SAILORS SATURDAY

Entire Battalion Will Follow Their Team Here

The Entire Battalion and Band of Battleship Franklin to Cheer Their Eleven on to Victory Saturday—Carolina Aggies Hard at Work on New Plays.

The Franklin football team, band and battalion consisting of six hundred sailors will arrive in Raleigh Saturday to play the Red and white football team of the A. & M. College.

The Tars have played two games so far this season, winning one and playing the other to a tie. They are somewhat of a strong aggregation of pig skin pushers.

The sailors upon arriving in the city will march to Worth Bagley's monument in the capitol square where a short ceremony will be held and the monument decorated.

After luncheon the battalion will be dismissed and the sailors will then go to the cars which will be standing in front of the post office to take them to the A. & M. park where the football game will be played.

A. and M. Football Schedule. Below is given the 1911 football schedule. The first game will not be played until October 7th, one month after the opening of college, giving the men ample time to get in first-

class condition for the opening game. Oct. 7—U. S. S. Franklin, at Raleigh. Oct. 14—V. M. I., at Lexington, Va. Oct. 19—Bucknell University of Pennsylvania, at Raleigh. (Thursday of Fair week.) Oct. 26—University of Tennessee, at Raleigh. Nov. 4—U. S. Naval Academy, at Annapolis. Nov. 11—Washington & Lee University, at Raleigh. Nov. 13—Wake Forest, at Wake Forest. Nov. 20—V. P. I. at Norfolk, Va. (Thanksgiving.)

Games with three colleges never before played by A. & M. in football, are on the schedule this year, viz.: Bucknell University of Pennsylvania, the University of Tennessee, and the U. S. Naval Academy. It is expected that the game with the Naval Academy will be one of the very hardest ever played by A. & M., as the Academy teams have always ranked with the biggest eleven in the country, such as Yale, Pennsylvania, Princeton, etc.

YESTERDAY'S GAMES.

National League. At Philadelphia: Boston, 3; Philadelphia, 6. At Pittsburgh: New York, 3; Pittsburgh, 0. At St. Louis: St. Louis-Chicago, postponed on account of wet grounds. At Cincinnati: Cincinnati-Brooklyn, no game scheduled. American League. At Washington: Washington-Philadelphia, postponed on account of wet grounds. At New York: New York-Boston wet grounds. At Chicago: St. Louis-Chicago, wet grounds. At Cleveland: Detroit, 4; Cleveland, 7.

After exposure, and when you feel a cold coming on, take Foley's Honey and Tar Compound. It cures and relieves. Use no substitute. The genuine in a yellow package always. King-Crowell Drug Co.

Joe Tinker, the fast little short-stop of the Chicago Cubs, who is one of the foremost swiftness in the National League and is some moments to the giant's crack pitching staff. Tinker likes to get the "goat" of such crack southpaws as Peerless Matthewson, Marquard and Crandall, hitting out their best efforts all over the field.

FOOTBALL AT CAROLINA.

Season Opens Saturday With Game With Wake Forest—Team Hard at Work.

(Special to The Times.)

Chapel Hill, N. C., Oct. 3.—With the idea that on next Saturday, the 7th of October, the University football season will open with a game with Wake Forest, excitement is at a fever heat. Great crowds go out on the side lines every afternoon to watch the practice and to cheer the men when a player stars.

As yet no definite team has been picked and will not be until a few minutes before the game, but some of the men who are doing excellent work and are showing up well in the scrimmages are: Ends: Applewhite, Venable, Manning. Guards: Abernathy, L. L. Hossfeldt. Tackles: Abernathy J. Small. Halfbacks: Wakely, Winston, Chambers, Strange, Erwin. Fullbacks: Belk, Nicholson. Centers: Crutchfield, Deans. Quarters: Coffin, Tillet. The team that will play in the game Saturday against Wake Forest will probably come from the above. It is expected, too, that when the gale is over the white and blue will wave triumphantly.

County Commissioners Refuse to Accept Bonds of Tax Collectors—Jail Cases Held.

(Special to The Times.) Halifax Oct. 3.—There was some disappointment here today when the county commissioners refused to accept the bonds of the township tax collectors. The trouble seems to have arisen from the fact that no preparation had been made for bond greater than last year, whereas, the taxation for the county in the various townships has been very greatly increased, the result being that heavier bonds were required of the collectors for which they today were unprepared.

Of course, the trouble will soon be adjusted and collecting the taxes for 1911-12 will be resumed in order that many of the small taxpayers may be gotten to while they have the where-withall handy.

The keys of the county jail were handed over today by Mr. J. A. Whitehead, who for the last three or four years has been a most efficient officer, to Mr. L. H. Hale, who some six or eight years ago had the jail in charge.

The jail business now is not much of a property-paying business, as it was some years ago; there usually is not over ten or twelve imprisoned at a time and then near the court session some of them, and as soon as sentence is passed on them hustled, are they, off to the county roads.

One of the negro boys who last week escaped from jail here, Wilkins by name, who time and time again has been in various escapades, was captured by Sheriff J. A. House, in Norfolk last Saturday and brought to jail Monday morning. The sheriff got wind of Wilkins' movements and located him, but failed to apprehend the two other negroes who left the jail with him, though he was led to believe that they were some where in Norfolk or Portsmouth.

Some of the farmers of the county here Monday stated to your correspondent that it was the most strenuous harvesting year they had ever experienced, as the cotton opened so much earlier than usual, and before much of it could be gotten out, because of the limited amount of labor, the peanuts have to receive attention and time has to be divided with the other crops; so it is not yet time for him to wear his most expansive smile.

\$300,000 BOND ISSUE.

Halifax Commissioners Call Election For Good Roads Bonds—Baraca Class Elects Officers—Revival Services Begin.

(Special to The Times.) Scotland Neck, Oct. 3.—The county commissioners were in regular monthly session at Halifax Monday. Besides the usual routine of business, the commissioners passed an order calling an election to be held on November 14th, to vote on the question of issuing \$300,000 county bonds for the purpose of building roads throughout the county.

An act was passed by the last general assembly authorizing the board of commissioners of Halifax county to call such an election and upon approval of the voters to issue bonds not to exceed \$300,000. Since the adjournment of the legislature the question has been discussed some by the citizens of the county.

Many noted speakers and experts in road building no doubt will be requested to visit the county and endeavor to enlighten those who may hesitate to vote this large amount of bonds upon the people.

The Young Men's Baraca Bible Class of the Baptist Sunday school elected the following officers last Sunday morning to serve the class during the next six months: President, Ashby W. Dunn; vice president, W. O. Lawrence; secretary, Daniel Bryant; assistant secretary,

Claude Paramore; treasurer, Noah B. Bryan; press reporter, E. J. Proctor; teacher, E. E. Hilliard; hustling committee, J. A. Pittman, C. B. Jackson, W. A. Walston.

A revival service will be commenced in the Methodist church Wednesday evening. The pastor, Rev. J. A. Daily, will conduct the services alone until Monday, when he expects to be assisted by Rev. John C. Wooten, of Grace church, Wilmington, who formerly occupied the chair of Biblical instruction of Trinity College.

Captain Landers' Acquitted. Washington, Oct. 3.—Captain Howard L. Landers, coast artillery, Fort Caswell, N. C., is reported acquitted of the court martial, of the charge of wrongfully locking up at the farm a farmer alleged to have been selling watermelons at higher prices than directed by the officer in charge. Senator Overman brought the case to the attention of the War Department when the farmer complained to him.

Daughters of the Confederacy. Roanoke, Va., Oct. 3.—An excellent program has been prepared for the entertainment of the many visitors who have assembled here for the annual State convention of the United Daughters of the Confederacy. The regular business of the convention will be taken up tomorrow morning and the sessions will continue until Friday.
