LET US LAUNDER YOUR CURTAINS

Your curtains need laundering this Spring. The usage they have received and the dust they have absorbed during the winter, makes them unfit to hang the entire summer.

Send your curtains to us when you take them down—and you'll be pleasantly surprised by their appearance when we return them.

We wash them clean, without damaging them; we starch them just stiff enough to drape right and hold their shape; and we dry them perfectly square, even and the exact size as when sent us.

You'll like our work. Try it.

POLICE MATINEE OPEN SHOTS.

"Blue Monday" was a tiresome affair in the police court this morning. Cases that could have been tried in a few minutes consumed hours on account of the legal talent attached to them. There were several cases of some little importance.

Robert Williams, white, appeared before his honor with the charge against him of selling whiskey, but the case was not ready for trial and it was continued until Tuesday, May 16, a bond of \$50 being required of the defendant.

George Lane, a colored undertaker, was charged with removing a body without the removal permit of the local registrar.

Mr. C. M. Walters, city sanitary inspector, said that the body of Lewis West was taken and shipped to Fayetteville by Lane without the necessary permit. No certificate of death was even filed by Lane. He said Lane had been sick for several days and Leitner was doing the work for him. The doctor's certificate showing cause of death was tacked on box containing corpse, but the removal permit was not gotten.

Dr. T. M. Jordan, prison physician, said he gave the death certificate to Leitner, partner of Lane, and the next he heard was that the body had been shipped without the removal permit. He gave the certificate to Leitner within fifteen minutes after the electrocution.

Lane said that he had been sick several days and Leitner was attending to his work. Came to Mr. Walters and said he had been unwell and wanted Leitner to fix everything and he did not know anymore until Leitner said that everything was alright, and the next he knew the officer had served a warrant on him. A fine of \$5.00 and cost was imposed. An appeal was taken and the bond was fixed at \$100.

Ben Cook, colored, faced the court charged with being drunk. He was fined \$5.00 and cost.

Minor Jones, colored, was up for being drunk and was fined \$5.00 and cost.

Will Bashford, was called out and upon failure to appear, his bond was forfeited.

John Jones, colored, was charged with running his hack without lights. He claimed that one of his lights went out and when he found the oil gone, he poured some from one lamp to the other and both went out. He asked for a match from the policeman and lit them up and went on home. The case was continued as the officer was not present, and his honor did not care

to decide the case without the policeman.

William Hill, colored, was charged with larceny. Mr. J. F. Sprague said that he had been suspecting the theft of goods from W. H. King Drug Company, and they decided to search Hill and found some pills etc., on his person, declaring that he found them in the waste basket.

Chief Stell said he searched Hill and found the pills on his person.

Mr. Roberson said the pills were received during the day and checked up and carried down to the cabinets.

Chief Stell was recalled and stated that Hill said he found the pills down in the corner of the basement.

Holeman, a colored drayman, said that Hill's general character is good.

James H. Young said he was a good man, as he was in his regiment in 1888.

Mayor Johnson said that Hill used to work for him and he caught him stealing several times.

The charge was changed to trespass and he was fined \$2.00 and cost.

Joe Hicks, colored, was charged with larceny from W. H. King Drug Company.

Mr. Sprague said he was hid in the basement and saw Hicks take some bottles, wash them and filled them with some liquid. Said Hicks refused to sell what he did with the bottles. Mr. Roberson said he was on the third story hid and heard the conversation about taking the liquid. Did not order Hicks to go to the basement.

Mr. Julian White said Hicks is supposed to be off work at six o'clock and this theft took place at 6:30. Gave him no order to go to the basement at that time.

The charge was changed to trespass and he was fined \$5.00 and cost.

Marvin Hunt, colored, was also charged with the larceny of goods from W. H. King Drug Company. The charge was changed to trespass and he was fined \$5.00 and cost.

Robert Debban, colored, was before his honor for being drunk and was let off with the cost.

Jack Battle, colored, was up for committing an assault upon Bette Mitchell and was given the cost.

Ben Cook, colored, was charged with assault upon Tom Mitchell and was fined \$10 and cost.

Jack Battle, colored, also faced the charge of assault upon Tom Mitchell and was fined \$10 and cost.

Jesse Harvey and Will Davis, colored, were before his honor charged with gambling and were fined \$10 and cost each.

MR. GLENN SPEAKS.

Former Governor Addresses Large Audience in Presbyterian Church.

Former Governor R. B. Glenn, of Winston-Salem, delivered an interesting address at the First Presbyterian church yesterday at the morning service under the auspices of the Men's Society for Christian Work. An unusually large congregation was present to hear the speaker, whose residence in Raleigh for four years and intimate connection with the Presbyterian church gave hundreds the opportunity to hear him often. Mr. Glenn has been delivering temperance lectures in Pennsylvania and other northern states. His numerous friends in Raleigh were not only glad of the opportunity to hear him, but pleased to see him again. He has lost none of his vigor as an orator and those who heard him yesterday have every reason to congratulate themselves.

Ross, of the Leazer Society Saturday night on the question, "Resolved, That the United States government should establish a general parcels post." Messrs. Brown and Peden upheld the affirmative side. Mr. George R. Ross, however, won the medal for the best argument.

Saved From Death.

W. L. Mock, from Mock, Ark., believes he has saved many lives in his 25 years of experience in the drug business. "What I always like to do," he writes, "is to recommend Dr. King's New Discovery for weak, sore lungs, hard colds, hoarseness, obstinate coughs, la grippe, croup, asthma or other bronchial affection, for I feel sure that a number of my neighbors are alive and well today because they took my advice to use it. I honestly believe its the best throat and lung medicine that's made." Easy to prove he's right. Get a trial bottle free, or regular 50c or \$1.00 bottle. Guaranteed by King-Crowell Drug Co.
