PRESIDENT FEW'S WORK

Begins Work as President of Trinity College

B. Y. P. U. Meeting—Whiskey Case Continued—Miss Lila Green Entertains—J. C. B. Eringhaus Addresses Elks—B. S. Royster at Work in His Congressional Campaign—Wake Politics Attracts Attention in Durham.

(Special to The Times.)

Durham, N. C., June 22—A large crowd heard Mr. T. J. Watts lecture last night in the Second Baptist church to the Young People's Union, which is in session here. Mr. Watts is corresponding secretary for the southern division of the organization and attends the meetings of the union. His lecture was along helpful lines and dealt mainly with plans of organization and details of the work to be done. Mr. Arthur Flake, a well known Sunday school worker, followed Mr. Watts and although he made a short talk, it was to the point and he was given close attention by the young people and older members of audience.

Mr. W. E. Crutchfield, chairman of the reception committee, met the delegates at the station yesterday and helped them to get located. A large number is present from many parts of the state.

It is learned here that Mrs. I. N. Carr, who was operated on in Richmond last Saturday, is seriously ill and her son, Dr. George A. Carr, has gone to be at her bedside. Although her condition is serious the doctors express the hope that she will live and relatives and friends here have not given up hope yet.

The case against Mrs. Mollie Carrington, charged with selling whiskey, was not disposed of this morning, Judge Sykes being out of the city. She will be sentenced as soon as he returns. Although every effort is being made to apprehend Mr. Carrington, who cleared out between sessions of the court, no trace of him has yet been found. Attorney R. O. Everett is acting as recorder in the absence of Judge Sykes. There have been no cases of importance for the past week except the Carrington cases and the police force are having the time of their lives.

President Few, of Trinity College, has arrived from the home of his parents in South Carolina and will take up his duties as president. He came back by way of Asheville, where he attended the North Carolina Teachers' Assembly. While in his native state he made a number of addresses at different points and also addressed the Teachers' Assembly. He will remain here all summer, getting things in shape for the opening in September. The office force at the college are busy now mailing out circulars and descriptive literature in anticipation of a record-breaking attendance next fall. The work on the buildings is progressing nicely and it is hoped to complete them before originally planned.

Little Miss Lella Green entertained on Chapel Hill street. The occasion was her tenth birthday. Fine weather and a beautiful lawn made the affair delightful in every way and the children played games until they were tired. Cakes and 'ices were served just before time for departure. Attending the conference of clergy and laymen at St. Mary's in Raleigh this week are the following from Durham: Prof. L. L. Hargrove, Rev. Thomas L. Trott, Rev. S. S. Bost, and Mr. J. H. Robinson, of the Durham Sun. It is probable that several others will go down before the conference ends.

The address by Mr. J. C. B. Eringhaus to the Elks was very much enjoyed by that order. Mr. Eringhaus bears the title of Deputy Grand Exalted Ruler. About one hundred heard him and after the address a social meeting was enjoyed. The Elks are strong here and furnish the club life of the town in the absence of a local club. Their temple is one of the finest in the state, having a good location and being exceptionally well equipped for a small town. General B. S. Royster, who has been visiting here and looking around in the interest of his candidacy for

Shall The West Be Ignored?

NO. 1

NO. 2

To the Editor:

Above are two outline maps of the State of North Carolina. The circles within the maps show the location of Corporation Commissioners, present and prospective. Map No. 1 shows the distribution of the Commissioners in case Judge A. W. Graham should be elected. Map No. 2. shows how each section of the State will be represented if W. T. Lee is chosen. Can any fair minded man have any doubt as to which plan is the more equitable, just or Democratic? If Judge Graham should be nominated the entire Western part of the State will be left without representation on the Corporation Commission. Will the Democratic party permit such a wrong to a great section of the State?

Respectfully,

Sonoma, N. C., June 18th, 1910.

M. D. KINSLAND.

S. S. S. A REAL TONIC & BLOOD PURIFIER

Any system that needs a tonic needs also a blood purifier, for it is the weakened and impure condition of the circulation that is responsible for the run-down state of health. We have only to recognize the importance of pure, rich blood in preserving health, to realize the danger of a weakened or impure circulation. Deficient blood nutriment weakens the system, and it can not resist disease like a strong robust constitution. First the body has a worn-out feeling, the appetite is sickle, energy begins to flag, the digestion is bad, etc. If the condition is not corrected at this stage more serious results are sure to follow, and sometimes a long debilitating spell of sickness is the result. S. S. S. is Nature's tonic, made of roots, herbs and barks. It is not a nerve stimulant, but a medicine that steadily builds up every portion of the system by cleansing and enriching the blood, and in this way supplying an increased amount of nourishment and restorative powers to every portion of the body. S. S. S. quiets the overstrained nerves, improves the appetite, tones up the stomach and digestion, and thoroughly enriches and purifies the blood. S. S. S. is a real tonic because it is a real blood purifier. S. S. S. contains no harmful mineral and persons of all ages can use it with the same beneficial results. Be sure to get S. S. S. for your tonic this year do not accept anything in place of it; there is nothing else "just as good" as S. S. S. You will find it all that is claimed for it.

SCOTLAND NECK NEWS.

Politics Warming up—Roanoke River Falling—Round Table Club Meets—Resolutions Passed Endorsing A. W. Dunn's Work as Superintendent of Schools.

(Special to The Times.)

Scotland Neck, N. C., June 22—Politics is beginning to warm up now. The county primaries are to be held Saturday and already several candidates have announced themselves and are asking "the good people" for their support. The county convention will be held in Halifax next week for the selection of delegates to the state, congressional and judicial conventions.

Roanoke river has begun to fall and the fear of a possible overflow is passed.

The Round Table Club has held its final meeting until September, at which time regular semi-monthly meetings will be resumed. A committee is arranging a program for next year's studies and will have everything in readiness to begin work at the appointed time.

At a meeting of the board of trustees of the Scotland Neck public school recently resolutions were passed endorsing Mr. Ashby W. Dunn's work as superintendent during the past year. Mr. Dunn has entered a law school to complete his law course and Prof. J. B. Aiken, of Littleton, has been elected to succeed him.

Death At Holly Springs.

(Special to The Times.)

Holly Springs, N. C., June 22—Junius D. Holleman died this morning at 4 o'clock, aged sixty years. Interment will take place tomorrow at Piney Grove at 1 o'clock. Funeral at later date.

He is survived by his wife and four sons: Joe, Aaron, Alma and DeWitt Holleman.
