

WORK OF THE CHURCH

The Evangelization of the World

Theme of Rev. Mr. Peele's Address Before the Epworth League Conference—Other Addresses—Reception Yesterday Afternoon—Close Tomorrow.

(By SUSAN IDEN.)
Dunn, N. C., June 17—Friday's session of the North Carolina Epworth League Conference was a full one. The addresses before two departments were made, followed by the round table discussions.

Rev. A. S. Barnes made a short and interesting address before the junior department. His subject was "Child Training and Christian Service."

The round table discussion on this department was conducted by Miss Iva Ellis, of Durham, head of this department of the conference. Some interesting and useful points were brought out in the discussion which was entered into by a number of the junior leagues.

Rev. W. W. Peele, of Aberdeen, made one of the most stirring addresses of the conference before the missionary department, his theme being "Duty to the Foreign Field."

The peculiar, definite work of the church of the twentieth century is the evangelization of the world. God is in the world, and we are working with Him.

The particular work of the church is missions. Those who are strong should bear the burdens of the weak. We feel as never before that the evangelization of the world rests with us.

Every opportunity that comes to us today comes stained with the blood of some hero or heroine. It is for us who live today to mightily determine that the work of the missionaries who died shall not be a failure.

During the morning the conference quartet sang several selections, their last during the conference as Mr. R. M. Phillips was obliged to leave to be in attendance at a good roads meeting.

Their beautiful singing has been one of the most delightful parts of the conference as their audiences never tire of hearing them.

Before adjournment the missionary policy adopted by the conference for the next year was set forth by the president and voted on by the conference, pledging \$1,000 to missions to be divided among special lines of work. Pledges to the amount of \$777.50 were made in a few minutes and many of the leagues had not been heard from.

Reception to Delegates.
From four till six o'clock at Young's Hotel Friday afternoon, a most delightful and informal reception was tendered by the local league, Miss Emma Young is president, to the conference. Receiving were officers of the Dunn league and the officers of the conference.

Nearly all the delegates with many of the hostesses availed themselves of the pleasure and called during the afternoon.

A pleasant social time was spent. There was an utter absence of stiffness and formality and every one enjoyed thoroughly meeting their friends and making new acquaintances. Refreshments were served during the afternoon.

At the evening service Dr. F. S. Parker, of Nashville, Tenn., delivered a splendid address before the conference.

Saturday morning the address be

fore the devotional department will be made by Rev. L. P. Howard, while Rev. C. J. Harrell, of Raleigh, will make the address before the literary department. Both of these addresses will be followed by round table discussions.

The annual sermon will be preached Sunday morning by Dr. F. S. Parker. In the afternoon a song and praise service will be held and the conference will close Sunday night with a consecration service and communion.

WILBUR JONES DEAD.

Died Late Yesterday at Asheville, Where He Was Attending the Furniture Dealers' Meeting.

(Special to The Times.)

Asheville, N. C., June 17—A spirit of gloom was thrown over the closing hours of the session of the North Carolina Retail Furniture Dealers' Association when it was announced just a few minutes before adjournment that Wilbur Jones, of High Point, the editor of the Southern Furniture Journal, had died at the Mission Hospital. Mr. Jones went for the drive over the Bltmore estate yesterday. He complained of feeling badly and consulted a physician. He was taken to the hospital and died there about noon today.

It is supposed that the cause of his death was heart failure as he complained of a pain at his heart. The body will be shipped to High Point in the morning and a committee was appointed from the association to take charge of the remains. There was also a committee appointed to draw up suitable resolutions. Mr. Jones had many friends among the delegates here. He attended all the meetings and was of a jovial and hearty disposition.

The association adjourned at 12:45 this afternoon to meet at Goldsboro next year; the time of meeting was not fixed. The regular program was not carried out as many of the speakers were not present. There were several informal talks, however, and a general discussion of different matters. Charles Parker, of Charlotte, made a short talk; also George C. Royall, of Goldsboro. Most of the time was taken up with the election of officers and the appointment of committees. George C. Royall, of Goldsboro, was elected president to succeed W. T. McCoy, of Charlotte. J. T. Porter, of Charlotte, was elected secretary and treasurer; W. T. Brothers, of Fayetteville, first vice president; R. O. Deitz, of Statesville, second vice president; G. S. Tucker, of Raleigh, third vice president; S. P. Burton, of Asheville, fourth vice president; R. B. Chance, of Reidsville, fifth vice president.

Goldsboro was then chosen as the next meeting place, there being invitations from High Point and Marion.

The president appointed the following committees:

Executive Committee: W. T. McCoy, of Charlotte; C. W. Parker, of Charlotte; George S. Boylan, of Wilmington; E. T. Hall, of Reidsville; J. Crouse, of Winston-Salem.

Finance Committee: J. C. Cherry, Greensboro; J. L. Smathers, Asheville; D. L. Welborn, High Point.

Membership Committee: S. P. Burton, Asheville; W. E. Brothers, Fayetteville; J. T. Lawing, Charlotte; M. B. Smith, Burlington; R. B. Chance, Reidsville.

The committee to take charge of the remains of Mr. Jones are C. W. Parker, D. R. Parker, and J. L. Smathers.

Committee on resolutions, J. T. Porter, G. S. Tucker, S. D. Holt.

POLICE MATINEE

REN SHOTS.

After several dull days the matinee in the police court assumed normal conditions this morning when about an hour and a quarter was consumed in disposing of the cases. Two of the cases were for larceny and occupied practically all of the time.

It was amusing to see John Abrams, a colored fellow, upon hearing the judge declare him not guilty, grab his attorney by the hand, "thanks boss for what you did for me, when I get into trouble again I'll call on you."

Alex Frazier, colored, faced his honor upon the charge of being drunk and down at the Union depot.

Officer Pool said he went in answer to a telegraph call and found Frazier drunk and down.

Alex said he fired an engine in from Portsmouth and sat down on a box and went to sleep. Officer took him up the first thing he knew. He was let go with the payment of cost.

Hubert Edwards, white, was before his honor for breaking into the trunk of Mr. King and getting some money. Mr. King said that he went to his trunk yesterday and found it open and was told by his wife that she knew nothing about it. Heard that Edwards had a pocket book containing about the same amount of money, about \$9.00. The purse was identified. Was told by Edwards that he found it on the floor.

Chief Stell said that when Captain Beasley searched Edwards, this purse was found on him, and later stated that he got it on the floor and it contained about \$7.00.

Edwards said that he knew the purse was King's and he picked it up on the floor and it contained \$7.00. He spent it with the intention of replacing it today.

His honor decided to send him down to the superior court, and placed the bond at \$50.

John Abrams, colored, faced his honor upon the charge of the larceny of a watch and \$4.00. Willie Murphy said that he was on the train returning from New Bern, and when he woke up,

he asked Abrams for his watch and money. Saw him when he dropped the chain and watch into his pocket. When he spoke to him about it, Abrams grabbed up a piece of iron to strike him with. Went over to a place and phoned for the officers. Was very certain that Abrams took it for when he woke up, he saw him putting the watch into his right pocket.

Mr. C. C. Dolter, car inspector of Norfolk-Southern said that he took charge of the train at Jones street for inspection, and saw Murphy on the car drunk on the seat. Saw a chain in his shirt, but no watch was hanging to it.

Mr. E. A. Beaman, employe of Norfolk-Southern, said he was at the shops when the cars were backed into the shops, and John Abrams came in to go to work about quarter to seven. Very sure that John did not go into the cars at all.

Mr. Clarkson, foreman at the shops, said when he got down at 6:30, John came in at 6:45, and he sent him to the engine to wipe it off, and remained in his presence until the freight came in, when John went to get some oil for them. Saw Murphy when he accused John of the stealing, and think he was drunk.

John Abrams said he reported for work at 6:45 to Mr. Clarkson. Worked for Mr. Beaman until he was relieved and then went to work for Mr. Clarkson. Denied going into the train at all. When he first saw Murphy, he was coming around the cars, and he walked up to him and asked what time it was, and was told about half-past nine. Went over to the shop and returned and demanded his watch.

When he told him he did not have it he threatened to whip him and picked up a piece of iron, but he grabbed hold of him. Said Murphy was so drunk he was "reezing and rocking."

"Did not have near cent on him, not a copper" when this took place. Mr. Clarkson went back to the stand and said the freight came in about 6:30. Evidence was not strong enough and the defendant was discharged.

FURNITURE DEALERS MEET.

W. T. McCoy of Charlotte President of Association—Drive Over Bltmore Estate—For Western Carolina Fair.

(Special to The Times.)

Asheville, N. C., June 17—The opening session of the North Carolina Furniture Dealers' Association was held Thursday morning at the Swannanoa-Berkeley Hotel, beginning at 11 o'clock, with an attendance of about thirty members. W. T. McCoy, of Charlotte, president of the association, presided. He also read his report, which was practically all the business transacted this morning. The meeting was opened with prayer by Rev. W. A. Newell, pastor of the Haywood Street Methodist church, and S. D. Holt, of the firm of Burton and Holt, followed with an address of welcome on the part of the local dealers. Judge J. D. Murphy made an address of welcome for the city and the response was by George C. Royall, of Goldsboro. The secretary was detained and the reading of the minutes was deferred until tonight, as were the reports of the secretary and treasurer and the executive and finance committees. In the president's report he made several recommendations that will be acted on later.

The association was entertained by the Asheville citizens this afternoon, taking a drive over the Bltmore estate and returning a meeting will be held at 8 o'clock tonight for the transaction of business, addresses and discussions. There will be addresses by F. N. Tate, of High Point, R. M. Neilson, of Baltimore, and B. W. Rainey, of Greensboro. There will be a general discussion on "How to Advertise." The musical program will be in charge of D. F. F. Leftwich, of Waynesboro, Va., and Ben. B. Lyon, of Baltimore.

The closing session of the association will be held in the morning at 10 o'clock.

The committee appointed from the board of trade, the Retail Merchants' Association and the U. C. T., having in hand the Western North Carolina fair proposition, met this morning in the board of trade rooms and decided to guarantee the sale of the remainder of stock, which is yet unsold, so that they could go ahead with the organization as there is not too much time at their disposal. They decided to call a meeting of the stockholders at which the organization is to be perfected and the charter submitted and cards are being sent out advising them that the meeting will be held Monday, June 19.

There are still a few shares not yet sold and the committees felt perfectly safe in guaranteeing the sale.

CARRIED TO SOUTH CAROLINA.

W. F. Bessent Arrested for Violating Dispensary Law—To be Guests of Oceanic Hotel.

(Special to The Times.)

Wilmington, N. C., June 17—W. F. Bessent, a mulatto, was carried to Conway, S. C., yesterday afternoon by Mr. H. N. Sessions, an officer of Horry county, to receive sentence for violating the dispensary laws of that state. Bessent was recently tried and convicted but he escaped before sen-

tence was pronounced. He was arrested here yesterday by Deputy Kelly, under a warrant sworn out before Justice Harris. Bessent agreed to return to South Carolina without extradition papers.

Announcement was made at the Oceanic Hotel Thursday evening that officers of the United States army post at Fort Caswell, and the Post Band had accepted a very cordial invitation to spend the week-end as guests of the hotel. The majority of the officers, as well as the full membership of the band, have stated that they will come. The band numbers thirty members and is one of the best organizations of its kind to be found at any southern resort.

The leader has announced that concerts will be given at the hotel Saturday afternoon and on Sunday morning and afternoon. These concerts will be a rare treat and will undoubtedly be heard by large crowds of beach residents and visitors.

NO REASON FOR IT.

When Raleigh Citizens Show the Way.

Mrs. Charles Bridgers, 227 East Davie street, Raleigh, N. C., says: "I can strongly recommend Doan's Kidney Pills, for they have done me a world of good. I used them three years ago, getting my supply at the Bobbitt-Wynne Drug Company, and I shall never forget how greatly I was benefited. The backaches and pains through my kidneys were removed and the trouble with the kidney secretions was also corrected. I have had no occasion to use a kidney medicine since that time. In January, 1908, a member of my family publicly endorsed Doan's Kidney Pills and at this time I do not hesitate one moment in confirming that statement."

Massage the sore parts gently while in the water." This should be repeated for a number of nights until the cure is permanent. The effects are almost magical. All soreness goes instantly and the feet feel so good that the whole nervous system is benefited. Corns and callouses can be peeled right off. Bunions are reduced and the inflammation drawn out. Sweaty, bad smelling feet and swollen, tender feet need but a few applications. Any druggist has Calocide in stock or will get it from his wholesale house. A twenty-five cent package is usually sufficient to cure the worst feet. Calocide is not a patent medicine. Formerly used only by doctors, but now is obtainable by the public in general, and is saving many an hour of torture for thousands.
