JAMAICA.

From my gray, sombre skies chill mists are falling.
Your skies today are languorous, warm and blue;
And leagues away I feel your charm entrancing;
Oh! kind waves, drift me back to you.

In dreams I hear the palm tree's whispering quiver
And tropic flowers shed elusive musk;
The bamboos droop o'er Rio Cobra's river
And quickly falls the moist and scented dusk.

The croaking lizard's plaint, the nightingale's low singing,
The tree frogs piping with insistent din,
And you, beneath the oleanders stringing
That old sweet tune upon your mandolin.

Fast falls the night, Port Royal's lights are winking,
Warm waves the corals kiss in softened tune,
And thirsty flowers the scented dews are drinking,
The rat-bats flit across the golden moon.

Above Merant the Southern Cross is lifting,
Orion gleams in skies of dusky blue,
And soon around Orocasbesca drifting,
I'll seek again, dear heart, for you.

Wants the privilege of running for treasurer, as also for clerk of court. Gradually, too, there has grown up an intense interest in the outcome of the nominations of the county commissioners, particularly over the chairmanship.

For solicitor in the fifteenth judicial district, it is generally conceded that Robert R. Reynolds will be nominated.

To Fight Extradition

(Continued From Page One.)

Attorney General Wickersham being in Chicago today the matter was taken up with Solicitor General Bowers, who is in charge of the office. The opinion is expressed at the department that the Charlton case is a purely extradition matter. It will be considered by the attorneys of the department who will investigate and weigh the circumstances surrounding the murder of Mrs. Charlton and the capture of Charlton, before giving an opinion.

Will Not Ask For Extradition.

(By Cable to The Times)

Rome, Italy, June 24—The foreign office issued a statement today that the extradition of Porter Charlton will not be asked by the Italian government, but that that country will do everything in its power to aid in his conviction in America.

NEWS FROM BETSEY CITY.

Plans for July 4th—Ball Game—Epworth League—Naval Reserves Hold Meeting.

(Special to The Times.)

Elizabeth City, N. C., June 24—Plans are being perfected for much amusement in Elizabeth City on the fourth of July.

The Pasquotank Driving Club is making preparations to have a series of races on the afternoon, in which some of the best racing stock in this section will participate. A number of entries have already been made and many more are expected before the entries close.

The racing will begin at 1 o'clock and it will be preceded by a motor cycle race in which J. Boyd Anderson, the champion motorcycleist of the world, will participate. Other features of the event will be an automobile race and a riding tournament. A large crowd is expected to be present to witness the races.

At 5 o'clock of the same afternoon the Western Bloomer Girls' baseball team will play a game of ball with the local team. The announcement that this team is going to play here is attracting a great deal of attention and there will be a record-breaking crowd at the ball park to witness the game.

The Epworth League Conference convened this morning in Hertford. A large number of league workers from this city and the surrounding community went to Hertford this morning to be in attendance upon the meeting.

The Elizabeth City naval reserves held a meeting last night in the armory for the purpose of re-enlisting and reorganizing the company. Practically all the old members of the company were enrolled as members again. The reserves will meet again next Wednesday night when the commissioned officers will be elected. The three years term of enlistment of the reserves expired the first of June and the past month the company has been without formal organization.

It is always safe to reserve your congratulations until the pair have been married at least a year.

WORTH MOUNTAINS OF GOLD

During Change of Life, says Mrs. Chas. Barclay

Grantville, Vt.—"I was passing through the Change of Life and suffered from nervousness and other annoying symptoms, and I can truly say that Lydia E. Pinkham's Vegetable Compound has proved worth mountains of gold to me, as it restored my health and strength. I never forget to tell my friends what Lydia E. Pinkham's Vegetable Compound has done for me during this trying period. Complete restoration to health means so much to me that for the sake of other suffering women I am willing to make my name public so you may publish this letter."—MRS. CHAS. BARCLAY, R.F.D., Grantville, Vt.

No other medicine for woman's ills has received such wide-spread and unqualified endorsement. No other medicine we know of has such a record of cures of female ills as has Lydia E. Pinkham's Vegetable Compound. For more than 30 years it has been curing female complaints such as inflammation, ulceration, local weaknesses, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration, and it is unequalled for carrying women safely through the period of change of life. It costs but little to try Lydia E. Pinkham's Vegetable Compound, and as Mrs. Barclay says, it is "worth mountains of gold" to suffering women.

POLITICS IN BUNCOMBE.

Candidates a Plenty in the Tenth District—Every Office Has a Bunch—Three Candidates for Congressional Nomination.

Asheville, N. C., June 24—At no time probably in the history of the county has Buncombe been so overrun with candidates for official position. Like the immortal pickles, they are of "37 varieties" and it may be that there are a few more in the woods whose announcements have not yet reached the political center. The democratic primaries will be held Saturday and the activity of the candidates and their earnest friendliness with the "dear people" is astonishing. But all this aside, they are, for the most part, good citizens and good democrats with many real friends and each one has a following so strong that it would be hard to forecast the result with any accuracy.

There are six candidates for the nomination of sheriff, the old sheriff being in the race with all of his deputies running. All are working hard, all seemingly confident, and, pointing with pride to their records as democrats.

The office of tax collector has its full quota also and there are three very strong men after the place, each with enough support to make him confident. There will be a lively
