DURHAM'S RADICALS

Appointed Committee to Wage Hard Fight Against Democrats

Prof. Overton to Take Charge of Headquarters as Secretary—Democrats Plan for the Fight—Marriage of Miss Irene Hicks to Mr. Eugene Phillips.

(Special to The Times) Durham, N. C., Sept. 8.—The republican candidates of Durham county met last night and appointed a campaign committee that will have charge of the fight against the opposition candidates. The committee will be under the leadership of the recently elected county chairman and will act as an emergency committee where it is convenient for the entire executive committee to get together. It will consist of the following well known republicans, Messrs. J. C. Angier, H. B. Abernathy, N. Underwood, W. T. Riggsbee and T. H. Scoggins.

Mr. W. H. Overton was elected secretary of the county executive committee and will take charge of the party headquarters, which will open next Monday in the second story of the Holloway building on Church street. The republicans of this section are very much elated in securing for this important position a man of the popularity of Prof. Overton, who has heretofore steadily declined to take an active part in politics.

The speakers that are to be brought here have not been definitely decided upon although one prominent member of the committee stated that among the prominent men who are to come to Durham to inspire the republican stronghold will be Candidate D. H. Blair, Marion Butler, L. M. Meekins, Thomas Settle and other leading lights of the party.

The latest from the camp of local republicans is to the effect that Dr. Bowing, who at the time of his nomination expressed a desire to stump the county with Gen. Carr, will not be permitted to do so. The leaders fear that such a proceeding might lead to unnecessary bitterness and had better be abandoned.

Democrats to Open Headquarters.

The democratic executive committee is arranging to open campaign headquarters in the Wright building in the suite of rooms just opposite the law offices of Chairman Howard A. Foushee. The finishing touches are being put on the offices and in a few days the committee will begin the dissemination of campaign literature for the approaching contest, which promises to be an unusually warm one. Mr. Foushee will direct the fight, assisted by Secretary Brogden. The publicity end of the campaign headquarters will be in charge of J. A. Robinson, for many years editor of the Sun. Announcements of the speakers have not yet been made but it is confidently expected that Major Steadman will deliver one or two addresses in the county and help swing it back into the democratic column.

Pretty Home Wedding.

At the home of her father, Dr. W. N. Hicks, Miss Irene Hicks was married yesterday morning to Mr. Eugene Phillips of Hertford, N. C. The home was beautifully decorated for the occasion. The marriage ceremony was performed by Rev. Frank Culbreth, of Newton Grove, N. C., a college friend of both the bride and groom, and the special chum of Mr. Phillips while at Trinity College.

Dandruff, Falling Hair and Itching Scalp Cured, or Money Back.

What other people say of you, sometimes has more effect than what you say about yourself. Read these.

"I used one bottle of Parisian Sage, and it did all you claim it would do. My hair is fluffy and clean from dandruff since I used the Sage, and I am going to keep it constantly on my dressing table for toilet use." Mrs. M. Griffin, 326 W. 9th St., Danverport, Iowa.

"I write in short that my head was almost running me crazy, and I saw your ad in the Times-Union. I bought a bottle of Parisian Sage at once and tried it, and in a week I could see that my head was almost well, and my hair was growing wonderful, and I continued using Parisian Sage, and now my hair is beautiful and everybody admires it. My scalp is always clean."—Your customer, Mrs. S. Dingle, Jacksonville, Fla., Oct. 15, 1909.

"Parisian Sage is certainly a wonderful hair restorer. My husband and I both have used it, and find it to be just as advertised."—Mrs. D. Schorl, 220 Wascon St., Toledo, O., Oct. 23, 1909.

Parisian Sage is sold by druggists everywhere, and by King-Crowell Drug Company, for 50 cents a large bottle, and is guaranteed to cure dandruff, stop falling hair and itching scalp, or money back. It makes hair grow soft, lustrous and luxuriant, and is not sticky or greasy. The girl with the Auburn hair is on every bottle. Mail orders filled by Giroux Mfg. Co., Buffalo, N. Y.

NASHVILLE NEWS.

Governor Kitchin and Congressman Pon to Speak—Schools of the County.

(Special to The Times)

Nashville, N. C., Sept. 8.—Governor W. W. Kitchin and Congressman E. W. Pon will address the people of Nash county at Nashville Saturday, September 17. There will be a brass band and the speaking will be well advertised. A record-breaking crowd will be expected at the county seat that day. This is the home of R. A. Cooley, who is the republican-independent candidate against Mr. Pon. Folks are beginning to wonder whether or not he will invite Mr. Pon to divide time with him, and thus take an opportunity way he went into the democratic congressional convention and moved to make Pon's nomination unanimous and then afterwards announced himself a candidate. It is not known what he will want to say to the folks, but it will be worth coming miles to hear his explanation. There's going to be big times at Nashville Saturday, September 17th.

The Red Oak High School, one of the state high schools in Nash, has opened with splendid enrollment. The Castalia High School, another flourishing school of the county, opened the past week. Mr. Oscar Creech is the principal. The school has thirty boarders and a splendid local patronage. Other schools opening this week were: Spring Hope graded school, with Mr. A. B. Harrell, principal; Nashville school, with Mr. B. M. Cox, principal; Mamoyee school, with Miss Nina Collins principal. The Mt. Pleasant High School, another of the state High Schools in the county, will open September 19, with Mr. W. R. West principal. The Whitaker High School has opened with Mr. John L. Singletary principal. Tuition is free to all high school pupils at the Red Oak, Mt. Pleasant and Whitakers High School. There are also a number of entered schools in operation in Nash at the present time. Other public schools will open later. The people of the county are taking an active interest in education.

A number of communities in Nash are beginning to arrange to make bids for the farm-life school that the county superintendents, the farmers, and others will ask the legislature to provide for. If there are only ten created the first year, as has been suggested would be the case, Nash means to have one of the ten. There is to be no backward step in Nash along the lines of education, if the people have their way. The farmers' union is strong and there are other folks interested in education.
