Wilmington Baseball Team. (Special to The Times.)

Wilmington, N. C., March 19—Baseball fever here has been aroused over the announcement by Mr. J. Ed. Smith, owner of the Wilmington baseball franchise in the Eastern Carolina League, that he has arranged a number of games which will be had as preliminary events to the regular scheduled games during the approaching season.

The Christian College team of Wilson comes here for games on May 13th and 14th. The Mechanics, a semi-professional aggregation from Columbia, S. C., have accepted dates for May 19th, 20th and 21st, the games to be played here.

The owner of the local franchise has received contracts from twelve crack players. These, as well as other players yet to be signed, will report for training on May 8th.

Player-manager Bert Kite, a heavy catcher; "Rube" Howard, pitcher; Riley, outfielder; Guerrant, a crack third baseman, and Hyames, shortstop, all of last year's squad, will furnish a nucleus for the team this season.

Carolina, 4; Oak Ridge, 3. (Special to The Times.)

Chapel Hill, N. C., March 19—Yesterday afternoon the University of North Carolina defeated the strong team from Oak Ridge by the score of 4 to 3.

The Oak Ridge team has such well known players as Earle Holt, Mayberry, Beason, Clap and others. Griffin and Stewart were the opposing pitchers.

In the tenth Oak Ridge started out with a rush. Clap lined out for three bases. Moore walks and swipes second. Mayberry out, pitcher to first, and Earle Holt is up. He is equal to the occasion and laces out one for two bases, scoring Clap and Moore.

The schedule as adopted gives Wilmington the last three days of each week at home. The local team opens the season at Wilson.

WAKE FOREST DEFEATED. Second Time in Two Years Trinity Park Has Handed Them a Lemon. (Special to The Times.)

Durham, N. C., March 19—The Trinity Park High School yesterday defeated the Wake Forest College team by the safe score of 7 to 2.

This was the game that was called off earlier in the week and again put on the schedule. At that time there was sent out from the college to the state papers that the suggestion as the park school beat Wake Forest two years ago and played them a 2 to 1 fourteen inning game last year, Wake Forest winning, there might be a reason. Wake Forest was game and agreed to play.

The story of yesterday's second defeat in two years at the hands of the high school team here can be explained in three words: "Too much Fitzgerald." The kid struck out sixteen men, had everything on the ball, while the hitting of Whitted, Dorsett and Lowe was the kind that would pull victory from almost any perch.

Will Play Today. Bud Lane Goes Up Against Alma Mater This Afternoon. (Special to The Times.)

Durham, N. C., March 19—The Christian College team of Wilson will play the second game of the 1910 Trinity series this afternoon at the college grounds, the game being called at 6 o'clock.

"Bud" Lane, premier pitcher of the 1908 team, will be with the collegians of Wilson. While it is not known whether he will pitch or not, there is a hope down town that he will. Lane has not been seen at work here since the season of two years ago, though a few Durham people watched him euvre Raleigh out of the race last year by pitching eleven

Night Coughs of Children

Rains, winds, wet feet, caught in the storm; sore throat, hard colds, night coughs; all seem to be the common lot of school children. Just a single dose of Ayer's Cherry Pectoral at bedtime will often quiet a fresh cough for the whole night. A few more doses, and the cold disappears. Ask your own doctor his opinion of this cough medicine for children. He knows. Use it or not, as he says.

Dull boys! Dull girls! Dull men! Dull women! Heavy-headed! Downhearted! All very often due to constipation. Yet the cure is so easy—Ayer's Pills. Ask your doctor.

Innings against the Red Birds with the ghost of a hit.

The game this afternoon is with a team practically unknown here and its strength cannot therefore be guessed. It is more than probable that Coach Adkins will pitch Sam Gantt and Godfrey as Bob Gantt's arm is far from being in shape. Though injured several days ago, Catcher Claude Flowers is able to play and it needed will be behind the bat.

Next week there will be three of the big games, two with Lafayette and the first of the Amherst series. And from now on the season will be a rapid succession of games, in which some of the best teams of the country will play the locals.

Rocky Mount has received contracts from nineteen players and is now after more pitchers. The Rail-roads are preparing to give somebody trouble.

We don't like to display our ignorance, but we want to know who Griffin and Stewart were the opposing pitchers.

Wadesboro, March 19—Much mystery surrounds the shooting of Warren Johnson and William Barnhill at Bennett's Station on the Atlantic Coast Line south of Wadesboro last Sunday night, and up to this time the officers have been unable to locate the party wanted. Rumors are in circulation that the "wanted man" is a citizen of Wadesboro. The shooting occurred Sunday night shortly after midnight.

Warren Johnson, bookkeeper and chief clerk at Sandstrom & Stratton's railroad camp at Bennett's Station, on the Coast Line, and Wm. Barnhill, shovel man at the same place, were fired upon with a shot gun by some person concealed nearby, as they were walking on the railroad near the camp. Mr. Johnson was shot in both legs and Mr. Barnhill in the legs and hip. They carried a lantern, which was shattered by the shot.

Messrs. Johnson and Barnhill walked from the point where they were shot to the camp, where they procured an automobile and went to Morven and had their wounds dressed by Dr. Thompson. Both are painfully, but not seriously, hurt.

fin, Oak Ridge's pitcher, is? That was classy ball he twirled at Chapel Hill yesterday.

In the Philadelphia-Trinity game Thursday, Moren fanned 7, Foxen 9, and Gantt 4. Moren is the youngster whose dad gives him one hundred plunks every game he wins.

It has been announced that the S. I. A. A. officials have refused to allow "Big" Bob Gantt to pitch for Trinity this season. This will be heard with regret by the supporters of the Durhamites, for that boy has the goods.

Phillies Here Wednesday. There will be a great game of ball here next Wednesday afternoon, when the Philadelphia Nationals will cross bats with A. & M. The Phillies have been training at Southern Pines for several weeks and will finish the training and break camp next Tuesday, by which time they will be in shape to do their best. It is seldom that Raleigh people get a chance to see the "big boys" in action, especially after "completing training."

The team that will line up here next Wednesday will be the same that will fight for the National League pennant this year. The pitching will probably be done by Moren or Foxen, and either Jacklitisch or Doolin will do the receiving act.

The A. & M. team is one of the strongest college teams in the south and with Sexton in the box it proposes to make the leaguers play all through the game. A. & M. scored on Philadelphia last season and hope to do this act several times next Wednesday.

It will be a great game.

METROPOLITAN

Beginning Monday the Metropolitan Theatre has booked a great feature attraction, coming direct from New York and playing only two towns in this state, Raleigh and Durham. This act is in the nature of a great mind reader, Prof. Neuman.

The Boston American of August 29th last carries a large two column cut of Prof. Neuman with a two column write up of his wonderful feats in that city.

A committee of three prominent men of this city was selected to conceal some articles and Prof. Neuman, accompanied by this committee, drove over the streets of Boston and found the hidden articles.

An interview given by Prof. Neuman to a Boston American reporter says in part:

"I will do it—of that I have not the slightest doubt," he said to a Boston American reporter. "I am glad that a committee has been selected which will have the full confidence of the public. I want to show that I can do this—that there is no trick about it—that it is solely a matter of reading the human mind."

"Of course I do not even know what has been hidden. I have placed no restrictions on it. I have said that it might be any object on earth, of any size, from a bean to an elephant. It might be concealed with fifty other articles. That would make no difference."

"I have not placed any restrictions on the place where it might be hidden—except that it must not have been placed in a safe or about the clothing of any person—which the committee, I understand, considers perfectly fair conditions and not calculated to impair the value of the test."

Prof. Neuman will arrive in Raleigh some time tomorrow and a committee of three will be selected Monday and this same test given here. The start will be made from the Tucker Building Pharmacy at 12 o'clock Monday. Adv. 11.

REVELRY

"The Modern Messenger Boy"—Comedy.—Here is another full reel Essanay comedy in which are developed some of the funniest situations ever shown in motion pictures. The title of the film alone suggests possibilities for an intensely funny film and we can assure you that we have not overlooked anything of interest. The film is "one of a thousand laughs".

"In the Sultan's Power"—A picture that will interest the world. Jack Thornton, an American traveler, while touring Europe meets the daughter of an old nobleman and falls in love with her. He is persistent in his suit for her hand, but outside of a seemingly cordial friendship the lady apparently does not return his affections. There is a reason for this. Come out to the Revelry and see what this reason is and enjoy a good, clean performance. We have not other good picture besides the above named, and besides, Levin's orchestra plays tonight. Our program for tonight is a good one and you cannot afford to miss it and we hope to see your smiling face again tonight. 11
