PITCHER HIGH IS LET OUT. Withness in Workout Kills Chances for Trial by Nationals.

Washington, June 10—Manager Mc-Aleer announced yesterday that High, the young pitcher, whom Kahoe secured from the Tidewater League,

and any other value he may have had was nullified by his extreme wildness.

High will be a free agent. Washington simply releasing him, and the Tidewater not being under the national agreement.

Herrell, the local boy with the squad, will be retained until he can be tried out in a game.

DON'T WANT FRANCHISE. Wilmington Does Not Desire Berth in the Carolina League.

Wilmington, June 10—While Wilmington was anxious a week ago for a berth in the Carolina Baseball League,

When it was published last week that Anderson was making an effort to secure Anderson's franchise,

Whoever thought that baseball was a money-making business in a minor league ought to have an attendant to go around with him to bring him in out of the rain.

A deal is said to be on for a trade of a Detroit outfielder—either Shaller or Drake—for First Baseman Somers-

Outfielder Jim Murray, the St. Paul recruit who has made good with the Browns, in the winter, is a life-saver attached to Uncle Sam's crew at Or-

Harold Ladd, a semi-professional catcher, who was south with the Naps last spring, is now at his home in Warren, Me.

Those who predicted that Joe Jackson would prove only a flash in the pan in the American League so far as hitting is concerned have occasion to crawl back into their hole.

In the last Cleveland-Washington series, the Naps established two new records for themselves, inasmuch as this was the first time they had ever won from their former Washington bloods four straight, and the first time they had ever routed Tom Hughes twice in one series.

The Mobile Register publishes a rumor to the effect that the Chicago Cubs have offered Pitcher Reulbach and Outfielder Beaumont for Frank Allen, phenomenal young fliker, and that in addition the Cubs will turn over to the Gulls the sum of \$2,000.

DEATH OF MISS WATSON.

Student of Elon College Passes Away in Prife of Life.

Elon College, June 10—One of the saddest deaths in this community in many years occurred Wednesday morning of the gala commencement season, when Miss Ellen Watson, second daughter of Dr. and Mrs. G. S. Watson, passed from her suffering tenement of clay to the life beyond.

Miss Watson was a student in Elon College and completed the junior year in the literary department.

The funeral exercises were conducted from her late residence by Rev. J. O. Atkinson, D.D., her pastor, and Rev. J. W. Wellons, her co-pastor.

The pall-bearers were Mr. Liggett Lincoln and Mr. R. H. Barnes, of the city; Prof. A. L. Lincoln, of Charlotte Court House, Va.; Rev. A. T. Banks, McCullers; Mr. R. A. Campbell, Hagerstown, Md.; Mr. E. T. Hines, McLeansville; Mr. Chas. C. Howell, Branford, Fla., and Prof. S. M. Atkinson, Meridian, Miss., all of whom were intimate friends and associates of the deceased.

"Dr. Miles' Nervine Raised Me From the Grave"—Mrs. Taylor

This is a strong statement to make, but it is exactly what Mrs. Thomas Taylor, of Blum, Texas, said in expressing her opinion of this remedy.

"Dr. Miles' Restorative Nervine raised me from the grave and I have much confidence in it. I can never say enough for your grand medicines. If anyone had offered me \$100.00 for the second bottle of Nervine that I used I would have said 'indeed!'"

Nervous exhaustion is a common occurrence of modern life. The wear and tear on the nervous system is greater now than at any time since the world began.

Dr. Miles' Nervine Your nerves are your life and lack of vital energy makes existence a misery. Dr. Miles' Nervine will tone up your nervous system.

Ask any druggist. If the first bottle fails to benefit, your money is returned. MILES MEDICAL CO., Elkhart, Ind.
