GOOD ROADS.

Those people who are opposed to good roads, and there are lots of them, strange as it may seem, should paste the following in their hat and read it at every opportunity:

"A farm having 100 acres in cultivation requires at least two teams to tion is given out that 2,596 prescripcultivate this size farm. The response to the announcement of our sale of Housekeeping Furnishings has been so generous that we have decided to continue for one more week the attractive prices that have made this sale so popular. No housekeeper within a radius of one hundred miles of Raleigh can afford to miss this great opportunity of buying these useful and necessary housefurnishing Dry Goods at the exceedingly low prices we are offering. In fact the prices in many instances are lower than the old prices were before there were any advances in values. We are able to do this because we placed our orders for these goods away back before the season began, and we are giving our customers the benefit of our good business judgment and foresight.

Now is the time-this week-to buy most advantageously Carpets, Rugs, small and carpet sizes, Mattings, Linoleums, Oil Cloths, Lace Curtains, Curtain Swisses, Curtain Madras, plain and figured Curtain Serims, Snowflake Curtain Material, Portierres, Couch Covers, Table Covers, Sheets and Pillow Cases, Counterpanes, Table Linens, Table Cloths, Napkins, Towels, Crashes, etc., etc
