

S.S.S. REMOVES BLOOD HUMORS

The intimate relation of the skin to the blood is shown by the fact that impurities or poisons of any character are usually manifested in some form on the outer cuticle. Humors in the blood produce what we term in general, Skin Diseases. These are divided into several classes known as Eczema, Acne, Tetter, Salt Rheum, Psoriasis, Pimples, Rashes, etc., and each of these troubles indicate the presence of humors or acids in the circulation. The humors and acids by their irritating nature, cause the delicate flesh just beneath the outerskin to ulcerate and discharge, and soon the body is disfigured with eruptions which often are torturing to the sufferer because of soreness or intense itching. Salves, washes, lotions, etc., can have no curative effect on skin diseases. Such treatment can perhaps soothe the irritated flesh, but the real cure must be accomplished by purifying the blood. S. S. S. cures Skin Diseases of every kind by purifying the blood and removing the humors from the circulation. It neutralizes all impure acids, cools the over-heated blood, and builds it up to normal strength. Then the skin instead of being irritated by acid impurities and humors, is nourished, soothed and softened by pure, rich blood. Book on Skin Diseases and medical advice free. S. S. S. is for sale at drug stores. THE SWIFT SPECIFIC CO., ATLANTA, GA.

athletes ever raised in Raleigh is also a member of the Wake Forest team. It is conceded to be the fastest team ever turned out by that college, and from the record already made by the A. & M. team, one may expect one of the greatest games ever witnessed in Raleigh. Both are eager to win and will fight to a finish. With ideal weather prevailing a tremendous crowd is expected. The rooters will be on hand to furnish the noise and with each team having their star slabsmen at work one may rightly expect a close score.

BASEBALL IN RALEIGH.

Meeting Called by President Whitaker For Thursday Night.

It seems now to be a certainty that a four club league will be formed. After dickering for some time with Wilson and Durham, with each proposition a failure, it may now be said with certainty that Raleigh, Rocky Mount, Goldsboro, and Wilmington will join together and give the fans what they have been demanding—baseball. A meeting was called to be held Wednesday in Wilson, but that town fell down and declared emphatically that there was "nothing doing" with them. However, Dr. Whitaker has received word from Mr. Bacon at Wilmington that the Sailors would come in again, so the league president has called a meeting to be held Thursday night in Goldsboro to complete the necessary details.

With this announcement the fans may begin gathering their spare quarters to hand the gatekeeper this summer to entitle them to witness the game that set the nation wild.

Raleigh is ready, her manager is on the job, been here for some time and is already getting his club together. Take it from one who knows, his team will be the fastest independent club ever seen around here. Indeed, its a scorcher. Mr. O'Brian believes in giving the fans the best article of ball, a game entirely free from continued kicking and in keeping a club that does not spend the nights out in drinking and revelry. He keeps his men under the strictest rules and thereby gives the fans a clean game.

With the coming of Wilmington into the four club proposition, it is an assured fact, there is no longer doubt. At the meeting Thursday night everything will be put in readiness that the ball may begin to roll at any date.

Full announcements will be made to the public Friday after the directors' meeting has been held.

THE UNIVERSITY WINS

In State Intercollegiate Track Meet Held

A. & M. Was Second and Wake Forest Third—The Score Was Carolina 57, A. & M. 41, Wake Forest 19. Carolina Team Showed Superior Training—Slow Field and Stiff Wind.

In the state intercollegiate track meet held at A. & M. athletic field this morning the University of North Carolina won with comparative ease over her two opponents, Wake Forest and A. & M. The score was Carolina, 57; A. & M., 41, while Wake Forest made but 19. The meet clearly showed the superior training of the Carolina team, they having as coach Nat Cartmell, who was a member of the University of Pennsylvania track team as well as represented the United States in the last Olympic games.
