Is Guest of The Raleigh Daily Times This Week--Will Entertain Raleigh Public As Guests of This Newspaper At the Grand Theatre Saturday Morning

OTHER PERFORMANCES

Politeness, honesty and hustle are the three prime requisites of the successful newsboy. So says "Noodles" Fagan, the famous newsboy, guest of The Daily Times, who appears at the Grand Theatre this week in a clever cut vaudeville act. To this effect he adds the injunction, "Don't miss one school session, don't drink, don't chew, keep your hands clean, keep your character clean."

If he follows that advice he won't go wrong. "Noodles" says the right time to make a man is when he is a boy, and that is right.

Every boy has a profound respect for "Noodles," who rose from the bowery of New York to a successful young man. "Noodles" sings as charming as himself.

What "Noodles" Has Done.

Who "Noodles" is and what he has done would fill a bulky volume. Here are just a few of his achievements.

He has addressed all the big high school boys in many cities in this and other countries on how to live clean and right.

He has addressed all the big high schools, colleges and chambers of commerce of this country.

He has met the royalty of Europe, including Alfonso of Spain and the late King Edward of England.

He was granted a conference January 18th with President Taft at the White House. After the introduction the President said:

"Mr. Fagan, I am glad to know you. Your work for the poor children will not be soon effaced. I want to thank you for your great work."

He has spoken to 300,000 women in California on woman's suffrage.

He has raised \$150,000 to aid in the fight to stamp out tuberculosis.

"Noodles" Fagan has established 12 newsboys' bands and 15 newsboys' homes and associations.

All of this work "Noodles" has done absolutely without pay.

For the special entertainment of the children of this city and the rest of the interested public, The Raleigh Times has arranged to have "Noodles" give a free lecture Saturday morning at 10 o'clock in the Grand Theatre on the subject, "Travels of the World."

The lecture will be illustrated by

moving pictures and "Noodles" will give in his characteristic manner some of his experiences in foreign lands.

Boys to Meet Him Wednesday.

Wednesday night every newsboy in the city will be the guest of The Raleigh Times at the Grand Theatre when "Noodles" Fagan will appear. The boys will also participate in the Times' Boys' Musical Carnival which will take place on the stage.

"Noodles" will meet the boys at the office of the Daily Times Wednesday night at 7 o'clock and march to the Grand Theatre in a body.

Some of the countries "Noodles" has visited are Japan, Italy, India, Canada, England, Nova Scotia, South America, Yucatan, Mexico, Ireland, Scotland, Germany, Wales, Holland, Belgium, France, Spain, China, Jamaica, Martinique, Porto Rico, Cuba, and the Philippines.

As a lecturer he has appeared on the platforms of leading churches and Y. M. C. A. halls all over the world, frequently being called upon to deliver his lecture to school children.

He has spoken in all the churches in the principal cities of the country. He carries letters from Martin Brumbaugh of Philadelphia, Dr. Maxwell of New York, Judge Lindsey and leading instructors of America.

Ten thousand heard him at Washington; five thousand at Roanoke, and five thousand at Winston-Salem last week. Three million people hear him yearly.

Greensboro, Feb. 5.—Something of a stir was created here Saturday evening when it became known that a warrant had been issued for R. J. Sykes, secretary and treasurer of the Congress and Sykes drug store, in which Mr. Sykes was charged with retailing whiskey. The warrant was sworn as a result of an ad testifi-

candum proceeding before Judge Eure earlier in the day when the principal witness before the court was John R. Coble, a well known and well to do citizen of Greensboro. The case will be heard again in the courts and it is probable that the case will be taken to the highest court in the state.

BETTER CONDITIONS ACROSS THE BORDER

Washington, Feb. 5.—Although commanders at El Paso and other army posts on the Mexican border received orders to hold themselves in readiness for possible mobilization, unless the situation becomes serious, non-combatant Americans in Mexico are endangered, probably only one regiment of infantry, with a troop of cavalry and battalion of field artillery will be sent to join the troops already in the department of Texas.

While dispatches to the State Department seem to point to betterment of affairs, at Juarez and other points in North Mexico, messages from American representatives in southern Mexico indicate the situation is worse. Zapatistas are reported in control of most of the territory between Guernavaca in Morelos and Chilpancingo in Guerrero.

It is not believed 25 Americans at Cuernavaca are in danger. Reports to the Department says the Federal garrison there is large and well equipped.

WHAT RALEIGH NEEDS

Pre- of Baptist Tabernacle Tells His Congregation That Wisdom of Prohibition is Not Now the Question, the Question Being Law and Order—Appeals for Cleanliness in Streets and Yard—Strong Sentiment on "Rebuilding Rained Walls."

Rev. Chas. E. Madddy, pastor of the Baptist Tabernacle, yesterday preached a sermon on "Rebuilding Rained Walls." Taking as a text the incident in Nehemiah's return to Jerusalem to rebuild the walls of that ruined city, he showed how that which people might help make this city more beautiful and by beautiful he meant all these things that enter into the healthy life of the community. The first one he mentioned was the lack of law-enforcement; the question of the wisdom of prohibition is no longer the point, but the point is whether Raleigh people want law and order or anarchy. The second evil needing remedy was civic consciousness, and Mr. Madddy told his congregation that enthusiastic Raleigh people might make their city more beautiful than it is. The congregation was impressed with the soundness of his teachings.

Chamber of Commerce Dues.

Treasurer Edward H. Gray of the Chamber of Commerce issued notice to members that the second half year began December first last and asking them to pay membership dues. The Chamber of Commerce began its new life June 1st of last year with 521 names filed for membership, but only 367 paid for the first half year. A number of the latter have not paid for the second half year. The chamber of commerce cannot do without Raleigh and Raleigh people who know what is going on know the great importance of the Chamber of Commerce to this city.

MR. DAVIS BEFORE COURT

Recorder of Charlotte Issues Papers For Him After Hearing Sensational Speech

HE EXHIBITED WHISKEY

Mr. Davis Made a Speech in Charlotte Similar to the One He Made Here, in Which He Exhibited Eight Bottles of Whiskey—Brought Before Recorder and Made to Tell Who Bought the Whiskey For Him and From Whom He Got It.

Rev. R. L. Davis was summoned before the recorder of Charlotte late yesterday on an affidavit procedure. Mr. Davis had just finished making a speech in the auditorium there, along the lines of the one he made here last Sunday afternoon, when he was served with the papers. This morning's Charlotte Observer carries the following account of the affair:

"Special machinery created for the enforcement of the prohibition law was invoked upon that law's creator and advocates when three writs of replevin of testificandum were served last night by a Charlotte police sergeant on Rev. R. L. Davis, of Wilson, secretary of the North Carolina Anti-Saloon League. This followed the public exhibition by Mr. Davis of eight pint bottles of whiskey, which he claimed were purchased illegally in this city, three from as many drug stores and five from different clubs.

"In a hearing before Recorder D. B. Smith, before whom the writs were returnable, Mr. Davis gave to the authorities the name of the Mecklenburg man who made the purchases, supplied the clubs and drug stores referred to and gave such other information as he happened to have, relative to the sellers. The alleged purchaser has an engagement with Chief of Police Christensen this morning. The cases will be further heard February 15, when Mr. Davis' tour of the state is concluded. Bond in the sum of \$500 for Mr. Davis' appearance this morning was tentatively required, but after it was decided to hold the temporary hearing last night, his recognizance was accepted.

"The incident which had so dramatic a conclusion occurred at the three prohibition meetings held in the auditorium, corner East Fifth and (Continued on Page Four.)
