Grand Prize Races With \$5,-000 In Cash as Stakes Run Today

Program the Best of the Meet, Including Race For the Speedway in Prize Money-Six Prizes From \$100 to \$3,000-Twenty-six Machines in the Race, Which Started at 12:30 O'clock-A Free-for-all Was Shot Accidentally by a Compan-Race Third Event.

(By Leased Wire to The Times)

Atlanta, Nov. 5-The last day of the meet at the Speedway for automobiles opened with a light drizzle of rain. The program is the best of lost an arm. the meet and includes the race for the Speedway grand prize, 250 miles, \$5,000 in prize money, split as fol-

First prize, \$3,000: second, \$1. 000; third. \$500; fourth, \$250; fifth, \$150, and sixth, \$100.

Twenty-six machines are entered for this race, which starts at 12:30

The Australian pursuit race, a novel plan in which the cars kept running until every car in the race has been passed by the one directly behind it, when it drops out, is second on the list.

A 20-mile free-for-all amateur drivers is the third event.

Yesterday afternoon Ty Cobb was threatened with ejection from the Speedway grounds when he insisted on privileges for a friend. It is rumored the real reason for the calling off of the match race between Cobb and Nap Rucker was that Cobb stood out for a money prize.

Races Postponed.

Atlanta, Nov. 5-On account of continued drizzling rain and slippery sus 2,321,835; decrease 0.3 percent. condition of the track the automobile races were at noon postponed until Monday. All cars will remain here until Monday, when the racing will go by special train to Savannah.

Shot His Children.

Elizabeth, N. J., Nov. 5-Henry Nelson French shot to death his two children, Doris and Reta, aged 9 and 11 respectively, early today as they slept and then fatally shot himself. believed his mind was unbalanced from

DIX AND STIMSON IN AUTO ACCIDENTS

(By Leased Wire to The Times). New York, Nov. 5-John A. Dix, democratic candidate for governor, and Henry L. Stimson, his republican opponent figured in automobile accidents

Mr. Dix was on his way from Albany to Troy when his machine ran into a street excavation at Waterleit. The car was wrecked and Mr. Dix was severely shaken up, but he continued his journey in a carriage.

Mr. Stimson's mishap occurred in Tarrytown, where the taxicab in which he was riding broke down. He escaped as luckily as did Mr. Dix.

Chicago to Have "Closed Sunday."

(By Leased Wire to The Times.) Chicago, Nov. 5-For the first time the amusement public of Chicago faces the proposition of a 'closed town on Sundays. Within the next three weeks every town in Chicago, including all the big theatres in the "loop" will be forced to shut up house on Sunday, if an ordinance unanimously recommended by the license committee of the city council this afternoon is passed by the aldermanic body. It is predicted that the measure will go through the council without a dissenting vote.

Killed in Football Game.

(By Leased Wire to The Times) Roanoke, Va., Nov. 5-James W. Mock, 20 years old, of Damascus, Va., a senior classman in Roanoke College, died here yesterday as a result of injuries received in a football ame on the college campus a few

Railway Buys Large Location On Wilmington Water Front to Help in the Handling of Cars.

(Special to The Times.)

Wilmington, N. C., Nov. 5-Tae Seaboard Air Line Railway has just acquired from the Waccamaw Lumber Company the property on the river front adjoining the present terminals of the Scaboard, It being known as the old Chadbourn lumber mill site. The property has a frontage on the river of about 700 feet and embraces practically two city blocks. It is understood that the consideration was \$100,000.

The Seaboard recently completed terminals here at a cost of about \$300,000 and it is said that additional warehouses are to be built in the near future on the site acquir-An enormous amount of business is being done here by the Seaboard and even with the new ware houses there have been tims when the road was short on space to take care Grand Prize, 250 Miles, For \$5,000 of the enormous cargoes brought here for distribution all over the south.

YOUNG MAN LOST ARM.

ion While Hunting.

(Special to The Times.)

Elizabeth City, Nov. 5-An accident occurred yesterday at Jacocks in Perquimans county in which a young man named Wallace Wood, the son of Mr and Mrs. W. E. Wood of that place Young Wood in company with two

other young men named Hobbs was in the woods hunting. One or the young men was walking behind Wood when his shot gun accidentally went off, the whole load of shot lodging in

The arm was so badly shot that as amputation was necessary,

Dr. J. E. Wood of this city who was suddenly stricken with an attack of reart disease last Monday while in his office, is rapidly recovering from the attack and his physician, expects him to make a complete recovery in a short time. He is now able to be up at his

Butler Makes the Usual Speech of Abuse

or Three Hours He Abused the Living and the Dead-Practically Adneitted the Charges as to His Connection With the Bonds But Sought to Justify His Course-Real Issues Barery Touched.

The much advertised reply of factor Butler was delivered in this by vesterday afternoon, and when e had finished his sweeps of more clan three house in length, he stood self-convicted man his own testicone boing not a depial, but a ffirms, x are of his attitude in the bond

Never before has a Enleign andner liteness to a mere abserve needs they that delivered vesterday. unter discussed he issues, but his have a the greatest knowledge of his r, mean, unjustifiable and abusive gauge ever heard. He attacked to living, not did he spare the front. The people are not going to and and see a man suca as Marior business them cannot comb etc. ie hem of their garment, but uriou back. Into the race of the

He said he was going to move one of the charges that and been suo aguinst him, and many were axions to hear his excuse. All know is an admit man and will use any sethods to party a political end, but It were surprised at the complete all-down yesterday. He admitted be ad accepted the case of collecting onds from his own state while servng it as senator. He never denied the advectisement in which bonds were asked to be placed in the hands of his synthate for collection, but dodged the leane by saying that he and three had the advertisement cithdrawn and had recused to partiefigure in the collection. This was done after the how! had been raised, and be doubtiess dul it for his own motertion.

Burker entered the hall at 1:45 with his brother, Lester, and was arceted with vells by the audience which completely filled the first floor of the Academy, though the gallery was not more than half filled, thes mostly being negroes.

Lester Butler grose and called on Mr. T. Iver, of Cary, to introduce the speaker. Mr. fvey said be took a deep in-

torest in the apeaker of the afternoon, because he was his friend. He said that never had there been a time where a turn was so maligned as totace. "Give the devil lifs dues," said Mr. 1008. His miblie life is interwaven linseparably with our people and is father of many good measnes. He gave Butler credit for the orporation commission, state normal a Green-horo, the 6 percent rate law, nd for the salvation of the State niversity. His record was reviewed. rediting him with the rural free tellvery routes, and other things, and declared that he accomplished more n his short service than any dozen enarors; or congressmen.

Entler arose with that self-satis Ged air that is so familiar to all and with a smile bowed to right and left to encourage applause.

He began his speech by saying he was here to give the devil his dues. and as it is necessary to have a reg mine order of business he would read the call for the meeting tthe calls being his feiter promising to show on Simmons and Daniels). Then he sailed into Simmons and Daniels calling Simmons a contemptible coward, following it with the usual abuse, calling them cowardly scoundrels, etc., and saying he made the which he was quoted as saying that statements advisedly, and branded them as Hars and cowards

Butler then said that before coming down to the strict business of the day he would discuss a few of the issues of the campaign, which he proceeded to do in his usual manner without discussing issues.

After harauguing for thirty minutes he did mention local self-government, and just like all the repubfresh retraction. As he had refused lican speakers, he snorted around. but left his audience no more enlightened.

the state, and claimed that white merce court. For eleven years Judge men were being disfranchised all over Boston. Mass., Nov. 5-Almond the state, saying that 40 of these
