouble.

own accord. S. S. S. cures old sores by removing the causes which produce them. It goes down into the circulation, drives out all impurities and poisons, and by nourishing the flesh with rich, pure blood causes the place to heal naturally and permanently. S. S. S. does not make a surface cure, but, being the greatest of all blood purifiers, it begins at the bottom and by rebuilding broken down tissue, and supplying healthful, healing qualities to the circulation, causes the place to fill in with firm, healthy flesh, while it steadily but surely removes the cause and effects a permanent cure. The sore cannot remain when the blood is pure, and S. S. S. will thoroughly purify the blood. Book on Sores and Ulcers and any medical advice free to all who write.
