SOUTH IN TEN YEARS

(By Leased Wire to The Times)

Washington, July 21-The amazing growth in the south and southwest aleady is becoming the sensation of the 1910 census.

Complete returns for fifty-one counies in Texas show a population of 817,475 in 1910, as compared with 552,906 in 1900, a gain of 46 percent.

This percentage maintained throughout Texas will mean a gain of 1.403.606 people in the state, or a total population of almost 4.500,000,
