

SOCIETY.

THE ADOPTED CHILD.

She came to me and looked into my face. And found there what she sought. It was false, I think. But felt her look. Out of the world she chose me to be her child. Because she wanted me—no other. She passed them by with pitying gaze, the other sleeping ones. But over me she bent so long that he—the man beside her—Pulled at her sleeve, all lovingly, and called her back. From the dim world where, face to face, In silence supreme, our spirits met. "This one," she said. So low he bent to hear. "This one to be our child. Beloved, this!" And then she hid her face from him and me. My own poor mother had laid down and died. For every joy for me, her son, and grief for one Who violently left life after my life began. Her lover was he and my father. I can claim that—I was the child of love—no lesser thing! And now again the child of love since she has chosen me. Whom life denied a child. Across the space between our souls She came to me, wise-eyed and empty-armed. And made my life her life and her life mine. Because she wanted me—no other!

DOES YOUR SCALP ITCH?

Are Your Hairs Dropping Out by One?

If your scalp itches you are doubtless suffering from dandruff. The dandruff germ is digging up your scalp in little flakes, called dandruff and suppling the life of the hair bulb. No hair preparation that is a mere hair stimulant and tonic will cure dandruff, because it won't kill the germ that causes the trouble. Newbro's Herpicide is the latest scientific discovery; and it will kill the dandruff germ. Destroy the cause, and you remove the effect; kill the germ and you will have no more dandruff, falling hair or baldness. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

TIGER CASE NOT HEARD

Cases Against Edwards Again Postponed

Only Two Cases Tried in Judge Stronach's Court Today—Peter Nipper Charged With Affray Found Guilty.—Edwards Case and Others Postponed.

In Judge Stronach's court this morning there were only two cases tried, the first of which was the case against Peter Nipper, charged with an affray with Walker Brown, colored, and with being drunk on the streets.

The first witness, Charles Jeffries, colored, swore that Nipper threatened to kill Brown and that Brown struck Nipper with a rock and then whipped him severely, until he, Jeffries, took Brown off of Nipper.

Nipper then came on the stand and testified that he went out to see Brown to collect some money that was due him, and that he had a fight and was hit by a rock thrown by Jeffries. During the giving of his testimony his conduct on the stand was such that Judge Stronach severely reprimanded him.

Walker Brown then took the stand and swore that Nipper threatened to kill him, and that he threw the rock that hit Nipper in an attempt to kill Nipper first.

Because of the straightforward testimony of the negroes and the testimony of several men as to their good character, Judge Stronach said "that there was not the least doubt

in his mind but that the negroes told the truth." So acting on this judgment Judge Stronach released the negroes and suspended judgment in the case of affray and fined Nipper \$5.00 and costs for being drunk on the streets. Judge Stronach then called Nipper before the bar and warned him that if ever he appeared in court again on a substantiated charge of being drunk on the streets that there would be no more fine but he would be sent to the roads.

The next case to receive the attention of the court was the case of Hubert T. Edwards on the charge of selling whiskey. One of his attorneys, Mr. Walter Watson, made a motion for the postponement of this case until tomorrow. At this time City Attorney Clark and Mr. Watson had some spirited words.

Judge Stronach continued the case until tomorrow morning at 11 o'clock.

The court then heard a motion for the continuation of the case against Mr. J. B. Bissett by Mr. J. A. Farmer, of Wilson, who will appear for Mr. J. B. Bissett, who is also charged with selling whiskey. The court heard this motion and continued this case until next Tuesday morning.

The case against W. P. Matthews was postponed until tomorrow morning.

The case against Lizzie Baldwin was continued until tomorrow afternoon at 6 o'clock.

The next case was against Lillie Jordan, charged with vagrancy. Officers Willis and Denning testified to the woman's reputation as being that of a lewd woman. She was sentenced to thirty days in the workhouse.
