MR. BOSTICK SPEAKS

Returned Missionary Tells of Conditions in China

Thinks Manchu Dynasty Is Doomed, But Believes Republic Will Not Stand in Present Form—Was in Center of Famine District—At Tabernacle and First Baptist Churches.

Rev. Wade D. Bostick, just returned from China, filled the pulpit of the Baptist Tabernacle yesterday morning and the pulpit of the First Baptist church last night, and told his congregations something about the conditions that obtain in China at the present time. Mr. Bostick was stationed at Po Chow, which is the center of the famine district and the seat of the insurrection against the Manchu dynasty. He had been there seven years as a missionary and is now on a furlough. When the present troubles began Mr. Bostick and family were escorted 120 miles to the nearest railway station.

Mr. Bostick said that the famine was at its worst and gave a description of the terrible suffering in the district. Speaking of the revolution, he believed that the Manchu dynasty was at an end, but thought the republic had not yet assumed its final form.

Mr. Bostick married Miss Holloway of Raleigh and they are guests of her parents on New Bern avenue. He is a graduate of Wake Forest College.

MR. BOUSHALL WILL BE IN THE RACE

Mr. J. D. Boushall, who several weeks ago sent out letters announcing his candidacy for lieutenant governor, has already received many promises of support. A number of the leading papers have referred to his candidacy in complimentary manner and he is assured of a strong following from the start. Mr. Boushall is not a stranger to politics. Several years ago he was honored by the democrats of Wake county and he made a good record in the general assembly. He is popular in this city and county and will doubtless make almost a clean sweep. His only opponent so far is Mr. Walter E. Daniel of Weldon.

MRS. HELEN ALLEN

Died at Her Home On West Street Sunday Morning.

After an illness of only ten days from pneumonia, Mrs. Helen Allen, the widow of the late G. M. Allen, died Sunday morning at 3:30 o'clock at her home on South West street.

She was a woman of highest Christian character, with many personal qualities that had endeared her to a large circle of friends, to whom the news of her death, will bring deep sorrow. She survived her husband four years. She leaves one daughter, Mrs. Preston B. Rogers and an adopted daughter, Mrs. Carrie White.

The funeral was held from the First Baptist church this afternoon at 3:30 o'clock, conducted by the pastor, Dr. T. W. O'Kelley. The deacons of the church of which Mr. Allen was senior deacon at the time of his death, acted as pallbearers. The interment was in Oakwood cemetery, by the side of her husband.

JOHN HENRY BONER

Subject of Literary Meeting of Central Epworth League This Evening.

John Henry Boner, our own North Carolina poet, will be the subject of the literary meeting of Central Epworth League this evening. The public is cordially invited to attend the meeting which will be held at 7:30 o'clock. The program will consist of a piano duet by Miss Stevick and Mrs. Annie Love Wilson. Miss Mamie Thomas will read a paper on John Henry Boner and several selections from his poems will be given.

MEETING AT TABERNACLE.

Mr. Maddrey Begins Revival to Continue Through the Week.

Pastor Maddrey of the Tabernacle announced a series of revival meetings at the Tabernacle last night to be continued through the week, commencing at 7:30 o'clock each night. If it is determined to hold a day service announcement will be made later.

The Tabernacle extends a cordial invitation to all the churches to join them in these revival meetings, and to the public generally to attend the same.

What We Never Forget according to science, are the things associated with our early home life, such as Bucklen's Arnica Salve, that mother or grandmother used to cure our burns, boils, scalds, sores, skin eruptions, cuts, sprains or bruises. Forty years of cures prove its merit. Unrivaled for piles, corns or cold sores. Only 25 cents at King-Crowell Drug Co.

There are two things calculated to make a man's head swim—a merry-go-round and a merry widow.

NOT SALTS, OIL OR PILLS BUT CASCARETS

No Odds How Sick Your Stomach; How Hard Your Head Aches or How Bilious—Cascarets Make you Feel Great.

You men and women who somehow can't get feeling right—who have an almost daily headache, coated tongue, foul taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have backache and feel all worn out.

Are you keeping clean inside with Cascarets, or merely forcing a passage every few days with salts, cathartic pills or castor oil? This is important.

Cascarets work while you sleep; cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the decomposed waste matter and poison in the intestines and bowels.

A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your entire family feeling good for months. Don't forget the children. They love Cascarets, because they taste good—do good—never gripe or sicken.

SIDEWALK ORDINANCE MAY BE ADOPTED

A Times reporter's attention was called to the fact that merchants allow dirt and trash to accumulate on the sidewalks all day Saturday so that when the people pass the stores Sunday on their way to church they are forced to walk on streets that are as dirty as the middle of the street. Mayor Johnson was interviewed in regard to any ordinance requiring the streets to be swept. "There is no ordinance of this nature," said the mayor, "but I think that would be a splendid thing for the city, and I am going to endeavor to have the board of aldermen pass such an ordinance at their next meeting."

In the larger cities this is one of the strictest laws. No city, it is urged, can be a "city beautiful" and have the streets littered with trash and dirt on the Sabbath day. The best method is to have the merchants sweep in front of their stores just before closing time Saturday night and then have the city trash wagon make the rounds between midnight and morning and remove it from the gutters. In this way women can walk the streets without ruining their dresses.

Attention has also been called to the fact that lumber and other movable material is allowed to lay on the sidewalk over Sunday.

PRESS COMMITTEE TO NAME TIME AND PLACE.

The executive committee of the North Carolina Press Association will meet Wednesday at 12:15 in the office of the News and Observer for the purpose of naming the time and place for holding the next convention.

Mr. Mitchell Out Again.

Mr. J. E. Mitchell, who was taken to Rex Hospital four weeks ago, has completely recovered from a severe attack of grip and was discharged this afternoon. Mr. Mitchell is 77 years old, and looks younger now than he did several years ago—and he says he feels younger.

Old Soldier Very Ill.

Mr. B. L. Farabee, a Confederate veteran, is critically ill in Rex Hospital, where he was carried Saturday. It is hoped that his condition will show improvement in the next 24 hours.

Mr. Daniels Improving.

The condition of Mr. Josephus Daniels, who was operated on at Rex Hospital, continues to improve, and it is hoped that he will be able to return home by the end of the week.

KITCHIN TO MAKE HIS SECOND SPEECH

Gov. W. W. Kitchin, one of three candidates who want to succeed Senator F. M. Simmons, will deliver his second campaign speech tonight and Greensboro will be the place. He left today for Greensboro. Governor Kitchin's first speech was made in Raleigh several weeks ago and he went after the senator's record. It is said that the second effort will be a warmer number than the first, and people who like politics are interested in what the governor will say.

Former Governor Aycock will make his opening speech in Raleigh during the early part of April and his second speech in Charlotte a little later.

SMALL FIRE LAST NIGHT.

Fire On Top of the Bland Hotel—No Damage Done.

An alarm came in last night at 9:45 from box 312, corner Martin and Salisbury streets. It was just after church let out and quite a crowd quickly gathered. The fire proved to be a mass of coals, presumably left by some boys who had gathered on top of the Bland hotel. No damage was done.
