

Democratic Candidates Speak In Enemy's County

Colonel Carr Makes Good Speech—Dr. Bowling Attacks Sun—Club Meetings at Trinity College.

(Special to The Times.)

Durham, Oct. 29—The democratic candidates of the county met the voters of the Orange factory district Thursday night and considering the fact that they were in the enemy's territory drew good crowds. All of the candidates present announced their candidacy. General Carr was there and made a ringing speech in support of Durham county democracy incidentally rubbing it in to Dr. Bowling the republican candidate for the legislature, saying that at the time that he, the speaker, was working for the democratic cause and for white supremacy in the state, the republican nominee was hauling his (Dr. Bowling's) father across the country to vote the ticket that meant negro domination. He was followed by Judge Green, and Mr. S. C. Brawley, both of whom made short talks. Mr. Sneed Sasser, secretary of the First Voter's Club, made a short speech telling why he was going to cast his first ballot for the democrats. At the conclusion of his talk four new names were enrolled in the club.

Last night the candidates held forth at Holden's store in East Durham being met by big crowds. The speaking began at seven thirty and lasted till ten.

Dr. Bowling Attacked the Sun.

In a speech at the Dry Bridge on Holloway street, Thursday night, Dr. Bowling, the republican candidate for the legislature from this county, attacked the local afternoon paper for their silence in regard to the public health department since he announced his candidacy, whereas before that it was a fearless critic of this department and supported him in his attacks upon it. He repudiated the suggestions of The Sun that the local republican organization was getting support in the form of contributions from the bond-holders syndicate, and referred any one that desired to do so to an examination of the records of Chairman Carpenter for a substitution of his statement. He was followed by Postmaster Giles, who devoted his remarks to a discussion of the recorder's

Fortnightly Club Held Meeting.

The Fortnightly Club of Trinity College met in the faculty room Friday night. Professor H. E. Spence, president of the club, offered an interpretation of Maeterlinck's "Blue Bird." He examined at some length the work of the Flemish author and called attention to the remarkable fact that he has attended the presentation of his latest play both in England and in this country. In London particularly, he is rapidly becoming a cult, and "Blue Bird" clubs are the literary fashion of the day. Professor Spence was followed by Professor Webb who made an interesting talk on the efforts of the Catalans to preserve their individuality in languages and literature, and on the picturesque of the Catalan drama. The Fortnightly Club is taking up this year a study of the modern drama of merit, paying attention to those only which possess genuine literary worth and which have met with success on the stage.

The Classical Club Initiates.

The Classical Club of Trinity College met for the first time this year and took in seven new members. Membership in the club is open to those students who are taking advanced work in the classical languages and have shown a certain proficiency and interest in their pursuit. While it is in point of time the youngest of Trinity's Clubs it has already become an important force in undergraduate life and is doing a commendable work along cultural lines. The new men elected were: E. E. Bundy, Elizabeth City; J. P. Wynne, Enfield; R. L. Towse, Enfield; J. T. Laten, Fayetteville, Tenn.; W. E. Eller, Clifton; N. L. White, Statesville, and Quinton Holton, Durham.

The initiatory ceremonies were followed by an enjoyable informal spread. At the next meeting of the club, a week from Thursday night, a paper on "Pompeian Wall Decorations," will be presented by Mr. F. S. Bennett.

Why So Weak?

Kidney Troubles May be Sapping Your Life Away—Raleigh People Have Learned This Fact.

When a healthy man or woman begins to run down without apparent cause, becomes weak, languid, depressed, suffers backache, headache, dizzy spells and urinary disorders, look to the kidneys for the cause of it all. Keep the kidneys well and they will keep you well. Doan's Kidney Pills cure sick kidneys and keep them well. Here is Raleigh testimony to prove it:

Mrs. E. M. Martin, 700 W. Jones street, Raleigh, N. C., says:

"I used Doan's Kidney Pills and from the results received I can give them a most hearty recommendation. I suffered a great deal from dull, nagging backaches and sharp pains across my kidneys. I could not sleep well and arose in the morning feeling tired and sore. Headaches added to my discomfort and at times I felt languid and devoid of energy. A friend finally recommended Doan's Kidney Pills so highly that I procured a box from the Bobbitt-Wynne Drug Company and began using them. They benefited me at once and since then I have had no backache or any other symptom of kidney trouble."

Princeton and Dartmouth.

(By Leased Wire to The Times)

New York, Oct. 29—Princeton anticipated the most grueling contest of the season from the Dartmouth football squad at the Polo grounds this afternoon. Last year they played a tie game, the score being 6 to 6. The Princeton-Dartmouth game was one of the two important games today, this opening the period of big inter-collegiate gridiron contests.

There was no lack of confidence among the Princeton men when they arrived here this morning. The Dartmouth team was at the Gramatan Hotel, in the Bronx where the men have been keeping limbered up by practicing in their stocking feet upon the floor of the hotel ball room. The betting was practically a stand-off. Coach Roper and Trainer Fitzpatrick, who accompanied the Princeton team, said today that they were confident Princeton had a speedier team than Dartmouth, although they conceded that the green aggregation had rounded into superb form. Captain Ryan, of the Dartmouth eleven, predicted victory for his men by a narrow score.

Big Crowd at West Point.

(By Leased Wire to The Times)

West Point, N. Y., Oct. 29—The biggest crowd in the history of football at West Point was indicated by the sale of tickets for the Harvard-West Point game this afternoon. Brown, the Army's star right half-back, is on the hospital list and it was announced today that Hyatt, the crack quarterback, could not play. The Harvard team came to West Point last night and with them came a great crowd of loyal supporters with plenty of money to back their loyalty. Head Coach Haughton held a conference with the Crimson squad this morning for a final word of advice. Following this he said he was confident his men would win. Special boats were run from New York for the game.

Russian Wrestler Comes.

(By Leased Wire to The Times)

New York, Oct. 29—George Hackenschmidt, the Russian wrestler, arrived here from Europe today. He is after the scalp of Frank Gotch, the American wrestler, who defeated him for the world's championship in Chicago several years ago, and will issue a challenge.

Capt. Bogardus Again Hits the Bull's Eye.

This world famous rifle shot who holds the championship record of 100 pigeons in consecutive shots is living at Lincoln, Ill. Recently interviewed he says: "I suffered a long time with kidney and bladder trouble and used several well known kidney medicines, all of which gave me no relief until I started taking Foley Kidney Pills. Before I used Foley Kidney Pills I had severe backaches and pains in my kidneys with suppression and a cloudy voiding. On arising in the morning I would get dull headaches. Now I have taken three bottles of Foley Kidney Pills and fell 100 per cent better. I am never bothered with my kidneys or bladder and again feel like my own self." King-Crowell Drug Company.
