

# CZAR AND KAISER BOTH WANT PEACE

(By Cable to The Times)  
 Berlin, June 18.—The political results of the conference between the kaiser and czar are not yet known here and will not be until the return of Foreign Secretary Von Schoen. It is known from Reval dispatches, however, that the toasts exchanged between Emperor Nicholas and Emperor William at the banquet on board the Russian imperial yacht Standart last night were pleas for world-wide peace.

"I assure your majesty," said the Russian emperor, "that I cherish the sincere and unchanging wish ever to maintain the traditional relations of hearty friendship and mutual trust that always have united our two houses, and the cultivation of which I strongly desire, not merely as a pledge of the good relations of our two countries, but of the general peace."

In reply Emperor William said: "I am rejoiced to see, in this hearty reception, a new and valuable confirmation of our sincere personal friendship. I see in it also fresh confirmation of the traditional relationship of cordial friendship and confidence, which, corresponding to the manifold interests and thoroughly peaceful sentiments of our two countries, exists between our governments."

### HARVARD STOCK JUMPS.

Made Good Record Today Equalling Yale's 20:55 Time.

(By Leased Wire to The Times.)  
 New London, Conn., June 18.—Harvard's rowing stock took a sudden jump today as a result of her varsity eight equalling the time of 20:55 made by Yale's crew over the four mile course.

The conditions on the course on both occasions were practically the same. Yale had a lighter wind to help her boat along, but was favored with smooth water, Harvard's shell plowing through a choppy surf the first half of the trial.

The Yale's crews are not overworked in their practice. The varsity eight are taking things easy.

### AFRAID OF PRESS GALLERY.

Senator Heyburn, of Idaho, Wants to Abolish Press Gallery in Senate.  
 (By Leased Wire to The Times.)  
 Washington, June 18.—Senator Heyburn, of Idaho, wants to abolish the press gallery. In the eyes of the senator it is an evil institution, given to treating the statesmen lightly and refuse to take him seriously. The westerner regards it as a blow at our liberties, and he would root it out and cast it into utter darkness, where he thinks it belongs. In his speech on zinc he paid his respects to the press in no uncertain terms.

### TORTURED DOMESTIC.

Millionaire's Wife Pays Fine to Escape Jail Sentence.  
 (By Leased Wire to The Times.)

### DR. CLEMINSON HELD.

### LIFE OF A PIMPLE

Complexions Are Cleared and Pimples Disappear Overnight Without Trouble.

The dispensers of poslam, a new skin discovery, ask that notice be given that no one is urged to purchase it without first obtaining an experimental package. Everyone who has tried it knows that the fifty-cent box, on sale at The King-Crowell Drug Co., and all drug stores, is sufficient to cure the worst cases of eczema, where the surface affected is not too large. The itching ceases on first application. It will also cure acne, tetter, blotches, scaly scalp, hives, barber's and every other form of itch, including itching feet. Being flesh-colored and containing no grease, the presence of poslam on exposed surfaces, such as the face and hands, is not perceptible. Water and soap cannot be used in connection with it, as these irritate and prolong skin troubles, sometimes even causing them.

As to the experimental package of poslam, it can be had free of charge by mail of the Emergency Laboratories, 32 West Twenty-fifth Street, New York. It alone is sufficient to clear the complexion overnight, and to rid the face of pimples in twenty-four hours.

Mr. Norman H. Johnson, general counsel of the association, resigned to accept a similar position with the National Retail Merchants' Association.

### IN THE POLICE COURT.

Judge Stronach Deals With a Bad Negro—Fined Him \$35.00 and Costs.

There was only one offender in the police court today. His name was Charley Butler. Butler is a young negro, apparently about 20 years old and has but recently acquired a young wife. There were two cases against him. In one he was charged with an assault on a negro named Olive, in which he broke a heavy plate over Olive's head. For this he was fined \$10 and costs. In the second case he was charged with shooting at Will Suiter, also colored. Suiter and others had been teasing Charlie and Charlie lost his temper, firing three shots at Will, one of which struck his cap. In this case Judge Stronach fined him \$25 and costs. The costs in the cases were \$3.40 and \$3.00, making a total of \$41.40.

# MUCH INTEREST IN THE INDIANA TROPHY EVENT

Sixteen Cars Enter Race and Go Speeding Over the Course

## BIG CROWD PRESENT

All Night and This Morning the Crowds Pour Into Crown Point and 100,000 Visitors Are Witnessing the Race—Looks Like a Vanderbilt Cup Crowd—Soldiers and Deputy Sheriffs Keep the Crowd in Order—Progress of the Race by Course, Strong of the Buick Car and Wright of the Stoddard Dayton Losing Out.

(By Leased Wire to The Times.)

Crown Point, Ind., June 18.—The Chalmers-Detroit car No. 19 was leading in record time at the end of the sixth lap of the thrilling auto race today with the only four more laps to go. The six laps were made in 2:38:45, the last being completed in 26:26.

Monson in the Marion car No. 6 followed close behind, making the sixth lap in 27:36.

The third car, Locomobile No. 10, made the six laps in 2:48:21. Robertson and Florida had been holding to a steady gait around 29 minutes, and it was believed the race for the trophy would be fought out by these two drivers pitted against Monson, in his "ghost dancer" Marion, and Matson in his Chalmers-Detroit.

The highest average speed per hour made by the racers was accomplished by Wiseman, driving low over his steering wheel to tune of 58.78 miles. In the fourth lap Wiseman broke the lap time record, covering the distance since the first lap made by Burman at the rate of 23:41, with the record of 23:56. The crowd screamed itself hoarse when his fourth lap time was announced.

Matson, with the Chalmers-Detroit No. 19, made the seventh lap in 27:05 and was still leading. He looked like a winner, but it was impossible to tell what Monson would do with the Marion, as he was second and only seven minutes behind. Right behind him was Robertson and close to him was Florida with the second Locomobile. The finish seemed certain to be between those four.

Indiana men were offering to get their clothes that Monson would land the "ghost dancer" Marion first. Monson is inexperienced by comparison with either Robertson or Florida and old track men were convinced the race would go to one of the two latter.

Matson, the present leader, was capable of faster time than had yet been made and was expected to fight hard to retain his position.

Wells, with the Moon car, crept up to fourth place in the seventh lap, displacing Robertson. The latter picked up with a terrific drive when he sighted the Matson car in the back stretch. In five miles he caught and passed Matson.

Charles Stutze, driving the Marion car No. 3, went into the ditch at the Crown Point turn, capsizing and throwing both men into a field. Stutze was slightly bruised. His mechanic was uninjured.

Joe Matson, one of the most daring automobile racers ever seen in America, driving Ca. No. 19, a Chalmers-Detroit, this afternoon won the Indiana trophy in a thrilling ride to the finish of the 236 mile course. Matson had led the entire latter part of the race and was never headed after he had once taken that lead.

George Robertson, in No. 10, a Locomobile, was given second place and A. Monsen, in No. 6, a Marion, third. Official time of the three winners: Chalmers-Detroit, 4:31:21; Locomobiles, 4:39:03; Marion, 4:42:03.
