## BIRDS LOSE THIRD GAME OF SERIES TO THE CREW

Simmons, Hobbs and Keating Each Get Two Hits—Jobson Wild in Places, Which Loses the Game—Consistent Ball Played by Birds—Stein Makes Wonderful Catch in Left Field.

(Special to The Times.)

Rocky Mount, June 11—Thorp yielded ten hits today, yet won his game through spectacular fielding of men behind him. Jobson was wild and gave a run in the eighth when a hit, an error and two walked men scored one. A batting rally in the ninth by the Birds came very near tying up the score, two runs being made. The Birds played hard, consistent ball throughout the entire game. Stein was the bright star for the Crew. Once with men on bases Simmons hit a terrific liner toward deep left but quick as a fish Stein was after it and leaping into the air he pulled it in and saving the game, again with Phoenix on second and Hobbs on third, he ran up behind shortstop and trapped a "Texas" leaguer and threw out Hobbs at the plate. Simmons, Hobbs and Keating, for the Birds, each secured two hits, and but for the wonderful catch of Stein, Simmons would have had an extra base hit to his credit.

eral days ago in Wilson, and held the Giants completely at his mercy, four scattered hits in all that could be gotten from his delivery. Donovan hit for three bases and scored on Bunting's bunt in the fourth and it was enough to win. A sensational catch was made in the ninth by Evans of a hit that looked good for extra bases.

### Franklinton Defeats Youngville.

Franklinton, June 11—Franklinton last afternoon won from Youngville (the strongest team of all home players in the state) by the score of 5 to 4. It was simply "just a little too much Cates" and too many free passes by Winston E. (Youngville's trivler) in the first and second inning. Underwood pitched fine ball after the second inning for Youngville striking out 7, allowing 2 hits and giving 2 bases, while Cates for Franklinton struck out 2 men allowed 4 hits and gave 2 bases. This is the second time under the present management Franklinton has defeated Youngville this season.

Leon Ames, one of the Giant's skilful twirlers, who, on June 8th, won his third straight game. Ames, who had not pitched since Decoration Day, when he won a sixteen inning argument in Philadelphia, is in great form now and Manager McGraw expects to use him in the series with the Chicago Cubs.

### Wilson.

Wilson, June 11—Wilson again triumphed over Fayetteville by scoring two runs in the first and one in the third. Wilson put up a poor exhibition of the national game by making six errors. long hit would have cooked Thorpe's dough, but it was not forthcoming.

Keating seems to come to his own. His playing at Rocky Mount was glib edge.

We were glad to see Luyster back in the game Saturday, when he won his game against the Giants.

Who would have thought last Monday that within one week the Sailors would have been running so?

Two out of three from Fayetteville. The fans do not want all three Kellys. But they do want two of them.

Three games with the Highlanders, then we go up against those "Giants." Why not take two from Fayetteville and then make the Giants look more like "near-giants."

In all probability the mighty Kull will be seen in action during this series. He is one of the best Fayetteville has. Let's win from him. We want to beat the "big boys."

Simmons is the hard luck hitter. After getting two hits, he drove a terrific liner to deep left with two men on bases, but that Stein, like a lightning spark, ran for a country mile, jumped into the air and pinned Stein. It would have broken up the playhouse for the Crew, for it was labelled, for a homer.

Simmons is the hard luck hitter. On his attempt to empty the bases Saturday he drove a terrific liner to left, but Stein made a wonderful catch of it, saving the game.

Hard luck to lose such a game as we did Saturday. That batting rally came very near winning the game. One
