PRICE 5 CENTS.

## SPECIAL VOTE PERIOD IN THE TIMES' EUROPEAN CONTEST.

Contestants Will Secure Double the Usual Number of Votes on all Subscriptions Turned in Until 6 p. m. Feb. 3.

#### DON'T FORGET DATE France had shown a light to all men Preached a gospel all men's good

, No Better Offer Will be Made at Any Time During the Great Contest Than This One.

In order to give each and every contestant a chance to secure the lead in the Times Great European Trip con- there was to be an equality of race test, begining Thursday, Jan. 27, we and along economic lines equality of will give just double the number of prices.
votes on all subscriptions for a period Disco

so each and every contestant should the night came on. for by doing so they will get just run up into the thousands. A member double the usual amount of votes, and of the legislature would have felt at these double votes may mean that you | home and all our little Cromwells wh will win this trip for yourself and com-panion to Europe. have been so busy with their little hammers the last few years hastening

Take time by the forelock and gather up every subscription while this special voting period holds good. Work hard now, and let the end take care of itself. Many people are wiling to help you, and are only waiting to be asked by their favorite contestant,

Inasmuch as no time during the contest will a subscription count more than in this special period, it behooves each and every contestant to see all of their friends, and secure possible subscription now. You get just double the usual number of votes by taking time by the forelock and getting subscriptions now.

ere are hundreds of people here in Raleigh who have never been approached by a contestant. The same can be said of each outside district. Get these non-subscribers, and exscription. They get the latest news by ashore and at other points on the the best paper at the earliest possible British coasts lie other wrecks. Efmoment, and you get the benefit of forts to re-establish the France-Eng-the subscription. You help them to land mail and passenger service early keep abreast of the times, and they help you to win a trip to Europe.

#### Paris.

While London is yet to be explained in detail to all who are interested in warships had to take shelter. our great contest which is so attrac tive that it is now receiving the atstate, we are crossing the channel today for some glimpses of Paris and

The English channel is not altogether ideal. If the crossing is made by the day boats there is a struggle against Mal der Mer and philosophies which promise so much in these times when put to the test are found to be

If the night crosing be made, we can hardly apply to the experience the words of Longfellow: "The night shall be filled with music

And the cares that infest the day Shall fold their tents like the Arabs And silently steal away." But the channel separates the con-

tinent from old England. And as we sometimes in looking back over the there are some experiences along the frequent and satisfactory tests in resulted yesterday afternoon in a was selected be would try with all his way we could not have afforded to have lost, so we can not afford to lose this, and after all in the sumer time it is very often as smooth as the river, only sometimes it isn't.

And over the channel lies Paris, It located geographically for natural ley has offered a cash prize of fifty growth into a great city, it has never- dollars in gold for the largest yield of C. Buxton, Gen. Carl A. Woodruff. the less become one of the great cities of the modern world. It is most fasc inating to trace its evolution from off times when legend was busy with its history, down through the days when the stockaded island on which it is situated was conquered by those world conquerors, the Romans, to

passes the city by.

Legends tell of many things done by St. Denis, the patron saint of the city, and St. Genevieve, who secured for the people the favor of heaven to that Attila, the Hun, between striking snirtwaist makers way, said Mr. Camp, to get into this at high prices in the senate this morn-of this court be entered quasting the movement, and that is to give time at high prices in the senate this morn-of this court be entered quasting the movement, and that is to give time ing, offering a resolution directing the indictment herein, because the indict. devastating and desolating marches for half an hour today at Broadway and money. ## SCARE IN THE **MARKET WAS NOT GENUINE**

Thoughtful Men Regard The Market Scare of Yesterday As Made to Order

### NO REASON FOR IT

sentiment of the National Board of Trade One of Astonishment at the Flurry in Wall Street and is Not Impressed With the Necessity for it-John Temple Graves Says the President is Not a Man of Impulse or Passion, That He Made Certain Definite Promises in the Campaign and is Endeavoring to Carry These Promises Out.

(By JOHN TEMPLE GRAVES.)

Washington, D. C., Jan. 26-The houghtful men who reside at the national capital and those who are visiting or convening here express regret, and ,to speak frankly, no little indignation that business men on the New York exchange should permit themselves to be stampeded by the honest effort of a thoroughly calm and conservative president to put an end to law-breaking and criminal conduct in the trust corpora-

The National Board of Trade, which is a naturally representative business organization, is in session at this time in the Willard Hotel. The average sentiment of this body is one of astonishment at the flurry which Wall street created on such short or-CONFERENCE CLOSES der gesterday. It is also kind of asintended to be seriously impressed with the necessity or the reality of this Wall street scare.

One of the soundest of these national men said to me:
