New York Stock Market.

(By Leased Wire to The Times.)

New ork, May 12-Pennsylvania was unusually prominent at the opening and was the strongest reature. It opened up one point and although transactions after the start were made at ions the price above yesterday's close. After the fractional recessions the price lifted slightly above the opening. The rest of the list generally started with moderate fractional declines but before the end of 15 minutes trading a strong tone developed prices-moving above yesterday's close,
