DEATH BY ACCIDENT

**So Declares Coroner's Jury
Over Walter Taylor's Body**

Met Death by Falling From Moving Train is Evidence by Train Conductor and Brakeman—No Evidence of Foul Play Found—Negro Given Eighteen Months for Stealing—Professor Wooten to Leave Trinity College—Will Enter Pastorate.

(Special to The Times.)
Durham, N. C., Dec. 7.—Walter Taylor, who was found dead one mile east of this city, with a good many evidences of foul play, came to his death through his own negligence, according to the verdict of the coroner's jury, which was delivered late yesterday afternoon after an exhaustive examination of the evidence. The verdict of the jury, composed of Messrs. E. G. Williams, W. B. Markham, C. L. Byrd, W. E. Hall, W. R. Ragan, and M. L. Hall, is as follows: "That Walter Taylor, deceased, came to his death by accidental falling from a Durham and South Carolina train on December 4, 1910, caused by his own negligence."

At the inquest it developed by the evidence of Conductor W. A. Beasley, of the Durham and South Carolina, that Taylor was on his train Sunday evening and that when asked for his fare he told the conductor that he intended to get off at the junction. The testimony was corroborated by Marvin Gaynor, a brakeman on the train.

It is now generally believed that no murder has been committed and that the man came to his death by an ill-timed attempt to get off the moving train at the junction. The finding of the dead man has caused much excitement in the city, and at one time rumors were widely circulated as to the probable criminal. The finding of the coroner's jury solves a mystery which had been to add to the unfortunately large number of murders and homicides that have occurred in this vicinity, and which

**Intense
Suffering**

From Dyspepsia and Stomach Trouble
Instantly Relieved and Permanently Cured by Stuart's Dyspepsia Tablets.

A New Discovery, But Not a Patent Medicine.

Dr. Redwell relates an interesting account of what he considers a remarkable case of acute stomach trouble and chronic dyspepsia by the use of the new discovery, Stuart's Dyspepsia Tablets.

He says: "The patient was a man who had suffered, to my knowledge, for years with dyspepsia. Everything he ate seemed to sour and create gases in the stomach. He had pains like rheumatism in the back, shoulder blades and limbs, fullness and distress after eating, poor appetite and loss of flesh; the heart became affected, causing palpitation and sleeplessness at night."

"I gave him powerful nerve tonics and blood remedies, but to no purpose. As an experiment I finally bought a 50-cent package of Stuart's Dyspepsia Tablets at a drug store and gave them to him. Almost immediate relief was given and after he had used four boxes he was to all appearances fully cured."

"There was no more acidity or sour, watery risings, no bloating after meals, the appetite was vigorous and he has gained between 10 and 12 pounds in weight of solid, healthy flesh."

"Although Stuart's Dyspepsia Tablets are advertised and sold in drug stores, yet I consider them a most valuable addition to any physician's line of remedies, as they are perfectly harmless and can be given to children or invalids or in any condition of the stomach with perfect safety, being harmless and containing nothing but fruit and vegetable essences, pure pepsin and Golden Seal."

"Without any question they are the safest, most effective cure for indigestion, biliousness, constipation and all derangements of the stomach, however slight or severe."

Miss Eleanor Terry, daughter of Rear Admiral and Mrs. Terry, of Washington who was recently married to Lieutenant Felipe Cuperio, attache of the Italian Embassy. The wedding was the most gorgeous Washington has witnessed thus far this season. Besides Mrs. and Miss Taft, the wedding was attended by the Diplomatic Corps, Cabinet officers and resident society generally.

Durham is glad to have thus cleared up.

In the criminal court now in progress in Durham, Garland Curtis, the young negro who was charged with the larceny of a diamond ring from Mrs. Victor S. Bryant, in whose employ he was in the capacity of butler, was yesterday sentenced to eighteen months on the county roads. The incidents of the theft are still fresh in mind and the evidence against him was conclusive.

A true bill was returned by the grand jury against Rainey Cochran, the young white man of Wake county, charged with attempt at criminal assault.

Information coming from Elizabeth City reached Trinity College Monday telling of the appointment of Professor John C. Wooten to the pastorate of Grace church in Wilmington. The news came as a good deal of a surprise to most of the college community, although it was known by a few that the church has made strong efforts to attract the Trinity professor to Wilmington before Professor Wooten was had charge of the Biblical department of the college for about four years, and during that time has won the confidence of the student body and his co-workers. Bible classes without Professor Wooten in charge will seem anomalous to the large body of students who have come to know him through their class work.

Although Professor Wooten is not here in person to confirm the appointment, is confidently believed that there is no doubt about his going. His departure from the college which he has served so well for the past four years will be a matter of regret to the faculty and students, who have come to love him for his inspirational work in the class room and chapel, and for his friendship. He carries with him the best wishes of all his boys who join in wishing him much success in his new field of endeavor.

No action has as yet been taken by the college authorities with regard to his successor. That one will be chosen soon is certain, because of the importance that is attached to Biblical training at this college. Inquiry at the office as to the probable successor of Professor Wooten was met by the statement that the college has not as yet received official notice of his resignation and until that came no action could be taken.

AN INSURGENT CANDIDATE.

Either Lafolette or Cummins Will be the Candidate.

(By Leased Wire to The Times.)
Washington, Dec. 7.—Insurgent republicans will have their own candidate for the presidential nomination in 1912. The candidate will be either Senator Cummins or Senator Lafolette.

If in the course of the next two years Senator Cummins proves himself to be the most available insurgent, Senator Lafolette will support him for the nomination. If, on the other hand, Senator Lafolette proves the most available, Senator Cummins will battle for him in the ranks.

The insurgents have agreed that

while they will work with the president in matters which meet their approval, they will try to force the nomination of one of their own number for president in 1912. Notwithstanding advances made to them by President Taft this week, it is not to be understood that the insurgents have gone over to President Taft boots, saddle and bridle. They have expressed to him their approval of his recommendations for a physical valuation of the railroads and for a tariff commission, but they have made no agreement to line up solidly behind the president in all his proposition. It has been settled, however, that the insurgents are to be consulted on matters of important appointments and important legislation.

Announcement has been made in connection with the insurgent conferences that Senator Lafolette has evaded a conference with the president regarding appointments to the supreme court bench.

It became known, however, that Senator Lafolette had carefully avoided a definite refusal to confer, wording his reply in such a way as to leave the matter open for further arrangements.

Coal Going Up.
Chicago, Dec. 7.—December 18 is the day set by coal dealers for another skyward jump in the price of coal. The excuses given are the shortage, the recent strike in the mines and the increased railroad rates. The prices have been advanced thirty-five cents a ton in the last month. The new increase will be between fifty and seventy-five cents a ton, and, as usual, the consumers will have to pay.

Coupon Clippers

Coupon clippers should take notice that only the following premiums are now carried in stock by the Premium Department of The Times. Christmas is coming and those desiring premiums should give their order at once in order to be sure to get them before that time. Orders have been received for premiums from points as far away as Florida and Georgia, and still they are coming by every mail. Do not hold your coupons until the last minute and then expect to get your premium the same day. We carry a fine stock and can ordinarily deliver the premium to the Coupon Clipper at once, but sometimes the demand is such that we cannot keep the stock on hand.

- As soon as the premium is discontinued it is dropped from the list. Make your order only from the things you find listed below:
- 12 pc Lotus Silver Set.....\$2.55
 - 14 pc Lotus Silver Set.....2.55
 - Book Rack Clock.....3.10
 - Fireless Cookers.....2.95
 - Mission Wall Clocks.....2.55

 - Casseroles.....1.35
 - Tea Set.....1.75

INSURGENTS IN SENATE.

Preparing the Way For Revision of The Tariff Schedule by Schedule.
(By Leased Wire to The Times.)
Washington, Dec. 7.—As a result of many conferences progressive members of the senate have held, initial steps will be taken to prepare the way for the consideration of tariff revision, schedule by schedule.

The fight for downward revision with a determined effort to amend the rules of the senate, a proposition which in itself usually is productive of much debate. Mr. Cummins will offer an amendment to the rules proposing two most important changes. It provides that after a bill has been before a committee for 60 days without a report, it shall be in order for any senator to call up the measure for consideration with the bill occupying the same status as if it had been reported from the committee. Should this amendment be agreed to, it would no longer be within the power of a chairman to prevent action by refusing to call his committee together, nor would it be possible for a committee to pigeon-hole a measure against which a majority was arrayed.

The second proposed change in the rules describes the character of amendments that may be offered when a tariff bill providing for revision by schedule is under consideration. It provides that all amendments to be in order must be germane to the tariff schedule under consideration, and absolutely prohibits the introduction of amendments affecting any other schedule of a tariff.

Every family has need of a good, reliable liniment. For sprains, bruises, aches of the muscles and rheumatic pains it is no better than Chamberlain's Salve. Sold by all dealers.

GOWANS

King of Externals
Is the Original in the field of external remedies for all forms of inflammation such as pneumonia, croup and colds. Nothing can approach Gowans. It stands supreme.

We have been selling Gowans Preparation for Pneumonia and Colds ever since it was put on the market, and have found it one of our most satisfactory sellers.

Wholesale and Retail Druggists, Greenville, S. C., July 9, 1910.

BUY TO-DAY! HAVE IT IN THE HOME
