TRUTH TRIUMPHS.

Raleigh Citizens Testify For the Public Benefit.

A truthful statement of a Raleigh citizen, given in his own words, should convince the most skeptical about the merits of Doan's Kidney Pills.

J. A. Bragassa, 412 S. McDowell St., Raleigh, N. C., says:

"Doan's Kidney Pills have my hearty recommendation; I have tested them thoroughly and know that they act just as represented. In 1903 I first tried Doan's Kidney Pills and I was so pleased with the benefit they brought at that time that I publicly endorsed them. It gives me pleasure to confirm all I then said. During the years that have since passed I have obtained Doan's Kidney Pills from the Bobbitt-Wynne Drug Company whenever I have been in need of a kidney medicine, and they have never failed to act promptly and just as represented. They are simply fine and I know of many other instances where they have been of benefit."

Remember the name—Doan's—and take no other.

ITCHING IRRITATION.

Worst Form of Skin Trouble Quickly Cured by Inexpensive Treatment.

When you suffer with any skin trouble, even though the itching seems unbearable, do not think that it is necessary to use some disgusting, greasy ointment. Try Hokaia, a pure and simple skin food, that is guaranteed to contain no grease or acids and which is so cleanly it does not soil the linen.

Its power to instantly relieve any irritation of the skin and make it soft, white and beautiful is almost miraculous.

Not only are minor skin troubles like pimples, blackheads, acne, barber's itch, etc., quickly cured, but the worst ulcers or cases of salt rheum or eczema are cleansed and healed by this wonderful skin food.

In order that any one may try Hokaia at small expense Henry T. Hicks Company are selling a liberal sized jar at 25c and in addition guarantee to refund the money if the treatment does not do all that is claimed for it. Larger size 50 cents.

More Denunciation of Lorimer.

(By Leased Wire to The Times.) Chicago, March 16.—Theodore Roosevelt's attack on W. E. Lorimer, as unfit to occupy a seat in the United States senate, which he made in a speech at Albuquerque, N. M., inspired new denunciations of Lorimerism and Senator Shelby M. Cullom, by indignant citizens in five Illinois towns. The ministers association at Urbana, and Campaign in a resolution demanded the resignations of Lorimer and Cullom and mass-meetings at Mahomet, Geneseo and Alsea did likewise. Students of Knox College were lectured on the Lorimer case, but no resolutions were adopted.

Big Drop in Temperature.

(By Leased Wire to The Times.) Syracuse, N. Y., March 16.—With a drop in temperature in twelve hours from 54 to 4 above zero, several inches of snow and a gale of wind, this city is this morning in the grip of the most severe blizzard of the winter. Street car and other traffic is badly interrupted.

A Mother's Safeguard.

Wolgast a Good Sidesitter.

(By TAD.) New York, March 16.—We're certain of it now. Kind of had the hunch for a year or more, but after that showing Tuesday night there's no doubt about it. Oh, that Packey McFarland is the best boy of his weight on the map. We're not alone in that opinion, either Packey thinks so himself and isn't a bit backward about it.

I told Packey last night that a wire from Los Angeles arrived here saying that Wolgast intended retiring after boxing Mennis and Hogan. "Well, just say for me," chirped the Chicago champion child, "that when he does I'll jump up and let out a whoop for the title."

"If there's anyone left that I can't beat, trot him out," he said. "I have been trying to get on with Wolgast for a year past, but he's a better sidesitter than I thought. Makes me bluff about boxing, but never does. I've won from all the rest of them—Murphy, Welsh, Moran, Britt, Cross, Hyland and a bunch of others—and if I can't get a whack at the champion, what am I going to do? If I'm not the best lightweight in the world, Mr. Wolgast will have to prove it to me."

Owen Moran says that Packey McFarland is by far the best man he ever met.

"He was too big for me, though," chirped the little Briton.

A company of American capitalists have sent an agricultural expert to investigate certain public lands south of Lake Maracaibo, with the intention of establishing extensive fruit plantations should soil and climatic conditions prove favorable.

OLD CHARTER.

(Continued From Page 2, Column 4.) tect to the limitations provided in chapter six of the Revised of one thousand nine hundred and five, a license tax not exceeding one hundred dollars a year.

(11) Upon every stock and bond broker, junk-dealer and pawn-broker, sewing-machine or bicycle company or agent for such company, dealer in or manufacturer's agent of musical instruments, keeper of the sales stables or stock-yards doing business in the city, a license tax not exceeding two hundred dollars a year.

(12) Upon every lawyer, physician, dentist, cotton broker, bill-poster, street huckster, photographer, merchandise or produce broker, ice-dealer, dealer in wood and coal or either, insurance company or insurance agency for every company represented, and every skating rink or shooting gallery, a license tax not exceeding fifty dollars a year.

(13) Upon every surface privy, as provided in this charter, a license tax not exceeding one dollar a year for each of said licenses, same to be collected by the sanitary inspector.

(14) Upon every other occupation, profession or business, not herein specially named, a license tax not exceeding one thousand dollars a year.

Not a Word of Scandal.

marred the eulogium of a neighbor on Mrs. W. P. Spauld, of Manville, Wyo., who said: "She told me Dr. King's New Life Pills had cured her of obstinate kidney trouble, and made her feel like a new woman." Easy, but sure remedy for stomach, liver and kidney troubles. Only 25c at King-Crowell Drug Company.

Diaz Administration Denounced.

(By Leased Wire to The Times.) Syracuse, N. Y., March 16.—Delegates representing eight thousand unionists affiliated with the American Federation of Labor last night unanimously passed a resolution denouncing the Diaz administration in Mexico as a "military despotism" and calling upon President Taft to keep "hands off" in the present contest between Mexico a Federalist and insurrection.

The resolutions charge that the sending of American troops to the Mexican border "was inspired by Wall Street" and that to take the part of the Diaz administration "would be antagonized to the traditions of American liberty and free institutions."

Why Is Sugar Sweet?

If sugar did not dissolve in the mouth you could not taste the sweet. GROVE'S TASTELESS CHILL TONIC is as strong as the strongest bitter tonic, but you do not taste the bitter because the ingredients do not dissolve in the mouth, but do dissolve readily in the acids of the stomach. Is just as good for Grown people as for Children. The First and Original Tasteless Chill Tonic. The standard for 30 years. 50c.

Cold Wave in Washington.

(By Leased Wire to The Times.) Washington, March 16.—A cold wave struck Washington last night, with heavy winds from the northwest sweeping over the city. The mercury fell more than 20 degrees overnight and is now hovering about 15 above zero. The weather bureau predicts a continuance of cold temperature for the next twenty-four hours.

Cold in Baltimore.

(By Leased Wire to The Times.) Baltimore, March 16.—Today is one of the coldest days Baltimore has had this winter. At 7:30 this morning the temperature stood at 13 degrees above zero.

It isn't difficult for a man to get a woman to agree with him if she isn't his wife.
