DURHAM ELKS LEAVE

Go to Detroit For Their Annual Reunion

Japanese Oil Magnate Visits Durham—Merchants Are Jubilant Over Ruling of Interstate Commerce Commission—Death of Dr. L. B. Henderson—Philatheas Give Party—Alumni Association Formed at Wadesboro.

(Special to The Times.) Durham, N. C., July 8—A party of Durham Elks leave Saturday for Detroit, where a reunion of the Grand Lodge will be held next week. Among the party will be Mr. and Mrs. Walter G. Hegener, who are to be married Saturday afternoon, and will take this trip as a honeymoon. Mr. Hegener's home is in Wisconsin, and the young couple will visit his family there before returning. The bride is Miss Mary Elizabeth Maynor. After returning they will make their home with Mrs. Mangum, on Pettigrew street. Among the Elks who will attend from here are Messrs. W. E. Lipscomb, R. E. Piper, H. V. Daniels, Dr. S. Rapport, J. G. Huckabee, C. T. Holland, Walter Holliday, W. B. Guthrie and Walter Budd. Kishabel Mural and his party arrived here yesterday afternoon on a short visit to Capt. E. H. Parrish at his beautiful country home, "Lochmoor." Mural is a Japanese banker and oil magnate and he and Captain Parrish were intimate friends when the captain was representing the American Tobacco Company in far away Japan. With the man from the Orient are his wife and daughter and a friend, Mr. Kurachi.

The merchants here are jubilant over the ruling yesterday by the Interstate Commerce Commission, ordering a reduction in the present freight rates from Cincinnati, Roanoke and Lynchburg to Durham and Winston-Salem. This has been a sore point with business men here for a long time and the action is the direct result of hard work done by the Merchants' Association here, through their attorney, Mr. R. O. Everett. The ruling of the commission that North Carolina towns were not discriminated against as compared with Virginia towns was not so well received and the merchants here say they can cite many cases of unfair discrimination.

Mr. J. A. Thomas, the young man from Raleigh, got off light in the recorder's court yesterday. Thomas was charged with swearing falsely to the age of Miss Nora Inscore, who married Charles Pullen, of Raleigh, here a few days ago. Thomas secured the license for the young couple and he stated yesterday that he was informed by the groom, the bride and the bride's mother that the young lady was over eighteen years old. He claimed to be acting in the very best of faith. The father of the bride had the warrant sworn out, claiming the girl was not yet seventeen. He brought along with him from Morrisville a family bible and numerous account books, purporting to show that his daughter was born in 1893. Judge Everett decided that the young man was acting in good faith in securing the license, even if there was a technical violation of the law, and suspended judgment, allowing him to pay the costs "which amounted to about \$12.

Dr. L. B. Henderson died here last night after an illness of some time. The death was not entirely unexpected. Dr. Henderson has lived

Stomach Dead Man Still Lives

People who suffer from sour stomach, fermentation of food, distress after eating and indigestion, and seek relief in large chunks of artificial digestors, are killing their stomachs by inaction just as surely as the victim of morphine is deadening and injuring beyond repair every nerve in his body.

What the stomach of every sufferer from indigestion needs is a good prescription that will build up his stomach, put strength, energy, and elasticity into it, and make it sturdy enough to digest a hearty meal without artificial aid.

The best prescription for indigestion ever written is sold by druggists everywhere and by King-Crowell Drug Company, and is rigidly guaranteed to build up the stomach and cure indigestion, or money back.

This prescription is named MI-ONA, and is sold in small tablet form in large boxes, for only 50 cents. Remember the name, MI-ONA stomach tablets. They never fail. They contain ingredients that give quick relief (other than strong digesters), but they are compounded for the purpose of making the stomach strong and energetic enough to do its work without the aid of harmful drugs.

HYOMEI

Cures catarrh or money back. Just breathe it in. Complete outfit, including inhaler \$1. Extra bottles 50c. Druggists.

Joseph H. Choate, former ambassador to England, against whom charges have been filed before the American Bar Association, charging "omissions and wrongful acts." This is the first time in the history of the association that charges have been made against one of its members. The charges will be laid before the approaching convention at Chattanooga in August. James R. Watts, of West Brighton, Staten Island admitted that he filed the charges with Chairman Henry D. Estabrook of the General Council of the association on May 17, but the fact was only recently learned. Mr. Choate is a past president of the association.

here for over twenty-five years and was one of Durham's most progressive citizens.

The Philatheas of the city gave last night a party in their hall. Music was rendered by the East Durham band, and cake and cream were served. The entertainment was scheduled to be given on the lawn at "Greenwood," but the rain put a stop to an out-of-door concert. The proceeds go to the Philatheas fund, and will be used for carrying on the work of the union here.

A Trinity College Alumni Association of Anson county was formed at Wadesboro Saturday, July 2. Mr. U. B. Blalock, of Wadesboro, was elected president, and Mr. W. S. Clark, of Ansonville, secretary. Rev. M. Bradshaw, of Durham, president of the general Alumni Association of Trinity College, was present and made an address. Many county alumni associations have been formed during the past few months.

A Wild Blizzard Raging brings danger, suffering—often death—to thousands, who take colds, coughs and lagrippe—that terror of winter and spring. Its danger signals are "stuffed up" nostrils, lower part of nose sore, chills and fever, pain in back of head, and a throat-grinding cough. When Grip attacks, as you value your life, don't delay getting Dr. King's New Discovery. "One bottle cured me," writes A. L. Dunn, of Pine Valley, Miss., "after being 'laid up' three weeks with Grip." For sore lungs, Hemorrhages, Coughs, Colds, Whooping Cough, Bronchitis, Asthma, It's supreme. 50 cents, \$1.00. Guaranteed by all druggists.

PALMETTO COTTON SEED MEN.

Annual Session Comes to End—Joint Meeting With North Carolina Association—Association Pays Tribute to Senator Simmons—Officers For Ensuing Year Elected.

(Special to The Times.) Wilmington, N. C., July 8—The fifth annual session of the South Carolina Cotton Seed Crushers' Association came to an end at Wrightsville Beach yesterday afternoon. Final session of this particular organization was featured with a joint meeting of the North Carolina associations. As a matter of courtesy the South Carolina association requested Mr. C. L. Ives, of New Bern, president of the North Carolina association, to preside over the joint session. The feature of this meeting was an address delivered by Mr. W. A. Reynolds, a prominent cotton seed oil man of Charlotte. His topic was "The Value of the Cotton Seed and its Products," and he delivered a strong address.

The joint associations paid a decided compliment to Senator F. M. Simmons, senior senator for North Carolina, in the adoption of a resolution in recognition of his strong advocacy for better legislation with regard to oleomargarine.

The resolution as introduced by Mr. E. W. Thompson, of Charlotte, and unanimously adopted, was as follows:

"Whereas, Senator F. M. Simmons has introduced a bill in the United States senate to repeal the ten cent tax on oleomargarine against the united and powerful lobby of the butter interests, and has worked unceasingly for its passage; and, "Whereas, the passage of this bill is of the utmost importance to the

cotton seed oil industry, therefore be it

"Resolved by the Cotton Seed Crushers Associations of North and South Carolina in a joint convention at Wrightsville Beach, July 7, 1910, that the secretary be instructed to write a letter to Senator Simmons and thank him and his associates for their good work in this cause."

The South Carolina association then elected the following officers for the next year: President, F. S. Evans, of Greenville, S. C.; Vice President, J. M. Lipscomb, of Gaffney, S. C.; Secretary and Treasurer, B. F. Taylor, of Columbia, S. C.

Saved at Death's Door.

The door of death seemed ready to open for Murray W. Ayers, of Transit Bridge, N. Y., when his life was wonderfully saved. "I was in a dreadful condition," he writes, "my skin was almost yellow; eyes sunken; tongue coated; emaciated from losing 40 pounds; growing weaker daily. Virulent liver trouble pulling me down to death in spite of doctors. Then that matchless medicine—Electric Bitters—entered me. I regained the 40 pounds lost and now am well and strong." For all stomach, liver and kidney troubles they're supreme. 50 cents at all druggists.

Electric Storm At Burlington.

(Special to The Times.) Burlington, N. C., July 8—During an electrical storm this afternoon lightning struck a tree seven miles west of Burlington and instantly killed five cows which had assembled there for shelter. The party furnishing this information could not give the name of the owner of the cattle, nor is it possible to learn the name of the owner here at this time, but the informant was near the scene at the time and is reliable.

A Wretched Mistake

to endure the itching, painful distress of Piles. There's no need to. Listen: "I suffered much from Piles," writes Will A. Marsh, of Siler City, N. C., "till I got a box of Bucklen's Arnica Salve, and was soon cured." Burns, Boils, Ulcers, Fever Sores, Eczema, Cuts, Chapped Hands, Chilblains, vanish before it. 25 cents at all druggists.
