SOCIETY.

NEAR TO EARTH.
I sought for Truth. I long had thought
She dwelt on high, from the world apart.
I found her, nearer than I sought.
In the live and trust of the human heart.
I listened for Truth. Her voice I deemed,
Was the voice of wisdom, deep and strong;
I heard her, sweeter than I had dreamed,
In the simple notes of a little song!
—Eugene C. Doison.—
