CAROLINA WINS.

Virginia Unable to Hit Lee, Tar Heel Twirler, and Was Shut Out, 1 to 0.
(Special to The Times.)
Charlottesville, Va., April 21—With seven hundred students rooting desperately and the band playing Dixie to warm the blood of the Old Dominion team at all stages of today's game, the University of North Carolina shut out University of Virginia 1 to 0 in the nearest repetition of the second game ever recalled here.
Lee, for Carolina, pitched a most remarkable game, one entirely different from his Charlotte performance. In that notable game he fanned twelve. Today he struck out none. His key duplicated his performance with one more strike out and yielding two more hits, Carolina making five while Virginia landed safely but three.
By winning this game, which is the objective contest of the two teams in every season, Carolina establishes the supremacy again after several years. No two teams were ever more evenly matched, each fielding with great skill. Virginia has had unquestionably the stronger batting team but against Lee has been strongly impotent. The re-entry of Honaker today gave confidence to the team, but like his mates, he could not hit. Neither pitcher gave a base on balls.

"I Suffered Intense Pains in My Left Side."

Do you realize it is better to be safe than sorry, that it is the best policy to lock the stable door before the horse is stolen?

Dr. Miles' Heart Remedy

cured Mrs. C. C. Gokey, of a stubborn case of heart disease, such as thousands are now suffering with. Read what she says:

"Before I began taking Dr. Miles' Heart Remedy I had been suffering from heart trouble for over five years. I had grown so weak that it was impossible for me to do thirty minutes work in a whole day. I suffered intense pains in my left side and under the left shoulder blade. I could not sleep on the left side, and was so short of breath that I thought I should never be able to take a full breath again. The least exertion would bring on the most distressing palpitations. I had scarcely taken a half-bottle of the Heart Remedy before I could see a marked change in my condition. I began to sleep well, had a good appetite, and improved so rapidly that when I had taken six bottles I was completely cured."
MRS. C. C. GOKEY, Northfield, Vt.

If you have any of the symptoms Mrs. Gokey mentions, it is your duty to protect yourself.

TRINITY WINS.

Bob Gantt Pitches His Team Mates to Victory.
(Special to The Times.)

Atlanta, Ga., April 22—Trinity bested the Georgia Techs in a pretty 3 to 2 game with big Bob Gantt in the box for the Tar Heels. Trinity scored first in fourth on Bundy's walk; Cooper hit to third and on his error both were safe. Thompson sacrificed, advancing both a base. West singled and Bundy scored. Henderson scored Cooper via squeeze route. Anderson flew out, retreating side. Trinity scored again in sixth, Gantt doubled and counted on Pousher's hot single after he had been advanced to third on error.
The Techs scored twice in ninth on two singles, one which should have been handled, and double to center by Holland. Gantt pitched well fanning twelve men. Cooper did the stellar sticking for Trinity.

Trinity 000 200 100-3 9 1
Techs 000 000 002-2 6 2

RALEIGH VS. DURHAM.

Capital City High School Team to Begin Series Today.
(Special to The Times.)

Durham, N. C., April 22—The first of the championship series games between Raleigh Highs and Durham, will take place this afternoon at East Durham park.
These games have special interest to Raleigh, Greensboro and Durham. These three towns are about matched upon ball material. The Durham boys are strong in the battery with Roberts and White. Roberts is a hard hitter and last year did good work with the Durham Hosiery Mill team which ran off with the city championship with such ease. The game this afternoon will have an admission of 25 cents and there will be several hundred young girls yelling for Durham.

RALEIGH DEFEATED.

Raleigh High's Errors Were Costly and Burlington Hit Well.
(Special to The Times.)

Burlington, April 22—In a game that was of extraordinarily interesting because of the closeness of the score from start to finish, Burlington High School defeated Raleigh High School on the local diamond this afternoon by a score of 5 to 4.
As the hits and errors will show Raleigh was slightly outclassed in general. Sharpe, however, was touched for four hits and one of those a three-bagger by Champion when the bases were empty.

Score by innings: R. H. E.
Burlington 100 020 002-5 7 3
Raleigh 030 000 010-4 4 7
Batteries: Burlington, Sharpe and Andrews; Raleigh, Newcomb and Hill.

TRINITY PARK A WINNER.

Takes Cluster Springs Into Camp by Score of 2 to 1—Trying to Arrange Third Game.
(Special to The Times.)

Durham, April 22—Enthusiasts of both teams are trying to arrange a third game between Trinity Park High School and Cluster Springs, of Virginia, two of the best high schools ever seen in this section.
Though Trinity Park has beaten them twice, each time it was by such a score as to show the evenly matched nines in such a way as to leave in doubt their strength. Trinity won the Cluster Springs game by 1 to 0 and Thursday defeated on the home grounds the team that has such a great pitcher. The score was 2 to 1, but one feels that luck was with Trinity. The visitors had a score of two against them, first and second out-coupled and none out. The batter bunted. Fitzgerald made a fine one-hand stab, threw to second catching the runner and the runner at first was caught. This triple play undoubtedly saved one run, if not two or more.
Meadows and Fitzgerald pitched about evenly, with the odds a trifle in Fitz's favor. One is tempted to say that he hasn't seen a better pair face each other on the big diamond. The locals want to play in Cluster Springs again.

Jersey Four Hopeful.

(By Leased Wire to The Times.)
Jersey City, N. J., April 22—Admitting that the champion Rochester team had the goods on the Skeeters in their opening battle, the Jersey City fans nevertheless hoped for better things today. Conditions this morning were hardly favorable the weather being very cold and cloudy with threats of rain. The weather forecast called for showers today. Manager Gansel declared that if the teams could play Rochester would make it two straight.

Nose Points Wrong Direction.

(By Leased Wire to The Times.)
New York, April 22—Sailor Burke the New York middleweight, is minus several teeth today and Referee Charles White's nose points in the wrong direction as a result of a ten round bout at the Twentieth Century Athletic Club last night between Tom Mahon, of Pittsburgh, and Burke. While the Pittsburgher out-slugged Burke, dropping him to the floor twice, the latter showed more science. In the final round the men refused to quit fighting

at the tap of the bell. Burke was declared and countering and the Pittsburgher's arms were flying like the wings of a windmill. Referee White charged between them but received one of McMahon's punches on the nose and dropped to the floor dazed. The Pittsburgher knocked out three of the Sailor's teeth in the first round. McMahon declared today that he would soon lay claim to "the middleweight championship."

Hogan-Wolgast Match.

(By Leased Wire to The Times.)
New York, April 22—"One Round" Hogan, the Californian, must take off two more pounds before he meets lightweight champion Ad Wolgast before the Madison A. C. next Wednesday night. Hogan weighed 135 pounds today and the agreement calls for 133 pounds before the fight. Despite his hard work his weight had gone down very slowly.

Weather Unfavorable.

(By Leased Wire to The Times.)
Providence, R. I., April 22—Cold winds sweeping across the baseball ground and threatening skies made conditions unfavorable for the game between the Grays and the Buffalo Bisons today. Though Stalling's men shut out by Providence yesterday he declared this morning that they would come back and take the second of the series.

International Chess Games.

(By Leased Wire to The Times.)
New York, April 22—With England leading, the second day's play in the international cable chess matches was resumed today. The English team, playing in the Hotel Cecil, London, had won one game and drawn another, giving them an advantage of 1½ points to ½ over the Americans. Ten games are to be played.

Athletic Contest.

(By Leased Wire to The Times.)
New York, April 22—Nearly 300 athletes will strive for titles and glory at the military athletic league championships to be held tonight at the Twenty Second regiment armory. Three national champions will appear in the sprinting events. They are Jos Rosenberg, Billy Keating and Jim Archer.

McFarland May Go to London.

(By Cable to The Times.)
New York, April 22—Packey McFarland, the fast Chicago lightweight, has promised to give his answer some time today to the London National Sporting Club whether he would accept their terms to meet Matt Wells lightweight champion of Great Britain in London for a long fight on May 29.

New Boxer.

(By Leased Wire to The Times.)
New York, April 22—Johnny McFarland, brother of Packey, the Chicago lightweight, will make his debut as a boxer tonight in the amateur tourney to be held under the auspices of the Mott Haven A. C. Johnny will enter the heavyweight class. He weighs 160 pounds.

Kentucky Derby.

(By Leased Wire to The Times.)
Louisville, Ky., April 22—The field for the Kentucky derby, to be run at Churchill Downs on May 13, will be one of the biggest events in years, according to indications. Round the world will probably go to the post the favorite.

Wrestling Match.

(By Leased Wire to The Times.)
New York, April 22—Gus Schoenlein, known as "Americus," who claims the light-heavyweight wrestling championship will meet Yankee Rogers in a finish match at the St. Nicholas Rink tonight, the winner to meet Zbyszko, the Polish giant.

Raining in Baltimore.

(By Leased Wire to The Times.)
Baltimore, April 22—Though the schedule-makers of the Eastern League served up a treat for Eastern League fans by putting two games on the card for this afternoon between Toronto and the Orioles, the weather man seemed disposed to stop the feast. It was raining early in the day and though the downfall was not heavy it was feared that it would prevent the games unless it ceased. Toronto has two games to its credit, having captured the only ones played.
