HEAVY BATTING WINS FROM HIGHLANDERS

Sheehan Allows Eleven Hits But Keeps Them Well Scattered—Team Plays Great Base Behind Him—Great Catches of Hobbs and Keating—Mullin Gets Five Hits Out of Five Times Up—Hobbs Also Hits a 1000.

Sheehan made his debut in the Eastern Carolina League yesterday when he pitched for Raleigh and won himself a home. While the box score shows eleven hits made off his delivery yet he kept them well scattered as is shown by the score. Think of eleven hits and one run. That's Fayetteville's share in the game. The reason for that is, that after Sheehan would give them a life, he would then show his ability to pitch in places and make three batters pop up or roll easy ones to the infielders. The young fellow not only fields his position well but is a heavy hitter. The first time he stepped to the plate, two men were on bases, two were out, and the score was blank, yet he met one of "Big Chief's" benders and hit safe back of short. He faced Thorpe again in the fourth and hit a long sacrifice fly to deep center, scoring Bigbie. In the sixth the young twirler drove one so hard that Mullin dropped it and Bigbie scored. He stole second, Clemens bunted safe and on two successive hits both scored. He had another chance in the seventh and sent a fly to deep left scoring McCormick.

Giants Send Wilson Toward the Bottom.

(Special to The Times.) Wilson, Aug. 24.—Lane held the heavy hitting Giants hitless up to the 7th when an infield hit, a sacrifice, a bad error by Bonbow and a single to right turned in two runs, again in the ninth two errors and two singles netted one more.

The Champs outbatted the Giants today but lost the game by errors, four of which were charged up to Bonbow at short. Pierce was touched up for three hits in the fifth, all of the infield variety and it looked like the Champs were going to have a regular walkover as the visitors seemed to be up in the air, but by poor base running only one man crossed the plate. Pierce was very stingy with his hits except in the fifth when there were men on bases and at no time was he in danger. Four of the hits charged up against him could have been fielded if the bases had been covered.

Evans for the visitors made several sensational catches in left garden. He robbed Westlake of what looked good for at least a double. Phelan made a beauty catch of a long foul in right. The first inning or two of the game was played in the rain which accounts for small attendance.

The Champs leave tonight for the last series with the Highlanders. We expect them to bring back at least two of the three from the city of the Cape Fear, and do the same for the Red Birds when they close their season on the home grounds on Monday, Tuesday and Wednesday of next week.

They Have a Definite Purpose. Foley Kidney Pills give quick relief in cases of kidney and bladder ailments. Mrs. Rose Glaser, Terre Haute, Ind., tells the result in her case. "After suffering for many years from a serious case of kidney trouble and spending much money for so-called cures, I found Foley Kidney Pills the only medicine that gave me a permanent cure. I am again able to be up and attend to my work. I shall never hesitate to recommend them." King-Crowell Drug Company.

Larry Doyle, who played second base for the Giants in their record game with Cincinnati and struck a ball that will be remembered as a record performance for a long time to come. After Devere had fanned for a starter, Doyle swatted the ball so that it bounded into the right centre bleachers on the first bound something that had never happened before in Cincinnati. It was good for a home run. It was said in explanation that the Reds are using a new rubber and cork centre ball.

Wilson is Bounded Hard. (Special to The Times.) Rocky Mount, Aug. 24.—Rube Howard was in great form today and held the Raleigh Railroaders to one lonesome hit. While Wilson was hit hard, there were no special features besides Howard's pitching and the batting of Klutz and Orth. While only one error was made by the Crew, yet they appeared dumb or asleep and allowed Wilmington to win easily. Umpire Freeman put Kite out of the game for kicking.

CHIRPS.

In third place and climbing. Now for that dash for the tax. Sam Richardson was good at first yesterday. Sheehan is some twirler. Here's a home for you. Three with Goldsboro, three, Wilson—Four out of the six is all we ask fellows. Hobbs' catch in right field yesterday was never beaten by Keeler, nor Cobb. It was a beautiful piece of work. The Carolina League got its "dose" last year, and will not play any team in the Eastern Carolina League this year. They have all taken "cold feet." But, really, we do not blame them. It's hard to force one into certain death. (Wilson) cannot forget he recognized as the premier catcher of the league; His work yesterday would relegate him to the "bush." Trusty, McCormick, stands out as the greatest backstop in the circuit. Sheehan has won a home in Raleigh. Besides getting one clean hit off Thorpe, he got two long sacrifices also; each scoring men, scored one run himself and stole two bases off the mighty Galvin. What better could you ask?

Won't Need a Crutch. When Editor J. P. Sossman, of Cornelius, N. C., bruised his leg badly it started an ugly sore. Many salves and ointments proved worthless.
