DURHAM HIGH ALUMNI

Joseph Conrad Elected President of Association

High School Commencement Now in Session—Dr Hill of A. & M. to Deliver Address—Resignation of Prof. Rankin as Principal of High School—Memorial Windows of Trinity Church.

Times Bureau, Herald Building, W. T. BOST.

Durham, N. C., June 2—The alumni of the Durham High School met last night and after a business session, elected Joseph Conrad of the class of 1895 as president of the class and afterwards had a big banquet.

This was the class ceremony before it passes out this evening from the school as graduates. J. B. Warren, president of the association, who retires now, presided as toastmaster and called upon Professors Ernest J. Green, Arnold Briggs and Messrs. Conrad and Zeb Roberson to respond to toasts.

Young ladies served as waitresses and assisted wonderfully in conveying the provisions over the long table. There were more than 100 present and this doubled the crowd that was expected.

This evening Dr. D. H. Hill will be here from the A. & M. College and will make the annual address. This is expected to draw a large crowd as all of the graduating exercises will take place then. The awarding of diplomas, scholarships, prizes and all prizes and all certificates of special merit, will take place. Superintendent Carmichael, who was called to Dillon, S. C., by the death of his sister three days ago, may be here this evening though that is not certain.

This closes a great year in the schools. There has been no abnormal growth but it is certain that there will be another building erected soon and that a new department will be added to the school. This has not been announced with authority, yet, but will be done soon. The graduating class this year is the largest of all the years.

Mr. W. C. Rankin, one of the most popular principals of the whole school system throughout a number of years, has tendered his resignation to the school, making no application for place as principal the coming year.

Mr. Rankin will move at an early date to Shelby, where he will enter the real estate business as an employe of the Southern Life and Trust Company of Greensboro. That company has an agency in Shelby and with that company he will be associated. He begins at the beginning. He goes through it and learns the business.

The system not only loses one of its best men, but one of the most popular principals that it has had in years. Graduates of the institution and later of higher schools, do not recall in their courses one more thorough or painstaking, or one firmer adn of sounder principle. The school room loses one of its read devotees when he steps out.

The leaving of both Mr. and Mrs. Rankin will be an abiding regret to their neighbors, to the school pa-

DISTRESSING BREATHLESSNESS

Mrs. Rentz, of Adel, Has An Interesting Story to Tell, About How Her Husband Cured Her With Cardui.

Adel, Ga.—"For 3 years I suffered with female troubles," writes Mrs. C. J. Rentz. "When I would lie down I could hardly breathe, I had a distressing feeling in my breast, and I could not do any work at all without being exhausted. My husband heard of Cardui and we decided to try it. I took it according to directions and in 3 days I could tell it was helping me. I can now do all of my work, and do not suffer at all. I give Cardui the praise for it, and recommend it to all."

We have thousands of such letters and more are arriving every day. For over 50 years Cardui has been relieving women's sufferings, and building weak women up to health and strength. If you are a woman give it a fair trial. It will help you, for it has helped a million others. Its ingredients are purely vegetable, and harmless, yet curatively restoring in their action on the womanly organs.

Your druggist sells Cardui because there is a demand for it. The demand proves it to be a good medicine.

Try it.

Begin its use today and save your teeth, sound and firm, for a lifetime. Call's Anti-Riggs gives quick relief in the sore mouth caused by new plates.

trons and to all those who have learned to like them so well.

The designs for the great John Wesley window, the Madonna window, the Mary Lyon and the Washington Duke windows for Memorial church, have all been completed and the actual work of putting them in commenced.

Mr. Claude Andrews, of the Empire Glass Company, who has composed with Bishop Kilgo, the subjects, will return here tomorrow and place them on exhibition. He will explain the symbols and their significance with that of all the portions. Each of the windows contains from eighteen to twenty-five figures, angels, cherubs and the like and one of the designs is in water colors, representative of the window as it will appear. It will take fully six months to complete these. These are the handsome tributes of loving relatives as memorials to the people who did so much for the church while they walked on earth.

Saved His Wife's Life.

"My wife would have been in her grave today," writes O. H. Brown, of Muscadine, Ala., "if it had not been for Dr. King's New Discovery. She was down in her bed, not able to get up without help. She had a severe bronchial trouble and a dreadful cough. I got her a bottle of Dr. King's New Discovery, and she soon began to mend, and was well in a short time." Infallible for coughs and colds, its the most reliable remedy on earth for desperate lung trouble, hemorrhages, lagrippe, asthma, hay fever, croup and whooping cough. 50c., \$1.00. Trial bottle free. Guaranteed by King Crowell Drug Co.

HOLLY CASE AGAIN.

Supreme Court Has Granted New Trial and Case Will be Re-heard. Seashore Hotels Opening—Bank Statements.

(Special to The Times)

Wilmington, June 2—The sensational murder case in which J. C. Holly, of this county, was convicted of murdering Edward Cromwell, at the last term of superior court, will be re-opened, as the supreme court Wednesday granted Holly a new trial. This case attracted state-wide attention when tried some months ago. It was alleged that Holly poisoned with strychnine a white lad named Cromwell, the desire to secure insurance on the boy's life having been offered as the motive for the alleged crime. Holly was tried and the case was hard fought. The jury returned a verdict of murder in the first degree and Holly was sentenced to death by electrocution. Stay of sentence was granted pending the result of Holly's appeal to the supreme court for a new trial. The decision of the higher court means that the case will be heard anew. Holly has been confined in jail since last July, when the boy met his death in a hotel fire, the hotel having been conducted by Holly. Traces of strychnine were found in the body.

The formal commencement exercises of the Wilmington public schools started yesterday and will continue through this evening. Yesterday morning the graduating exercises of Hemenway grammar school were held, 71 graduates were given certificates which entitle them to entrance to the high school. This morning, a similar program was observed at Hemenway grammar school. Nearly the same number of students as at Union, will be entitled to enter the high school next year. Thursday afternoon the class-day exercises of the graduating class of the Wilmington high school were held on the lawn. The graduating class numbers about 20 talented young ladies and gentlemen. The formal commencement exercises will be held in the Academy of Music Friday evening. The address will be delivered by Dr. Edwin Mims, of the University of North Carolina faculty.

The Seashore Hotel at Wrightsville Beach opened for the summer season yesterday, and already there are a number of guests registered. This hotel is one of the best known at a southern resort. Its annual opening is the real signal for the beginning of the season at Wrightsville Beach. The hotel is under the management of Captain Edgar L. Hinton, who is widely known as one of the best hotel men in the south. The Seashore will remain open until September 1st, or longer, dependent upon the rush of traffic to the beach. The formal opening of Lumina, Tidewater Power Company's splendid pavilion at the terminus of the car lines on the beach, will occur Satur-

day evening of this week. Lumina, this summer will have a splendid orchestra of 12 pieces. The handsome pavilion, which probably contains the largest dance floor in the south, has been overhauled and is in fine shape for the season.

Monthly Bank Clearings.

Mr. Thomas E. Cooper, secretary of the Wilmington clearing house association, has prepared his monthly statement showing the bank clearings in Wilmington for the month of May. The report shows almost a million dollars increase over the same month last year. The exact figures are an increase of \$977,099.33. The clearings for the month of May this year were \$3,352,502.45, while the figures for the same period last year were \$2,375,403.32. This is a splendid showing and reflects the prosperity of the Wilmington banking system.

There is one medicine that every family should be provided with and especially during the summer months, viz: Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is almost certain to be needed. It costs but a quarter. Can you afford to be without it? For sale by all dealers.

Womanhood is divided into two classes—those who are married and those who want to be.

The uniform success that has attended the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy has made it a favorite everywhere. It can always be depended upon. For sale by all dealers.
