

S.S.S. PURIFIES BAD BLOOD

Bad blood is responsible for most of our ailments, and when from any cause it becomes infected with impurities, humors or poisons, trouble in some form is sure to follow. Muddy, sallow complexions, eruptions, pimples, etc., show that the blood is infected with unhealthy humors which have changed it from a pure, fresh stream to a sour, acrid fluid, which forces out its impurities through the pores and glands of the skin. A very common evidence of bad blood is sores and ulcers, which break out on the flesh, often from a very insignificant bruise, or even scratch or abrasion. If the blood was healthy the place would heal at once; but being infected with impurities which are discharged into the wound, irritation and inflammation are set up, the fibres and tissues are broken, and the sore continues until the blood is purified of the cause. S. S. S. is Nature's blood-purifier and tonic, made entirely from roots, herbs and barks. It goes down into the circulation and removes every particle of impurity, humor or poison, restores lost vitality, and steadily tones up the entire system. S. S. S. neutralizes any excess of acid in the blood, making it pure, fresh and healthy, and all permanent cures Eczema, Acne, Tetter, Salt Rheum, Boils, and all other skin eruption or disease. Book on the blood and any medical advice free.

HORSES FOR THE CAVALRY

Government Has Trouble In Procuring Good Mounts

Washington, March 18.—The United States government now owns two of the most famous horses in the history of the racing world, Henry of Havarre and Octagon. August Belmont gave the two famous racers with four other thoroughbreds as a nucleus for a government breeding station for production of horses suitable for cavalry remounts.

When his offer was first made there was a question raised that the government could not accept any present of value without congressional sanction. Officers of the War Department delved into precedents and decided that the horses could be accepted. Immediately Mr. Belmont was notified that his offer to present the horses to the War Department was agreeable.

Brig-Gen. H. T. Allen, at the head of the cavalry bureau of the army, is enthusiastic over the gift of Mr. Belmont, declares that in this way only will the government be able to solve the remount problem.

"European countries," he said, "long ago found it necessary to supervise breeding of horses to supply the demand of their armies and every European country of importance, with the exception of England, has for years been encouraging breeding of the proper type of cavalry remount. England, one of the most important horse countries in the world, has only recently been forced to this step. It is interesting to note that practically the same conditions confront England that confront this country at the present time and that almost identical steps are contemplated in the two countries to accomplish the same result, suitable army horses in sufficient number."

Henry of Navarre and Octagon, the two principal horses presented by Mr. Belmont, were among the best race horses of their years. Henry of Navarre was of the same age as Domino and Dobbin. The former was one of the most sensational race horses of the American turf. Henry of Navarre captured a great many stakes during the three years on the turf and won nearly \$100,000.

Octagon is a high class racer and as a three year old won the Brooklyn Derby. He is a success as a sire. Among his get was the sensational filly Beldame, easily the best three year old in 1904.

Rock Sand, two of whose sons Mr. Belmont has also presented to the War Department, was purchased by him for \$150,000 after the horse had won the English Derby.

Brig-Gen. James B. Aleshire, quartermaster general of the army, is on record in favor of breeding under supervision of government, horses suitable for the cavalry. In a hearing before the committee on military affairs of the House of Representatives General Aleshire said that "the government should send to those sections of the country in which are found well-bred mares such as is desired in cavalry horses, stallions suitable for breeding superior cavalry horses, the farmers to be given free service of these stallions and the government to reserve the option of purchasing the colts when three or four years old."

The quartermaster general said that the government requires approximately 17,500 horses for cavalry purposes and that there are annually required for remounts ten per cent of that number. He said that

at certain intervals a portion of the walls of St. Peter's is removed in order to place records in a cavity of the church. The bricks taken out are presented to prominent members of the Catholic church. This is said to have been the only one ever presented to an American.

YOUR GRAY HAIRS QUICKLY VANISH

A Harmless Remedy, Made from Garden Sage, Restores Color to Gray Hair.

A feeling of sadness accompanies the discovery of the first gray hairs which unfortunately are looked upon as heralds of advancing age. Gray hair, however handsome it may be, makes a person look old. We all know the advantages of being young. Aside from the good impression a youthful appearance makes on others, simply knowing that you are "looking fit" gives one courage to undertake and accomplish things.

In Wythes' Sage and Sulphur Hair Remedy we have an ideal preparation of Sage, combined with Sulphur and other valuable remedies for dandruff, itching scalp and thin, weak hair that is split at the ends or constantly coming out. A few applications of this valuable remedy will bring back the color, and in a short time it will remove every trace of dandruff and greatly improve the growth and appearance of the hair.

DEBATING TEAM TO TEXAS

Wake Forest Team to Debate Easter in Taylor, Texas—Senior Speaking.
Wake Forest, N. C., March 18.—The debaters who will represent Wake Forest in the intercollegiate debate against Baylor University at Waco, Texas, Easter Monday night, are working hard on the speeches. Each of them have had experience along the debating line. S. C. Hild was a debater against Davidson last year at Greensboro, while R. S. Pugh was alternate. The orator on this occasion is B. V. Ferguson. The team will leave here about April 4 and will return about April 11. This is the farthest distance a debating team has ever gone from Wake Forest. The question is "Resolved, That the initiative referendum and recall, the recall not to apply to the judiciary, is a wise governmental policy." Wake Forest has the affirmative.

The spring senior speaking will be held next Friday night in Wingate memorial hall and on next Monday the faculty will select from the senior speakers of the fall and the senior anniversary speakers six men, three from each society, the commencement speakers. Those who are speaking are: C. R. Sharpe, L. B. Olive and S. A. Edgerton, from

WOMEN PLEAD FOR BALLOT.

Committee of New Jersey Senate Gives Hearing on Suffrage Resolution.
Trenton, N. J., March 18.—Several hundred women occupied the main floor and the galleries of the assembly chamber today during a hearing given by the senate judiciary committee on Senator Gebhart's resolution to amend the constitution to extend the right to vote to women. The women suffragists were led by Mrs. Clara Laddy, president of the New Jersey Woman Suffrage League. Her followers all carried flags, inscribed with the words "Votes for women." The opposition was led by Mrs. Clara Fisher, of Trenton, who operates an anvil factory.

The committee made no announcement of the action it will take upon the resolution.

Many Driven From Home.

Every year, in many parts of the country, thousands are driven from their homes by coughs and lung diseases. Friends and business are left behind for other climates, but this is costly and not always sure. A better way—the way of multitudes—is to use Dr. King's New Discovery and cure yourself at home. Stay right there, with your friends, and take this safe medicine. Throat and lung troubles find quick relief and health returns. Its help in coughs, colds, grip, croup, whooping-cough and sore lungs make it a positive blessing. 50c. and \$1.00. Trial bottle free. Guaranteed by King-Crowell Drug Co.

AMUSEMENTS

BIG ADVANCE SALE

For Harry Bulger in "The Flirting Princess, Thursday Night." (By the Academy Press Agent.) Theatre goers are "wide awake" to the fact that Harry Bulger is without a doubt one of the cleverest and funniest comedians that has ever visited this city and "The Flirting Princess" is one of the greatest, swiftest and most sensational musical comedies that has ever played here. The big advance sale at the Yarbrough this morning indicates one of the largest houses of the season. Surrounding towns will be well represented as many orders for tickets have been received from out of the city. Academy patrons are guaranteed the only and original Harry Bulger and the only and original "Flirting Princess" as Mort H. Singer has made it a rule never to sent out No. 2 companies of any of his big musical successes, so patrons who attend any one of the many attractions coming here under the Singer banner may rest assured they are witnessing the only and No. 1 organization on tour, presenting the particular play advertised.
