PLENTY OF ELECTRICITY
Southern Power Co. Will Also Enter Charlotte

Charlotte Will Have Two Street Railway Companies and Two Gas and Electric Companies—Taxes Are Paid Promptly.

(Special to The Times.)
 Charlotte, N. C., Aug. 4.—It is now understood that the Board of Aldermen, following a six weeks' wrestle with a petition for an electric street railway franchise, making two for Charlotte, will soon be confronted with still another for a gas and electric light and power franchise, from the Southern Power Company. Should this be granted, as is likely under conditions, it will give to the city two chartered street railway companies, and two rival gas and electric lighting and power concerns, all backed by ample capital.

The old charters were held by the 4 C's Company, which recently had its street railway and lighting and power business re-incorporated, making two distinct concerns of the two. A street railway franchise was granted last week to Mr. Paul Chatham, a leading business man, who proposes shortly to organize an electric street railway concern, and now comes the Southern Power Company with its petition for a franchise for the Charlotte Power Company, to supply electric lighting, gas and electric power for manufacturing purposes.

This will give a maximum of competition, and make things interesting here. Receipts to date from Charlotte's special license tax ordinance, now in operation for several years, are \$27,270 against approximately \$15,000 received to date last year.

Twenty-seven thousand dollars is a bit of money, and there will be more to come yet, but the insertion of a section placing a 5 per cent. penalty on all delinquents, has done the work this year, and those whose business makes them liable to the special taxes, have come across a month or more ahead of last year's record, and only a few remain from whom special taxes are yet due.

The money came in so fast last week and Monday, the last day, that City Tax Collector Wilson was busy all day reaching out for the long green, and handing out receipts. The people who are subject to any of the numerous sections of the ordinance, this year were given just one month, July, in which to pay the tax to the city, and they have come up to the mark handsomely, and everybody about the city hall is chuckling with pleasure to-day over the happy results of the working of the special license tax ordinance this year.

The total realized from this ordinance is about \$35,000, and of this sum the city now has \$27,270 in hand. As much of this tax falls on traveling shows, circuses, etc., that are in and out during the entire year, there will be at least \$8,000 more coming in from these sources, together with the taxes from the few who have failed to pay up on time so far.

According to the indexed list of subjects for taxation under the special revenue ordinance, about 225 different businesses, callings, professions, etc., are subject to a special tax. The tax is extremely inclusive, as these figures indicate, and there are few businesses in Charlotte that escape the workings of the ordinance as it now stands.

RADIANT HAIR

Every Woman Can Have it These Modern Days.

Nothing keeps a woman youthful more than close attention to the hair. Any woman whose hair is dull, faded or lusterless cannot be either beautiful or attractive.

Dull hair casts around its owner an environment of stupidity, while the woman with brilliant, lustrous and luxuriant hair, though she may be far inferior in intellect than her dull haired sister, carries off the honors because of her resplendent hair. In Paris, where plain women know how to make and keep themselves beautiful, the great hair dressing called Parisian Sage is much in demand.

And since the introduction of Parisian Sage into America, over three years ago, society women in all the large cities have learned that the easiest, quickest and surest way to turn lifeless, dull and unattractive hair into brilliant, lustrous and luxuriant hair is to use Parisian Sage.

Parisian Sage is sold by leading druggists in every town in America and by the King-Crowell Drug Co., who guarantee it to cure dandruff, stop falling hair and itching scalp in two weeks or money back.

Fifty cents for a large bottle of Parisian Sage. It is a most faintly perfumed hair dressing and it is not sticky or greasy. The girl with the Auburn hair is on every bottle.

FOR A NEW DEPOT.
 Citizens of Nashville Offer Right-of-Way and Want Railroad to Build in Business Section—Other News.

(Special to The Times.)
 Nashville, N. C., Aug. 4.—Mrs. Sam S. Griffin was buried at the old Griffin burial grounds near here today, the funeral services being in charge of the Rev. J. E. Hocutt. Mrs. Griffin died yesterday after several weeks of illness. She is survived by her husband and three small children, the youngest being only a little more than a week old. Mrs. Griffin was the second wife of Mr. Griffin, and just nine years ago to the day, the hour and the minute his first wife died. The deceased was a member of the Baptist church, and had many friends here.

There is being agitated in Nashville the matter of asking the A. C. L. Railroad to build a depot more in the heart of Nashville. It is said that the citizens of the town will give a right-of-way into the center of the town and offer other inducements.

Morton gave an enjoyable bridge party in honor of Mrs. H. R. Bush, of Greensboro. During the game spiced ice tea and cake was served. At the conclusion of the game Mrs. Bush was given the guest of honor prize, a silver picture frame. Miss May Harvey, of Kinston, having made the highest score, was given a smelling salts bottle, and Mrs. E. T. Lamb, of Norfolk, received a pair of silver embroidery scissors.

ON TRIAL FOR MURDER.

Mrs. Rhodes Killed Negro Who Refused to Stay Off Her Premises—B. Lovingsstein Prosecuting Attorney—Crops Damaged.

(Special to The Times.)
 Oxford, N. C., Aug. 4.—The fall term of Granville, county superior court is in session at Oxford, Judge C. C. Lyon, of Elizabethtown, presiding.

The most noteworthy case on the calendar is the trial of Mrs. Rhodes for the murder of Joe Kinton, colored, which occurred last May in Oak Hill township, of this county. Gen. B. S. Royster and Graham & Devin are attorneys for the defendant, while B. Lovingsstein, of Durham, is assisting the solicitor in the prosecution. Mrs. Rhodes had had some trouble with the deceased about the depredation of his stock on her land, and she had forbidden his coming through the forbidden road and following a few words the shot was fired that sent the intruder into eternity.

Material is being rapidly placed on the ground for the new graded school building. Fogleman & Turner, of Oxford, have been awarded the contract.

The farmers all over the county are very much distressed over the long-continued drought. There has been no rain for several weeks and all crops are suffering. The 100 boys in the corn contest are especially distressed. Most of them had highly manured the land and planted the corn thicker than usual. This makes their crops especially endangered from lack of moisture.

They Have a Definite Purpose.

Foley Kidney Pills give quick relief in cases of kidney and bladder ailments. Mrs. Rose Glaser, Terre Haute, Ind., tells the result in her case. "After suffering for many years from a serious case of kidney trouble and spending much money for so-called cures, I found Foley Kidney Pills the only medicine that gave me a permanent cure. I am again able to be up and attend to my work. I shall never hesitate to recommend them."—King-Crowell Drug Company.

ASTHMA AND HAY FEVER PATIENTS.

Find instant relief as soon as they reach these wonderful springs. Nature's own cure for these Diseases.

This is to express my appreciation of the great benefit received by my son, Edmund, from a stay at Ellerbee Springs. For a number of years he has suffered greatly from Asthma, but has never failed to find relief at this remarkable summer resort, and strange as it may seem, he has never felt a symptom of Asthma while there. It would advise all sufferers from like trouble to go to Ellerbee Springs.—Rev. J. E. Underwood, Rockingham, N. C.
