## HARD FOUGHT GAME LOST TO THE GOLDSBORO LADS

Richardson Outpitched Pearce-Hit and Run Game Played Wrong-Hobbs Does Good Work on First-Hobbs-Entire Team Played Too 550. Slow at Times.

Goldsboro won a fast, hard fought game Saturday by the close score of easily took both games from the High-2 to 1. Pearce and Richardson were landers on the "diamond by the sea on the mound for their respective Saturday. Brooks, the star Sailor teams and it was heart-rending to lose a game after such box work as Big Sam Richardson pulled off. He twirled goods for the Highlanders in the first one of the best games of the season, game and was touched up for five hits yielding only five hits, and only one inning saw as many as two hits off on Mayer's delivery during the last the big fellow. To be brief-the game was lost principally in the hit and run game being turned to hard luck. Twice the signal was given for the hit and run and each time the batter ers and they will have to fight two drove into a fielder's mit, committing more series of battles for the raga cuicidal double play. The game was not lost by Louis Hobbs' work. He played a star game at first. The only error charged to him was in the seventh. Two men were down and third and second bases were occupied. Gates hit a slow one to Keating and he saw Daily rushing for the plate. In a moment's notice he bluffed at a throw to the plate and then turned throw ing to Hobbs who was getting to his bag and missed the ball as he was not looking for it upon that play. No man in the Eastern Carolina League has played the game as consistently as Louis Hobbs. In the ninth inning Ty Cobb could never have scored on Bigbie's hit. Louis Hobbs was on second with Simmons on first. Bigble hit one just over Gates' head with Evans playing in for a short hit. The ball Doak, 1b. .. .. scored. Hobbs did not lose the game Dubbs, ss. .. .. .. 3 on that play, it would have been suito get home as Evans had the ball in his hand by the time Hobbs got to third. The whole team played dumb and that lost. No one man lost it. Hawkins pulled off the most diffi- Fayetteville cult catch seen here this year when he ran from his place in the field clear to the foul fence and caught Handiboe's foul in one hand. It was a pretty piece of work. Hobbs and Keating each got two hits, one of Hobbs' being for two bases. In the fifth Haw-kins led off with a drive to right for two bases, was sacrificed to second and Brooks, 7,

scored on McCormick's hit to right. With the score tied, Goldsboro came in the seventh and won out when Evans hit through third. Daily bunted down the first base line and Hobb threw out Evans at second. Peared singled to center, and Daily went to third and on the mix-up of Gates' ball to Keating, Daily scored. In the ninth with the bases full McCormick was thrown out by Brown to McDonald and the game was over. It was a hard game to lose. It should have been won for Richardson clearly out-pitched Pearce, but hard luck turned up a

301 strike-outs for a season. Nothing but injury or Manager McAlcer's failure to work him can stop the big boy. About a week ago, it was shown that Johnson had only to work every fourth game and to hold his average, seven strike-outs, to set a new mark. Since that time he has pitched twice, and has fanned 26 men, giving him 12 over

his average as velvet to work on. Washington has 31 games left, and Johnson probably will pitch 8 of these, and certainly will pitch seven. He has now fanned 257 men, so that he has but per game, if he pitches eight times, will do it, with something to spare.

Ed Walsh, who holds the season's record striking out 15 Boston players in a game at Chicago on August II has fallen away since he reached the 200 mark here last week, having struck out 15 men in the interim. He has thus lost II men in the race with Johnson. 215 being his total.

Both of these pitchers will beat any National League boxman by a widmargin. Christy Mathewson is the strike-out tender of the older league at present, with 129 his mark, exclusive anything he may have done this present week.
