

CHILD HOME SOCIETY

Will Erect a Home in Durham

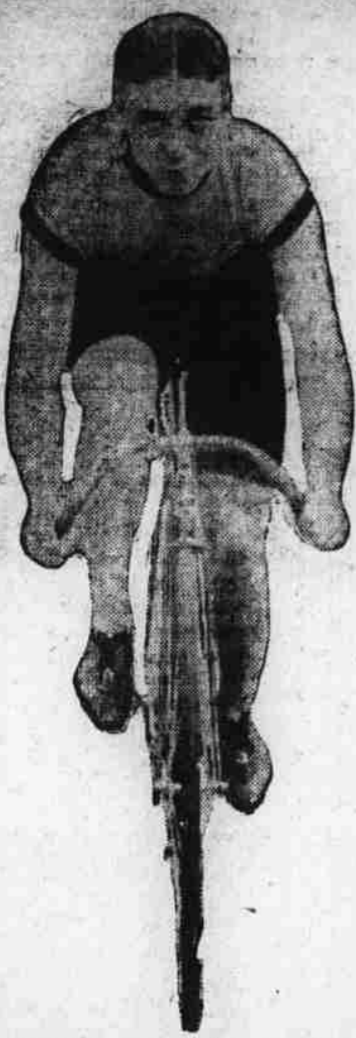

North Carolina Child Home Society Will Move From Greensboro to Durham and Occupy Its Own Building—Meeting of St. Mary's Alumnae.

(Special to The Times.) Durham, N. C., Nov. 3.—Announcement was made yesterday by the committee on construction that plans are now complete for the erection of "Joyland," the new home of the North Carolina Child Home Society, which is to be erected on a plot of land in the mineral spring vicinity on the outskirts of the city.

The main office of the society which has hitherto been in Greensboro, will shortly be moved to this city. The president of the society is J. S. Carr, of Durham, and the general superintendent is Mr. W. B. Streeter, of Greensboro. The latter will remove to this city to continue the management as soon as the building is completed. Plans for the structure have been drawn by Architect J. W. Brewer, of Greensboro, and have been accepted by the building committee. The building will be constructed of brick and stone, and absolutely fire-proof, having all the modern conveniences found in the best appointed orphan homes.

The society is at present taking care of over one thousand children in the state, twenty of whom are from this county. No restrictions are placed as to age, children from one hour old up having found homes in the institution. The society does not turn them loose until they are twenty, and generally succeeds in finding for them a good position or home. The society has at present fifty applications from orphans which they are unable to take care of. With the completion of the new commodious home some time next summer, this difficulty will largely be remedied.

St. Mary Alumnae Celebrate. The local alumnae of St. Mary's School of Raleigh, met Tuesday afternoon at the residence of the president of the Durham Alumni Association, Mrs. J. M. Manning, on Dillard street. An interesting program was carried out. Extracts from the celebration of founders day in Raleigh, April 20, 1910, were read by one of the members. Perhaps one of the most interesting features of the meeting was the reading of papers by ladies representing three generations of the school life of St. Mary's: Mrs. W. L. Wall, Mrs. William Graham, and Miss Robbie Thillingast. In addition to this there were short talks about things of interest to the local organization which is on a permanent footing and holds meetings twice a year. All graduates of the school who are living in Durham are members, and attend the meetings whenever possible. The business and routine part of the meeting was followed by the singing of the St. Mary's

Lawson's collar bone was broken which put him permanently out of the race. His team mate procured another partner and continued the race. One lap behind the leaders.

Ode, after which refreshments were served.

The alumnae present at this meeting were: Mrs. W. A. Erwin, Mrs. W. L. Wall, Mrs. Frank Webb, Mrs. Joan Rose, Mrs. E. K. Powe, Mrs. W. A. Graham, Mrs. W. J. Griswold, Mrs. T. M. Williamson, Mrs. W. B. Guthrie, Mrs. L. A. Carr, Mrs. Joan Manning, Mrs. Paul Taylor, Mrs. D. C. Mitchell, Mrs. Bessie Leak, Miss Lottie Sharp and Miss Thillingast.

Both Speedy and Effective.

This indicates the action of Foley Kidney Pills as S. Parsons, Battle Creek, Mich., illustrates: "I have been afflicted with a severe case of kidney and bladder trouble for which I found no relief until I used Foley Kidney Pills. These cured me entirely of all my ailments. I was troubled with backaches and severe shooting pains with annoying urinary irregularities. The steady use of Foley Kidney Pills rid me entirely of all my former troubles. They have my highest recommendation."—King-Crowell Drug Company.

Eight-day Bicycle Race.

(By Leased Wire to The Times) Boston, Nov. 3.—The eight-team race for first place in the six-day bicycle race at the arena, which had stood since Monday was broken last night and only five teams will face the starter at 4 o'clock this afternoon in line for the premier honor. The leaders have covered 677 miles, 2 laps.

Mr. Otto Paul, Milwaukee, Wis., says Foley's Honey and Tar is still more than the best. He writes us, "All those that thought it think it is the best for coughs and colds they ever had and I think it is still more than the best. Our baby had a bad cold and it cured him in one day. Please accept thanks."—King-Crowell Drug Company.

An effort is being made to incite interest in the question of good roads. It is proposed to repair the road from Ensenada sought for 250 miles. This would make the interior of the lower California peninsula much more accessible, as automobiles now make frequent trips to Ensenada from San Diego and other California cities.

WADESBORO SOCIALS.

Hallowe'en Party Given by Mrs. L. D. Robinson Notable Event—Book Club Meetings.

(Special to The Times.) Wadesboro, Nov. 3.—Notable among the social events of the opening autumn season and tastefully carried out in every detail was the Hallowe'en party given by Mrs. L. D. Robinson, Monday afternoon and extending into the evening. The afternoon guests were bidden at 5 o'clock and were welcomed by the happy hostess, and Miss Johnnie Dunlap at the door. In the hallway, Mrs. F. J. Cox and Miss Lora Little served punch at a dainty table, artistically decorated and lighted. In the library and sitting room, tables were arranged for a progressive game, in which the score cards were emblematic of the occasion. The prizes went to Mrs. Earle Dunlap and Miss Flora McKinnon and at the conclusion of the game an elegant menu of two courses was served. The long table was very beautiful in decoration and was much admired. The season was further emphasized in the artistic arrangement of the entire room.

In the evening at 7:30 other invited guests enjoyed the hospitality of Mr. and Mrs. Robinson and an elegant supper was served followed by bridge. First, but no prizes were offered. Mrs. Robinson was becomingly gowned in pale green silk over satin, made decollete and a number of the guests wore elegant toilets.

Tuesday afternoon Master Carl Robinson was host at a delightful gathering of his playmates and the young people enjoyed a happy afternoon with games. Dainty refreshments were served.

The Wadesboro Book Club enjoyed a delightfully informal meeting Thursday afternoon with Mrs. Eugene Little, who is always a gracious and charming hostess. Many of the club members were present and the number was supplemented by a number of invited guests. The subject of the afternoon was the early colonial history of North Carolina and the guests were asked to write an original poem concerning Sir Walter Raleigh. These were read and showed much original thought. The fortunate prize winners were Miss Ethel Terrill and Mrs. Jas. A. Harrison. Elegant refreshments were served. The hostess was assisted by Misses Kate Leak, Mary Cliffe Bennett and Augusta Little.

The meeting of the Tuesday Afternoon Club this week with Mrs. L. L. McLondon at her happy suburban home was a most enjoyable occasion. Potted plants and pink roses were used to beautify the rooms and added charm and delight. In addition to the members of the club, there were present Mrs. T. C. Cox, Mrs. B. Dunn, Misses Lora and Marion Little and Mrs. Clive Cottingham, of St. Louis, Mo. After an enjoyable game of progressive "Forty-Two" in which the honors went to Mrs. T. L. Caudle, the hostess served an elegant two course luncheon followed by ice cream and cake.

FALL IN PRICES OF MEAT.

All Hog Products to Take a Tumble in Price.

(By Leased Wire to The Times) Chicago, Nov. 3.—The prices of bacon, hams, and all hog products, will take a decided slump within the next two weeks, according to the experts at the Union Stock Yards.

Hogs are now selling on the basis of 90 cents for corn, although corn is actually only worth half that much. A fall in prices is inevitable, and the big packers are getting ready for it.

At Armour & Co. and other packers today it was said that breakfast bacon was selling at from 20 to 30 cents a pound, but that so many bacon hogs were coming into the market that a fall in prices was certain. Slight reductions are now being made, and larger ones will come within a few weeks when the new hams and bacon sides are cured.
