HIGH SCHOOL VS. DONALDSON.

An Interesting Football Game in Progress This Afternoon at A. & M. Grounds.

The football teams of the Raleigh High School and Donaldson Military School are battling this afternoon on the gridiron at the A. & M. Athletic Park. Both teams are in excellent condition and a good game is expected. The Raleigh boys have a great deal of confidence in their ability to win, particularly since the fine showing they made against the strong Bingham team last Thursday.

The football team of the Donaldson Military School, of Fayetteville, arrived in the city this morning over the Raleigh & Southport. The team was accompanied by Prof. McFall, principal of the school; Mayor Rike and Mr. Walter Crambeth. The squad consists of fourteen men, as follows: Rike, O., Broadfoot, McNeill, L., McFall, A., McDonald, Huske, Campbell, Stowe, McNeill, N., Dobbs, Hubbard, Tomlinson, Grady, and Bwing.

This is the first game of the Donaldson cadets this season, but they are in good training and expect to put up a good fight.

In speaking of his school, Prof. McFall said this morning: "We have opened this year under the most gratifying auspices and anticipate a most successful term. Our attendance is double that of last year and our facilities could hardly be improved upon. Fayetteville is an ideal location for a school, its people are giving us a most encouraging support, and we expect to give them the best preparatory school in the south."

ROYAL VENETIAN BAND.

Delight a Full House At Meredith College.

The auditorium of Meredith College was taxed to its utmost capacity last night when Victor and his royal Venetian band made their first appearance in the city.

This was the first of the series of the lecture and concert course to be given at the college. If all the others are of as high order as this, there is much to be looked forward to. The band is composed of twenty-six men, all high class musicians. The program was a varied one, the selections being especially pleasing and of a high class of music.

Some of the most enjoyable were the "William Tell Overture," the "Saxophone Quartet" by Signori Danese, Di Tomasco, Scoppa and Mele and especially the Grand Selection from "Il Trovatore."

In the absence of Miss Caroline Lewis, who was to have sung, the audience was glad to welcome again, Mr. Howard D. Bryant, of Richmond, baritone soloist, who sang in a concert at the college last December.

The band was liberal in their response to encores, playing many American hits. The concert came to a close with "American Fantasia," the "Star Spangled Banner" being played by the band standing with true American spirit.

Christian Church Revival.

The church had another good meeting last night. The attendance was good. There will be no services tonight. Two services tomorrow at 11 o'clock and at 7:45 o'clock in the evening. The meetings will continue for a few nights during the coming week. Members will be received tomorrow and at the close of the meeting. Song service every evening at 7:45 and preaching at 7 o'clock. The public is invited to attend and take an active part in all the services. The pastor requests that every member of the church make a special effort to be present at all services Sunday and through the week. The meeting is going to bring new life to the church and to the community. Let the prayers of Christians of every name be offered for the meetings. Strangers and unconverted people will find a welcome at all the services.
