The Rayo Lamp is an insurance against eye troubles, alike for young and old.  
The Rayo is a low-priced lamp, but it is constructed on the soundest scientific principles, and there is not a better lamp made at any price. It is easy on the eye because its light is so soft and white and widely diffused. And a Rayo Lamp never flickers.  
Easily lighted without removing shade or chimney; easy to clean and rewick. Solid brass throughout, with handsome nickel finish; also in many other styles and finishes.  
Ask your dealer to show you his line of Rayo lamps; or write for descriptive circular to any agency of the

**What Makes a Woman?**  
One hundred and twenty pounds, more or less, of bone and muscle don't make a woman. Its a good foundation. Put into it health and strength and she may rule a kingdom. But that's just what Electric Bitters gave her. Thousands bless them for overcoming fainting and dizzy spells and for dispelling weakness, nervousness, headache and tired, listless, worn out feeling. "Electric Bitters have done me a world of good," writes Eliza Pool, Dewey, Okla., "and I thank you, with all my heart, for making such a good medicine." Only 50c. Guaranteed by King-Crowell Drug Co.

**GAS, DYSPEPSIA AND INDIGESTION VANISH.**

**Diapepsin Settles Your Upset Stomach and Ends All Indigestion in Five Minutes.**  
You can eat anything your stomach craves without fear of indigestion or dyspepsia, or that your food will ferment or sour on your stomach, if you will take a little Diapepsin occasionally.  
Your meals will taste good, and anything you eat will be digested; nothing can ferment or turn into acid or poison or stomach gas, which causes belching, dizziness, a feeling of fullness after eating, nausea, indigestion (like a lump of lead in stomach), biliousness, heartburn, water brash, pain in stomach and intestines or other symptoms.  
Headaches from the stomach are absolutely unknown where this effective remedy is used. Diapepsin really does all the work of a healthy stomach. It digests your meals when your stomach can't. A single dose will digest all the food you eat, and leave nothing to ferment or sour and upset the stomach.  
Get a large 50-cent case of Pape's Diapepsin from your druggist and start taking now, and in a little while you will actually brag about your healthy, strong stomach, for you then can eat anything and everything you want without the slightest discomfort or misery, and every particle of impurity and gas that is in your stomach and intestines is going to be carried away without the use of laxatives or any other assistance.  
Should you at this moment be suffering from indigestion or any stomach disorder, you can surely get relief within five minutes.
