

U. D. C'S IN TWIN-CITY

Winston-Salem Daughters Good Entertainers

Col. A. H. Boyden, of Salisbury, Makes Appeal for Monument at Gettysburg — Visiting Daughters Given Luncheons and Theatre Parties—Progress of the Convention.

(Special to The Times.) Winston-Salem, Oct. 27.—The hospitable Winston-Salem people have thrown their doors wide open and the visiting Daughters of the Confederacy are being royally entertained.

Tuesday night the visitors and their hostesses were given an elegant reception at the residence of Mrs. G. W. Coan by the hostess chapter. This handsome colonial home was beautifully decorated, the U. D. C. colors, red and white, being used with numerous Confederate flags.

Elaborate refreshments were served, the chapter colors being carried out in ices and mints. Several hundred ladies attended the reception and their handsome gowns added much to the beauty of the scene.

The convention was called to order at 10:30 Wednesday morning with prayer by the State Chaplain, Miss Hettie James. The visitors were welcomed by Mr. Eugene E. Gray, for the city; by the Norfolk Camp; by the D. A. D., by Mrs. H. L. Riggins for the James B. Gordon Chapter, and a delightful little poem of welcome was read by Mrs. Henry Roan.

Mrs. F. M. Williams, the state president, made the response in her usual eloquent and happy style. The business session was very interesting, the morning session being given over to the reports of officers.

An elegant two course luncheon was served at the board of trade rooms to the delegates and their hostesses by the women's clubs of the Twin-City.

In the centre of the large hall was a pyramid of ferns and palms dotted with red and white electric lights while the hall was decorated in the U. D. C. colors, red and white.

The afternoon session was given over to the reading of important and interesting papers; and before the adjournment Col. A. H. Boyden of Salisbury made an earnest appeal for the Daughters to assist in raising a monument at Gettysburg in honor of North Carolina's brave men who gave their lives for the cause. This state furnished one hundred and fourteen of the men in that battle and as at least one-fourth of the dead on the field belonged to North Carolina, they should have a handsome monument for the benefit of future generations.

From four to six o'clock Wednesday afternoon the visitors were entertained at the beautiful home of Mrs. W. N. Reynolds by the local Chapter of the D. A. R. The home was beautifully decorated in palms and ferns and yellow and white chrysanthemums. The colors, yellow and white, were also carried out in the ices.

At night the hostess chapter gave a theatre party to their guests, which was greatly enjoyed.

A WARNING TO MANY

Some Interesting Facts Regarding Health Statistics

Few people realize to what extent their health depends upon the condition of the kidneys.

The physician in nearly all cases of serious illness, makes a chemical analysis of the patient's urine. He knows that unless the kidneys are doing their work properly, the other organs cannot be brought back to health and strength.

When the kidneys are neglected or abused in any way, serious results are sure to follow. According to health statistics, Bright's disease which is really an advanced form of kidney trouble, caused nearly ten thousand deaths in 1910, in the state of New York alone. Therefore, it behooves us to pay more attention to the health of these most important organs.

An ideal herbal compound that has had remarkable success as a kidney remedy is Dr. Kilmer's Swamp-Root, the great Kidney, Liver and Bladder Remedy.

The mild and healing influence of this preparation is soon realized. It stands the highest for its remarkable record of cures.

If you feel that your kidneys require attention, and wish a sample bottle, write to Dr. Kilmer & Co., Binghamton, N. Y. Mention this paper and they will gladly forward it to you absolutely free, by mail.

Stork Visits Adjoining Neighbors Within Three Hours.

Pittsburg, Oct. 27.—There is joy tonight in the home of Patrick Mulligan, Eustace Killeen and Abraham Moskowitz, who are next door neighbors in White street, Turtle Creek. And this is the reason:

MESSAGE SEVERS LOVE'S TIES.

Wife Discovers Girl Telephoning to Husband Month After Their Marriage.

Baltimore, Oct. 27.—"When you've been married to a husband only a month or so and you find a girl telephoning all the way from Cambridge, Ohio, to make an appointment with him, she must be altogether too fond of him. Don't you think so?"

This is the opinion of Mrs. Alice Naomi Mitchell, of Relay, one of the most beautiful matrons of Baltimore county, who has filed suit at Towson for absolute divorce from Charles Ross Mitchell, of the relief department of the Baltimore and Ohio Railroad. They have been married six years.

"It was within a month after our marriage that I found he was writing to a girl in Virginia. She lived in Staunton," Mrs. Mitchell said. "I

wrote to her father about that, but something else happened soon. This was a telephone message, all the way from Cambridge, Ohio, when the girl tried to make an appointment with Mr. Mitchell. I thought that was going a little too far in both senses of the word."

"This was the real beginning of your troubles?"

"Yes, but I didn't mention her in the suit; instead I named a woman called Anita Berger, who lives—or did at the time—in Westport. But she wasn't the only one. My, no!"

In her plea Mrs. Mitchell asks for the custody of their two children. The couple separated last September and the oldest child, a boy, is with the father.

York, Pa., Oct. 27.—Their belief strengthened by the fact that an attempt was made about a month ago to entice an older son away from Mr. and Mrs. Hiram Ely, of near Wildcat, insist that Charles, the child who disappeared one week ago today, was stolen.

About a month ago three men came to the river shore near the Ely home in a boat and offered inducements for an older brother of Charles to accompany them. Two of these men answered the description of men seen near the home on the day Charles disappeared.

The searching party has dwindled to only a few men and the three state troopers. The latter believe that the child fell into the river and was drowned and may soon give up their efforts to find him.

(Special to The Times.) Wilson, Oct. 27.—The two questions that now engage the attention of the people at the present time are: "Will Wilson get a union depot?" and "shall the jail be moved?"

The state corporation commission will have a hearing here on November 15th to settle the former question, when a large majority of the citizens agree that a union station, to be jointly used by the Atlantic Coast Line and the Norfolk Southern railroads, will be ordered built on the site of the present Atlantic Coast Line station. It is expected that the county commissioners will at their next meeting decide whether the jail will be removed from the business section of the city. SLEEP WALKER DIES BY FIRE.

Somnambulist Believed to Have Tipped as She Carried Lamp.

Baltimore, Oct. 27.—Lying unconscious in a furnace of flames in the basement kitchen of her home, Mrs. Mary J. Hummel, of 1708 Mosher street, 35 years old, a somnambulist, received burns shortly after 1 o'clock this morning that resulted in her death at the Maryland Homeopathic Hospital several hours later. It is thought that the fire was caused by her tripping over something as she walked through this room in her sleep carrying a lighted lamp.

That the woman was unconscious while the flames scorched and blistered her body made practically certain by the fact that not one of the inmates of her home heard any outcry. It was not until he had battled his way through the burning room to see what had caused the fire that her husband, Frederick Hummel, had any idea that his wife was not safe in her bed.

Mrs. Hummel who was a grandniece of John McDonogh, founder of the famous school bearing his name for orphan boys, leaves five small children, Alice, is 10 years old, while the youngest, Paul, is only 6 months old.

TOO PROUD TO WORK.

Mother of Binney W. Earl Says No Earl Must Labor.

Trenton, N. J., Oct. 27.—Considering it humiliating and disgraceful for a member of her family to work, the mother of Binney Woodward Earl, of Edgewater Park, would not allow him to seek employment, according to an affidavit filed in the court of chancery here by Earl's wife, Mrs. Irma Leigh Earl, who is seeking a divorce. The mother, Mrs. Franklin Woodward Earl, is a sister of Princess Florence Di Camporeale, of Palermo, Italy. The Earl family and the wife of the son alleges that it was because of the interference of the mother that he boy would never go to work.

She says in her affidavit that the mother allows the son about \$2,500 a year out of his share of the father's estate. She claims that many times she has urged him to get something to do, but each time the mother would interpose, saying that none of her family had ever been obliged to labor and it would be a disgrace for Binney to do so.

It was during a reception to Princess Di Camporeale two years ago that Earl and the friend of his childhood, Irma Leigh, eloped and were married. The young wife is seeking a divorce now on the ground that her husband has been unfaithful. The affidavit just filed is in connection with an application for alimony and counsel fees pending settlement of the divorce suit.

—Superior court today was still hearing the case of W. H. Caudle and others vs. Mollie Morris and others. The case will likely be ended today.

ADVANCE IN PRICE Special Offer Open Until November 1st. As a matter of necessity, the price of the mail edition of The Raleigh Daily Times will be increased on November 1st, from \$2.50 per year to \$4.00. This is not being done to take advantage of anybody, nor to hurt anyone's feelings—it is simply because the paper cannot make a profit by selling at the present price. Operating expenses are higher now than they were several years ago, wages of employees are greater, and altogether, it costs more to run a daily newspaper now than it did several years ago. In offering The Times at \$4.00 a year to our out-of-town subscribers, we are doing so purely on the Paper's merits. If you candidly do not believe that our paper is worth \$4.00 a year to you—then we don't want to take your money. We are trying hard to improve the Times—we are spending good money on it—we are going to spend more and introduce more improvements. Until November 1st, we will accept subscriptions from out-of-town patrons at \$2.50 per year in advance. For \$5.00 in advance we will send the paper two years by mail. After November 1st, the price will be \$4.00 a year in advance. Mail all remittances to THE RALEIGH DAILY TIMES, Raleigh, N. C. The Whole Family Reads The Raleigh Daily Times.
