THEY ALL DEMAND IT.

Raleigh, Like Every City and Town in the Union, Receives It.

People with kidney ills want to be cured. When one suffers the tortures of an aching back, relief is eagerly sought for. There are many remedies today that relieve but do not cure. Here is evidence to prove that Doan's Kidney Pills are reliable.

Mrs. J. A. Bashford, 603 Polk St., Raleigh, N. C., says: "You may continue to publish the testimonial I gave in January, 1908, in which I told about Doan's Kidney Pills. Since that time I have been free from kidney complaint and backache and during the past year I have had no need of a kidney medicine whatever. The secretions from my kidneys caused me great annoyance and I suffered from dull backaches and pains through my loins. I could not sleep soundly and in the morning when I got up my back was very lame and sore. I read about Doan's Kidney Pills and as I knew several parties who had used them with benefit, I finally got a box from the Bobbitt-Wynne Drug Company. This remedy was far more effective than any other I have used for my kidneys, and it was not long before I felt like a different person."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Utterly Wretched

Nervous Prostration Long Endured Before Remedy was Found. Miss Minerva Reminger, Upper Bern, Pa., writes: "For several years I had nervous prostration, and was utterly wretched. I lived on bread and beef tea because my stomach would not retain anything else. I took many remedies, but obtained no relief until I took Hood's Sarsaparilla, when I began to gain at once. Am now cured." Pure, rich blood makes good, strong nerves, and this is why Hood's Sarsaparilla, which purifies and enriches the blood, cures so many nervous diseases. Get it today in usual liquid form or chocolate tablets called Sarsapabls.

MACK TO TAKE A HAND.

Senatorial Situation So Threatening That He Will Intervene.

(By Leased Wire to The Times) Albany, N. Y., Jan. 28.—The senatorial situation has become so threatening to the democratic party in New York state that Chairman Norman E. Mack, chairman of the national committee, is going to take a hand. He will be in New York tomorrow with Charles E. Murphy and William F. Sheehan. It would cause no surprise here if Sheehan were to announce his withdrawal from the contest on Monday or Tuesday.

Murphy will never desert Sheehan as long as he is in the race, but it is believed that he is perfectly willing to see Sheehan withdraw and then have a compromise candidate elected. Mack understands the situation thoroughly and is going to use his influence with Sheehan to get him out of the contest.

Only time can tell how successful he will be, though this tip was circulated today: "Wait for Tuesday; something doing."

If Sheehan does withdraw, whom will Murphy support? Was the question being asked generally today. It was all guess work.

VOTED LUNATICS AND INVALIDS.

More Revelations Regarding Corruption in Cannon's District.

(By Leased Wire to The Times) Danville, Ill., Jan. 28.—In a statement to the National News Association today D. A. Ingersoll, a cousin of the late Bob Ingersoll, confirmed the charges made in the investigation of the vote selling scandal here that lunatics and invalids were rounded up and herded into the polling places in the last election. "They were wheeled in in chairs," he asserted, "from the insane wards. They were all from the insane wards and none of them knew what they were doing. The men who wheeled them in got \$10 a piece for their work. I guess the republican Cannon organization paid them."

It was freely conceded today that the democratic party had won a victory over the Cannon faction in the fight to see which of the parties would be the "goat" of the inquiry. Judge Kimbrough announced today that he would have the grand jury in session every time an election was held hereafter to prevent fraud.

Earthquakes in Luzon.

(By Cable to The Times) Manila, Jan. 28.—Earthquake shocks rocked the island of Luzon today, doing heavy damage but causing no known loss of life. The physical disturbance is accompanied by an eruption of the volcano of Taal, the first time since 1873. Lake Batangas has fallen three inches since the shocks began and it is believed that the bottom of the lake has settled. Natives are fleeing by the hundreds. More than 100 shocks have been recorded since yesterday morning.

Escaped With His Life.

"Twenty-one years ago I faced an awful death," writes H. B. Martin, Port Harrellson, S. C. "Doctors said I had consumption and the dreadful cough I had looked like it, sure enough. I tried everything, I could hear of, for my cough, and was under the treatment of the best doctor in Georgetown, S. C., for a year, but could get no relief. A friend advised me to try Dr. King's New Discovery. I did so, and was completely cured. I feel that I owe my life to this great throat and lung cure." Its positively guaranteed for coughs, colds and all bronchial affections. 50c and \$1.00 trial bottle free at King-Crowell Drug Co.

Mexican Soldiers Besieged.

(By Leased Wire to The Times) El Paso, Tex., Jan. 28.—Three hundred Mexican regular soldiers under the command of Colonel Rabago—the remnant of his former army of 1,000—today are besieged in an adobe house, near Galana, by a party of revolutionists and federal cavalry is being rushed to their relief. This information was received here from Chihuahua. The beleaguered force has two machine guns but lacks both food and ammunition. The last stand of the troop is being made against desperate odds and the succeeding force is marching at double quick to their relief.

Ends Winter's Troubles.

To many, winter is a season of trouble. The frost-bitten toes and fingers, chapped hands and lips, chilblains, cold-sores, red and rough skins, prove this. But such troubles fly before Bucklen's Arnica Salve. A trial convinces. Greatest healer of Burns, Boils, Piles, Cuts, Sores, Bruises, Eczema and Sprains. Only 25c at King-Crowell Drug Co.

MRS. SCHENCK OUT ON \$10,000 BAIL

(By Leased Wire to The Times) Wheeling, W. Va., Jan. 28.—Mrs. Laura Farnsworth Schenck was released from custody in the sum of \$10,000 bail. Just a few moments before she stepped in from the doors of the Ohio county court house, virtually a free woman, her husband, John O. Schenck, whose life she was accused of trying to take with poison, had filed a suit for divorce and had secured an injunction restraining Mrs. Schenck from entering the Schenck mansion and from interfering with Mr. Schenck in any way.

Mrs. Schenck wept with joy as she stepped out into the sunshine after her long confinement in jail. The Spartan firmness which marked her demeanor during the long trial gave way.

"I don't know what I shall do," said she. "But I have friends who believe in me and trust me. Most of all I want to see my children."

Prosecutor Handlan opposed a reduction of Mrs. Schenck's bail from \$10,000 and was sustained by the court. The general belief prevailed that Mrs. Schenck would never again face the bar of justice. One report stated that her husband had offered her a large sum of money if she would not contest the divorce case and would leave Wheeling forever.

SCHENCK BRINGS SUIT.

Asks for Divorce from Mrs. Schenck and the Custody of the Children.

(By Leased Wire to The Times) Wheeling, W. Va., Jan. 28.—John O. Schenck, the millionaire packer, filed suit for divorce today against his wife, Laura Farnsworth Schenck, whose trial, when she was charged with trying to poison her husband has just ended in a disagreement of the jury.

The suit was filed with the clerk of court while the attorneys in the same building were wrangling over the question of bail for Mrs. Schenck. Criminal action may be taken against the residents of Wheeling who publicly insulted Juror Haymann, the sole member of the jury who stood out for the conviction of Mrs. Schenck. When criminal court convened this morning, Prosecutor Handlan appeared and asked the court to take cognizance of the matter.

"Mr. Haymann was insulted by a number of entire strangers to him upon the streets yesterday," declared the prosecutor. "He was ordered out of a store when he attempted to make a purchase and his life was threatened. He came to me for protection."

He announced that he would probably take some action in the matter himself next week and in the meantime he wanted Judge Jordan to know the circumstances.

Judge Jordan stated that he would instruct the next grand jury to inquire into the insulting of Haymann. The prosecutor next appealed to the court to investigate certain newspaper reports alleging bribery in connection with the case. He asked that the papers either be held in contempt of court or else that the grand jury be instructed to probe the matter.

The bill filed in the divorce proceedings asks divorce upon statutory grounds, Dan Phillips being named the respondent. It is unlikely that Mrs. Schenck will offer a defense in view of the testimony relative to her relations with Phillips given in the poison case.

The information that Schenck had filed divorce proceedings was borne to Mrs. Schenck as she sat in court where her attorneys were trying to have her bail reduced. She seemed stunned for a minute then tossed her head and said:

"I want my children but I must talk with my lawyers before I say anything about my future plans." John O. Schenck will make a desperate effort to retain his boy and girl and will make a struggle against paying alimony although it is believed that he will allow her to retain the palatial Schenck mansion.

One feature which enters into the divorce proceedings is the payment of Mrs. Schenck's attorneys. Under the state laws Mr. Schenck is still legally responsible for his wife's debts and he will be until they are divorced.

Foley's Kidney Remedy—An Appreciation.

L. McConnell, Catherine St., Elmira, N. Y., writes: "I wish to express my appreciation of the great good derived from Foley's Kidney Remedy, which I used for a bad case of kidney trouble. Five bottles did the work most effectively and proved to me beyond doubt it is the most reliable kidney medicine I have ever taken."—King-Crowell Drug Company.
